

Sleepovers

The INJOY Centre is a bright and welcoming activity centre located in the heart of Southampton; Ocean Village. It hosts a wide variety of activities and function rooms including a children's kitchen and an arts and crafts room.

We run a wide and varied programme of activities and events ranging from climbing and trampolining to slime and pizza making workshops. (slime pizza....yuk!)

When choosing the INJOY Centre for your next sleep over, you can rest assured that your stay will run efficiently, liaising with a Manager from when you first book your visit right through to overseeing your stay on the night.

Start the evening with an activity, have some food and then finish off the evening with a movie. You can choose Trampolining, Climbing or a bit of both for your first session to start at 7pm, so arrive at 6:30pm to drop your bags off and set up camp.

A quick bite to eat after activity before getting ready for bed. Bring duvets downstairs, grab some hot chocolate and settle down for a movie of your choice.

Morning Soft Play will start at 7am (or whatever time people wake up) before breakfast at 8am and then the parents pick up at 8:30am.

You can bring:

- **Minimum of 20 children @ £25 per child**
- **Up to 30 children will be £25 per child.**
- **More than 30 children will be £20 per child.**
- **Over 50 children will bring it down to 17.50 per child**
- **Over 75 will be £15 per child!**

Sound good?
