**RADHANPUR BANASKANTHA AND VIRAMGAM**

**Objective:**

**To support the flood affected people in fighting the Mosquitoes responsible for various dangerous diseases**

## The event:

Banaskantha district of Gujarat and its border areas in Rajasthan have faced a dangerous flood once again immediately after two years. Millions of people have been displaced and thousands have lost their lives and livestock. People have suffered a lot during this year's heavy monsoon and flood. Government and Civil society organizations have supported the affected people under various services. Accordingly CAIRN also supported the needy people in 2015 and in 2017. Out of which one of this intervention was done with partner agency CEDRA, through which Odomus and Fast Cards were distributed to the flood affected people to protect them from Mosquitoes and by that to protect them from possible disease spread through mosquitoes. The Odomus was distributed in Radhanpur as well as border area near Badmer.

People from the local administration and CARIN AGI 13 A and B did excellent work during flood situation in area of Radhanpur terminal & Bhadrawadi village near AGI 13 A. Some of the names to be mentioned were rewarded for their community services on 15<sup>th</sup> August 2017.
