Missionaries to Zambia

APRIL 2023 UPDATE

2022-23 Furlough Finale!

We drove over 13,000 miles without Any Incident! We also visited 83% of our supporting churches, had a wonderful time with our home church, many of our friends and family, and gained ministry support from three new churches. Praise the LORD!

We fly to Zambia April 28, and go filled, encouraged, and just a little tired... in all the best ways! We have two teams coming; one in May and a second in June, so we can rest in July!

We continue to get regular updates from the leaders in Chipata, and they had a wonderful combined fellowship over the resurrection weekend. Over 250 people gathered for services, baptisms, several meals and a showing of the Gospel of Luke film. We are grateful to see their faithfulness, and they remain steadfast in their pursuit of the LORD!

March 4 marked our 10th year in Zambia. So much has been done for the Glory of the Lord, and He continues to give us vision for the future! We ask for prayer about building a Bush Training Center, which would facilitate more in depth Bible teaching and training. This would also give us a place to stay for longer periods close to the 13 churches and teaching points. We also ask for prayer regarding a permanent home (not a rental) in the town of Chipata.

Thank you for Praying!

We loved celebrating our savior's Resurrection with our home church, our children, grands and extended family. We never take for granted the gift of family!
