

How Training Works

1. Get the behavior

Example:
As dog looks into your eyes

2. Mark the behavior

Click
or
say YES!

3. Reinforce the behavior

A small, tasty, high value treat

4. Add a cue when behavior is predictable

Verbal
or
hand signal

Get the behavior

Mark the behavior

Reinforce the behavior

Add a cue when behavior is predictable

1.

2.

3.

4.
