CEDRA in partnership with CAIRN INDIA carried out a Tailoring Training for the benefit of rural women in Vijarkhi village of Jamnagar under MICRO Level Intervention Project with CAIRN India CSR.

MLI Title:

Vocational Tailoring Training with Marketing Linkage Interaction and Motivation workshops

Specific objective:

To provide with an alternate employment opportunity for the rural girls

Village: VIJARKHI-Jamnagar

Period: 4th February to 30th April 2017

**Implementation Strategy:**

Total of 37 girls with age group from 18 to 35 were identified for training out of which 34 were selected for the training on the basis of their willingness to attend the training in 3 batches for the effective and quality training. Training was divided in three batches, each of 12 trainees. Training was done daily between 9 to 5.30 with theory and practical coaching by well trained and proven trainer from nearby village. This training was extended for another one month on request from the beneficiaries, community and Sarpanch for advance and refreshing training

with due consultation and assessment with Mr. Avinash from CARIN India. The training venue was provided by village Panchayat as a contribution to this initiative.

Process:

After discussions and interaction with girls, their parents and local panchayat members and authorities in village it was decided to initiate tailoring training in village Suvarda of Jamnagar district considering the high demand from girls. A Full time trainer was hired with arrangement of six stitching machines. Trainee registration was done voluntarily by village leaders and list of 36 girls was prepared and submitted to CEDRA coordinator. After detailed consultation with CAIRN India representative a meeting of registered girls was called. During the meeting it was decided that since the participation was more there will be three batches of 12 each during the day between 9 to 5.30. In total 34 participants joined and completed three months training of Tailoring.

The inaugural and closing ceremonies were done in the presence of village Sarpanch & local leaders along with CAIRN India official Mr. Avinash Raval, Ms. Jayaben Chauhan Sarpanch Vljarkhi Gram Panchayat, Mr. Dillipsinh Pingal, Dy. Sarpanch Vljarkhi Gram Panchayat, Mr. N.B. Zaveri Talati Cum Muntri Vljarkhi Gram Panchayat and Ms. Kusumba Pingal Anganwadi Worker

Vljarkhi and CEDRA officials as per the schedule. Villagers appreciated Cairn India efforts & also taken responsibility to make this training effective & successful with their possible cooperation.

Training and its quality were appreciated by all the trainees and their parents as a result; the training was extended till 30th April 2017 to incorporate the enthusiasm and eagerness of extra learning and more practice. Considering this the training was extended for one more month so that the trainees have some advance training along with the revision on ongoing learning. At the end of the training all the participants were awarded with the certificate towards the acknowledgement of completion of the training.

Outcome:

- This training is appreciated and it has strengthened the capacity and employability of rural girls, especially from minority community, as they are capable of stitching variety of dresses, makes them more employable and skilled.
- Provides scope for replication. It's a model for replication.

Quality Control:

- CAIRN India officials and CEDRA official have closely monitored the activities by frequently visiting the training site for better quality and motivation.

Motivational Support:

During the opening session Mr. Manubhai and Mr. Bhagwatsingh, CAIRN India-Jamnagar remained present and motivated the trainees along with Mr. Avinash, CSR Manager. On Closure of the training program CAIRN India Official Mr. Avinash remained present and distributed certificate to the participants who successfully completed the training. He also appreciated the stitching work of participants and delivered motivational speech.

Forward Linkages:
