

TARZANEGROUP

MICRO, MINIATURE AND SMALL ORCHIDS

OBERONIA FALCONERI

Origin: Asia

Temperatures: Warm to cold growing small size orchid species

Light: Bright shade

Watering & Fertilizing: Regular watering and fertilizing year-round, high humidity.

General care: As all Oberonia orchids, this is super attractive foliage plant with fan shaped leaves and long spikes carrying dozens or hundreds of tiny yellow blooms. Grows best under cool to warm conditions, in bright shade or filtered light, good humidity and good air movement drying out between waterings. Can be grown potted or mounted, prefers mounted with little moss. Great plant for terrariums, vivariums, greenhouses and outdoors in proper zones.
