

TARZANEGROUP

MICRO, MINIATURE AND SMALL ORCHIDS

TRISETELLA HIRTZII

Origin: Ecuador

Temperatures: Cold to warm growing miniature size orchid species

Light: Bright shade

Watering & fertilizing: Regular watering and fertilizing year-round, good quality water, high humidity.

General care: Miniature size plants with beautiful large blooms. Grows best under cold to warm conditions, potted or mounted, in bright shade, good air movement, slightly moist, never letting bone dry, with high constant humidity. Great for terrariums, vivariums, frog encounters, glass orbs, windowsills or greenhouses and outside growing in proper zones year-round.
