

TARZANEGROUP

MICRO, MINIATURE AND SMALL ORCHIDS

DENDROBIUM SULPHUREUM

Origin: Papua New Guinea

Temperatures: Cool to intermediate growing small size orchid species

Light: Bright light

Watering & Fertilizing: Regular watering and fertilizing year-round, good quality water and high humidity.

General care: Another PNG Dendrobium with beautiful blooms. Grows best under cold to intermediate conditions, in bright light, good air movement and high humidity. Only good quality water. Can be grown potted or mounted. Great plant for terrariums, vivariums, glass orbs, vases, indoor growing on windowsills or greenhouses and outdoors in proper zones.
