Kingfishers Swim School Newsletter
Summer 2021
Issue 4

WELCOME!

Welcome to our newsletter and welcome to all our new swimmers. We hope you have enjoyed your term with the Kingfishers Swim Schools and that you have a wonderful summer holiday.

We look forward to seeing you all in September and we are all hopeful that the situation stays stable so that we can join your children back in the water in the new term.

We made it!

After a rocky couple of years we finally got to the end of a full term.

Thank you again to all of our wonderful parents that have supported us through the pandemic and to those that have joined their children in the water to allow them to continue to swim. We can't wait to be able to help them ourselves once again come September all being well.

As we were unable to have a fun swim, we decided to run our Water Safety week on the last week of term. The children were all fantastic!

Hopefully, you have learned something valuable to take with you over the holidays. Have fun but STAY SAFE near water this summer.

Summer Holiday Crash Course running 9th – 13th AUGUST

Est 1994
KINGFISHERS
SWIM SCHOOL

2 years plus
Beginners and beyond

Ask the teachers

About the teachers

Each issue we will ask two of the teachers a few questions about them so you can get to know us better. This issue we have asked Stacie and Louise to share.

Stacie

Louise

How long have you been a swimming instructor?

About 18 years now.

How long have you been a swimming instructor?

I qualified as a swimming teacher 3 years ago.

What did you do before the Kingfishers Swim School?

Before Kingfishers, I worked as a swimming teacher and behavioural managements support in a local primary school.

What did you do before the Kingfishers Swim School?

Before Kingfishers Swim School I worked at Funky Fish Swim School and SH Swim School. I also did and still coach at SOSSC and do Triathlon training.

What is your favourite stroke to teach?

My favourite stroke to teach is front crawl but my favourite stroke to swim is breast stroke.

What is your favourite stroke to teach?

My favourite stroke is front crawl.

What do you do in your spare time?

In my spare time I like to spend time with my friends and family.

What do you do in your spare time?

In my spare time I love to swim, cycle, run and play tennis.

About the Swim School

The Kingfishers Swim School was started in 1994 by Denise after the council lessons ended. A few families were keen to continue their lessons with Denise. Almost 28 years later, Denise has taught thousands of children to swim, including her own three children (and now her grandchildren).

The Swim School has gone from strength to strength ever since, supported by the Rochford Community. Many of those early swimmers now returning with their own children. Some were even taught by Denise's mum, Eileen Bristow.

Teaching swimming in and around Rochford is now firmly in its third generation with Sophie (Denise's daughter) running Thursday-Saturday Swim School.

Thank you for your continued support.
