HOW TO ORDER

To place your order we will need the correct pose number. This pose number will be shown to you on our laptop. The assistant will be able to help you order and answer any questions you may have. Next, you will write this pose number in the box beside the item you would like to order. **PLEASE NOTE** - in order to keep prices lower, you will not be picking the group picture. Instead of writing a pose number, please write down the name of the group they are in (ex. "Colors of the Wind").

*All orders **must** be paid in full before your order will be processed (If you forgot your money, still place your order, and phone in a credit card number in to Michael's the next day to be processed.) We accept e-transfers, cash, cheques, MC and VISA. Please make all cheques payable to **Michael's Studio**. Any NSF cheques will have a \$20.00 service charge.

*Remember your order will need to be placed **TODAY**. Any orders received after today will have a \$10.00 processing fee.

Any requested enhancements such as blemish removal or other improvements will have a \$10.00 charge.
