Dear MAAC Member,

We hope you had a fun and profitable September show. It was nice to see everyone again. Attendance was up about 25% over last year's show and table sales remained about the same. We also had many positive comments from the cross over from the Doug Carl show. Many were amazed at the amount of gun inventory for sale and the quality of items available.

MAAC would like to thank everyone who turned in a ballot for the recent election. We are pleased to announce that your board and officers were all re-elected and that we have a new Vice President – Mr. Dave Parks and John Fundukian has joined our board of directors.

We would also like to acknowledge the following individuals for their excellent displays at our show: Mr. Paul Breakey – “Weird, Odd and Ugly Shotguns”, Roberta and Jim Cassell – “Tools of the Trade” and Mr. John Willyard set up an interesting display advertising his new book “U.S. Model 1855 Series Small Arms.” Thank you for all of your hard work and effort involved in providing the very best displays for our members and the public. If you would like to exhibit at a future show please contact Gary Christmann or Greg Zemsta at the phone numbers listed. We are always looking for new and fresh displays to present to the public.
