A hand-painted sign on a wooden barrel. The sign features a central illustration of various citrus fruits, including lemons, limes, and grapefruit slices, set against a yellow background. Below the illustration, the words "punto fina" are written in a bold, black, sans-serif font. A person's hand is visible on the right side, using a red paintbrush to touch up the lettering. The barrel is outdoors, with a grassy area and other people in the background.
