 - ** Our thick material, such as material for Jacket, Sweater, Track Suit, we are also not able to provide Ventilation and Quick Dry function

13 How about the color ?

- A We study and search market for brightest color possible, and our black color, is darkest black on market
- B Our ink is water base ink, 100% environmental friendly ink, no harm to human or animal or environment during production.
- C Our color will not faded away after years, it will be still bright and pretty as the first day you receive it.

14 About our size chart and product

- A All our product done by manual stitching, it is quite normal, there will be about +/- 1.5 cm or 0.5 inch differ than our size chart
- B With years of working with professional elite team and schools, we try to offer the product as market need, not to mimic any brand
- C Our size chart don't set apart adult or children's, we offer straight sizes from 6XS all the way to 6XL
- D We try to offer different fit of different athletics, if you have specific need, please contact us.

15 About Design your logo

- A We are Sportswear company, design a new logo is not our strong strength, there are many company specialize in logo design, we suggest you design your logo with these company.
- B However, if you already have your new logo in mind, but not able to do a complete logo design or drawing, maybe we can help on that, please make a rough hand drawing on a paper, we can make it for you = Extra charge may apply (Or not able to do it*)

C Verbal or written logo design without rough sketch, we may give a separate charge = Extra charge may apply (Or not able to do it*)

D We can always mimic re-draw your logo = Extra charge may apply (Or not able to do it*)

* We always try to make your design come true, but sometimes the communication or your request are beyond our ability, we may just not able to do it.

16 About Art design or Fashion design

A We are Sportswear company, design a sports wear is our daily work, but we are not able to do art design, such as re-draw a photo image or compose an art landscape, the best we can do is take your photo, try to change resolution good enough for printing resolution, or use software to convert into cartoonlike image = Extra charge may apply (Or not able to do it*)

B We are also not able to make your Teamwear or uniform in Fashion design, unless you gave us a rough hand drawing. = Extra charge may apply (Or not able to do it*)

B However, if you already have your new design in mind, but not able to do a complete design or drawing, maybe we can help on that, please make a rough hand drawing on a paper, we can make it for you = Extra charge may apply (Or not able to do it*)

* We always try to make your design come true, but sometimes the communication or your request are beyond our ability, we may just not able to do it.

17 Duplicate other company's design or anything related to copy right

A We are not able to do a duplicate design, if you just give us a shirt or pants, we respect copy right seriously.

B On your design and order, please ensure you have the permission to use all the logos, image and your drawing, if we have question regarding any logo or image, we reserve the right not to precede your order.

C Again, we respect copy right very seriously.

18 Care label logo change or information change

A By universal rule, we must indicate Country of Origin, which is Made in China

B By many countries regulation, we must indicate content of fabric.

C We normally will put our I-Jersey logo together with care label (Printed Care Information, not separate stitched label) If you request remove our logo = Extra charge may apply (Or not able to do it*)

D If you would like to remove our logo from care label, and replaced with your logo = Extra charge may apply (Or not able to do it*)

* We always try to make your design come true, but remove our logo we may just not able to do it, of course, if your order quantity big enough or you will pay for this change, we are more than happy to do it.
