The questions below are important in choosing the right dog for you and your family. Please answer carefully and truthfully.

Have you previously owned a Westie? Other Terrier Breed?
Where did you get it from?
What happened to your previous pets?
Do you currently have a dog?
(breed/sex/age/spayed/neutered)

Are you willing to take your puppy-to-Puppy Socialization and/or obedience classes?

Do you have a veterinarian, or would you like me to recommend one?

Are you aware of the financial costs of a dog and can you afford to care for it for up to 10-15 years?

Would you be willing to return this Westie to me, if you are unable to care for it?_

Are you aware that your puppy will be registered with **Canadian Kennel Club** on a **NON Breeding Agreement**?

Does anyone in the family have allergies to animals?

Do you have a fenced yard? If not, what plans have you made for exercising?

Do you have a pool or any other body of water (pond, hot tub) at your residence?

How many hours a day will your puppy be left at home alone?

Where will the puppy be kept when alone?

Are you familiar with crate training?

Please feel free to add any additional information you feel would be pertinent to your subsequent puppy purchase. Also include type of activities your family may do with your dog so that I can identify puppy that may fit best with your home.
