Live the unsalted life on Lake Cumberland

It's 6:30 p.m. You live for this time of day in the summer. It's the sweet spot between time to slow down and time to pack it in. You've tubed, jetskiied, wakeboarded, surfed. You're tired, maybe even a little sunburned, but you're going to stretch this day out as long as you can because you don't want it to end.

That's every day on Lake Cumberland in Somerset-Pulaski County. If you're a water enthusiast, you will love the sweet spots here — the unsalted life — as you watch the sun sparkle over the water and think, *Man, I really lived today!*

It's your weekend to show and shine

Actually, you get seven show and shine weekends in Somerset, and they take place in the heart of our beautiful downtown. We close the streets and fill them with every kind of classic car imaginable — Corvettes, Challengers, Mustangs, Chevelles, whatever revs your engine. After you've seen your reflection in all the chrome, head over to Amon's Sugar Shack (featured in Southern Living!) for a glazed donut right out of the oven, pitch a chair and watch your favorite cars take over the U.S. 27 strip. Wrap up the night with a locally brewed craft beer or fine southern Kentucky wine. Stay until Sunday to take in Civil War history at Mill Springs Battlefield Visitor Center & Museum or a round of golf at one of our five 18-hole golf courses.

We'll put a smile on your face and a song in your heart

We have a little secret. It's called Festival Field. Nestled behind our community college and embraced by Mother Nature, some of the world's best musical talent performs at the Master Musicians Festival. We've danced to The Counting Crows and gone to Paradise with John Prine. But we don't stop there — from Pickin' in the Park to the Lake Cumberland Blues, BBQ and Art Festival, we celebrate music, food and the arts year-round. So grab your kayak, your hammock, and come hungry for an authentic Kentucky experience.
