

TARZANEGROUP

MICRO, MINIATURE AND SMALL ORCHIDS

DENDROBIUM SCHUITEMANII

Origin: Papua New Guinea

Temperatures: Intermediate to warm growing small size orchid species

Light: Bright shade

Watering & Fertilizing: Regular watering and fertilizing year-round

General care: Cool and still unusual in cultivation, this used to be under Cadetia section. Small size Dendrobium covered with cute white blooms many times a year. Grows best under intermediate to warm conditions, in bright shade, good air movement and good humidity. Can be grown potted or mounted. Great plant for terrariums, vivariums, glass orbs, vases, indoor growing on windowsills or greenhouses and outdoors in proper zones.
