## CELEBRATION OF NATIONAL GIRL CHILD DAY IN SCHOOLS

TRENT, MOTI MAJETHI VIRAMGAM

DATE: 24 JANUARY 2017

# IMPLEMENTED AND REPORTED BYCEDRA

## The Event:

## CELEBRATION OF NATIONAL GIRL CHILD DAY IN SCHOOLS

### Specific objective:

To Promote Girl Child and spread the message of Bati Bacho-Bati Padhao

The education in Primary education sector is vital and provides a solid foundation towards making the future citizens more sensitive, moderate and true messenger of Love, Peace, Equality and Gender. System of Man centered society has developed many wrong myths and belief among the people about girls and promoted gender biasness which has neglected the role and response of girl in

building the society and communities.

Initially Gujarat government and now the central government have come out with various schemes and campaigns towards acknowledging the role and importance of girl child in our societies.

SAVE GIRL CHILD, BATI BACHAVO and BATI PADHAO are some of the slogans made popular in increasing the numbers of Girl Child in our society. The ratio of Girl: Boy is bit imbalanced. Against 1000 boys there are less than 950 girls as a

national ratio. States like Punjab, Haryana, Rajasthan and Gujarat have lesser than this.

To promote the strong message of SAVE GIRL CHILD we decided to celebrate the NATIONAL GIRL CHILD DAY in various schools so that the message goes to the children who are future generation, Teachers, Parents and leaders of the villages. We organized DRAWING COMPETITION among 300 students of three schools in TRENT, MOTI MAJETHI and VIRAMGAM.

Students, Teachers, parents and Village leaders appreciated the event and efforts made by CAIRN India in promoting GIRL CHILD and supporting Government Initiatives for the balanced and gender sensitive society.
