Truth has no convenient alternative.

Conviction needed for courageous stand.

Societal gain life affirmative.

Safety as opportunities expand.

Complex problem, serious solution.

Compromise hallmark of democracy.

Fundamental plank of constitution.

Pretense poisons well with hypocrisy.

Obfuscate, pontificate and confuse.

Obscure any serious problem with stalking horse.

Always, any honest discussion accuse.

Any facts from reality must divorce.

When only motivation is for status quo,

With empty words, “thoughts and prayers” you show.
