Entrance of our Lord Jesus Christ into Jerusalem

On Sunday, five days before the Passover of the Law, the Lord came from Bethany to Jerusalem. Sending two of His disciples to bring Him a foal of an ass. He sat thereon and entered into the city. When the multitude there heard that Jesus was coming, they straightway took up the branches of palm trees in their hands, and went forth to meet Him. Others spread their garments on the ground, and yet others cut branches from the trees and strewed them in the way that Jesus was to pass; and all of them together, especially the children, went before and after Him, crying out: "Hosanna: Blessed is He that cometh in the Name of the Lord, the King of Israel" (John 12:13). This is the radiant and glorious festival of our Lord's entry into Jerusalem that we celebrate today. The branches of the palm trees symbolize Christ's victory over the devil and death. The word Hosanna means "Save, I pray," or "Save, now." The foal of an ass, and Jesus' sitting thereon, and the fact that this animal was untamed and considered unclean according to the Law, signified the former uncleanness and wildness of the nations, and their subjection thereafter to the holy Law of the Gospel.

***Hosanna in the Highest. Blessed is He Who
Cometh in the Name of the Lord!***

PARISH COUNCIL UPDATE

Greetings to all members of our community,

We are pleased to share the latest updates and progress on the various projects and improvements the Parish Council has undertaken. These initiatives reflect our ongoing commitment to enhancing the functionality and aesthetics of our church facilities, ensuring they meet the needs of our congregation and visitors. Below, I've included detailed information on the recent maintenance efforts, capital improvements, and other significant developments. We are grateful for our parish members' continued support and involvement as we work together to maintain and enrich our spiritual home.

Maintenance

1. The facility recently underwent a thorough pressure washing, significantly enhancing its overall appearance. We have also completed repainting the columns along the church walkway, a change that has already garnered positive feedback from many community members. We extend our heartfelt thanks to **Concrete Masters** for their generous donation of materials and labor.
2. Moving forward, we will begin a project to repair the siding and fascia around the roof perimeter of both buildings. This will include replacing the stained roof panels under the covered walkway to improve our facilities' aesthetics and durability.

Capital Improvements

The Parish Council has recently reviewed and approved bids for constructing a new parking lot behind the church. This development will introduce **60** additional parking spaces, enhanced lighting, improved landscaping, and new walkways. Once the contract is finalized and the necessary permits secured, we anticipate completing this project within 90-120 days. Thank you to **Mr. Sam Mousa**, our Building Committee Chairman, for his efforts on this project.”

In addition, we are currently in the design and bidding phase of a project to remodel four bathrooms: two in the church hall, one in the hall kitchen, and one in the church itself. This remodel will feature upgraded designs, new tiles, fresh paint, and modern appliances. We aim to decide on this project before the summer, with construction slated to begin in **September**.

Facilities

1. We have contracted a new cleaning company known for its reliability and efficiency. You may have already noticed an improvement in the cleanliness of our church facilities. This company also offers pre-event and post-event cleanup services, alleviating the burden on our members to stay late for cleaning after community events. This enhanced service will make our rental program more attractive to potential renters.
2. Additionally, we are in the process of upgrading our alarm system and installing new fire key boxes. Our current alarm system, being 15 years old, is being replaced with the latest technology, including remote access and video monitoring capabilities. We are also updating our compliance with the Jacksonville Fire Department to ensure quick and easy access to our building in an emergency.
3. The audio/visual sound system and projectors in our church hall are due for a major upgrade. As we host more events and rentals, these enhancements will provide significant benefits. On particularly busy Sundays, we will also be able to display the church service in the hall, thanks to these updates.
4. In the fall, when the time changes, we will add lights to the playground and basketball court to ensure they are well lit at night.

Upcoming Events

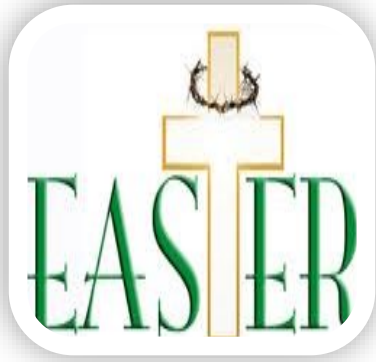

1. With these facility upgrades, we are excited to revitalize our rental program, offering an excellent location and space for our members to host events such as birthday celebrations, graduation parties, and more. We will announce a special rental package for our members before the summer. These enhancements include remote building access, automated alarm controls, a clean and welcoming environment, and comprehensive post-event cleaning services. Additional attractions like our playground, basketball court, new bathrooms, and picturesque outdoor areas are designed to make our facility an appealing choice for your events.
2. The Parish Council is also delighted to invite you to the Annual Easter Breakfast, scheduled for **Saturday May 5th at 1:00am**, following the Easter service. Please join us in the celebration.
3. Please stay tuned for our first Parish Council Enhanced Family Night, scheduled to be hosted in **June**.

Please mark your calendars for our **Annual Fundraiser on September 28, 2024**. Due to renovations at the Ramallah Club, we will be hosting this event in our church hall. The upgrades we are implementing will enhance your experience at this important gathering.

We hope this report provides a clear and comprehensive overview of the ongoing efforts of the Parish Council. Thank you for your continued support and engagement.

Sincerely,

Dr. Justin Bateh, Parish Council chairman
