

## **The Black Fog**

By C.E. Warner 9-21-21

**All living creatures succumb to the fog.**

**Legends aside, it is undefeated.**

**It's powerful scythe is our epilogue.**

**All it creeps over are then deleted.**

**Many names history bestowed over years.**

**Fearful creatures became fog's effigy.**

**Designed to disguise the face of our fears,  
and somehow lessen the severity.**

**Thanatos was Greek collector of souls,  
his dispassionate performance chilling.**

**Fourth Horseman famous Revelation roles,  
written as to prophecies fulfilling.**

**Black Fog envelopes every soul in turn.**

**What might lie beyond is other's concern.**
