Please Note: Due to the number of customers who now phone, fax, or email their orders in, the odds of those customers who choose to send in their orders by mail and getting many of the items shown in this listing is highly unlikely. We will of course attempt to fill your order, but you should list plenty of alternates, just in case. **Those who order from current listings take priority over those orders from older lists.**
NOTE: All credit card charges will incur a 3% convenience fee, which will appear on your monthly statement.
