

TARZANEGROUP

MICRO, MINIATURE AND SMALL ORCHIDS

LEPANTHES THYSANOTA

Origin: Ecuador

Temperatures: Intermediate to cold growing miniature size orchid species

Light: Bright shade

Watering & fertilizing: Regular watering and fertilizing year-round, high humidity and good quality water.

General care: Still very rare in cultivation, this miniature Lepanthes produces nicely shaped blooms. Grows best under cold to intermediate conditions, in bright shade and high humidity. Only good quality water. Can be grown potted or mounted. Great plant for terrariums, vivariums, glass orbs, vases, indoor growing on windowsills or greenhouses and outdoors.
