Riesling

The Desire wine collection was the first brand extension from the famous winemaking Schlink family. The Schlink family, producers of the original blue bottle Riesling from the Nahe, expanded its winemaking expertise to the Mosel region of Piesporter in the early 1980's. It was there that they began creating wines with a new modern styled approach.

Vegan, Sustainable & Family Owned Winery

The Schlink Family has produced the blue bottle riesling for over 200 years coming from the Nahe in Germany. Wein-Bauer was the first to bring the blue bottle in the market over 30 years ago. The Schlink Family is now on its fifth generation of winemaking, with innovation and quality still at the forefront. Since 1886 the Schlink Family has been based in the heart of German wine country, the Nahe.
