

TARZANEGROUP

MICRO, MINIATURE AND SMALL ORCHIDS

DRYADELLA ALBICANS

Origin: Central & South America

Temperatures: Warm to cool growing small size orchid species

Light: Bright shade

Watering & fertilizing: Regular watering and fertilizing year-round.

General care: Not commonly seen in cultivation, this Dryadella produces beautiful whitish/yellow blooms with spots in great size too. Grows best under cold to warm conditions, in bright shade and high humidity keeping lightly moist. Can be grown potted or mounted. Great plant for terrariums, vivariums, glass orbs, vases, indoor growing on windowsills or greenhouses and outdoors in proper zones.
