

TARZANEGROUP

MICRO, MINIATURE AND SMALL ORCHIDS

AERANGIS LUTEO-ALBA

Origin: Africa

Temperatures: Warm to intermediate growing small size orchid species

Light: Bright shade

Watering & fertilizing: Regular watering and fertilizing year-round letting dry out between waterings

General care: This very popular small size orchid is definitely worth adding to collection – African species with stunning white fragrant blooms that occur in fall and winter. Grows best under warm to intermediate conditions, in bright shade, with good air movement letting slightly dry out between waterings. Can be grown potted or mounted. Great plant for terrariums, vivariums, vases, indoor growing on windowsills or greenhouses and outdoors in proper zones.
