

TARZANEGROUP

MICRO, MINIATURE AND SMALL ORCHIDS

LEPANTHES ACARINA

Origin: Central & South America

Temperatures: Intermediate to cold growing mini miniature size orchid species

Light: Bright shade

Watering & fertilizing: Regular watering and fertilizing year-round, high humidity and good quality water.

General care: Very tiny Lepanthes species, not commonly offered. Great addition to any miniature orchid collection. Grows well either potted or mounted, bright shade, high humidity and cold to intermediate temperatures. Great for outdoor / indoor growing, windowsills or greenhouses, excellent for terrariums, vivariums, glass orbs or frog encounters.
