St. Christopher Glühwein captures the holiday spirit in a bottle. Glühwein is a traditional German/European cold-weather beverage found at Holiday and Christmas markets around the world. The best way to enjoy is to serve warm (don't boil), in a mug, and with friends.

"Hot spiced wine, with hints of spices like anise, cloves, and cinnamon. Serve warm in a mug with friends to warm up any cold winter night!" St Christopher Glühwein is available in Traditional Red, White (Apple & Cinnamon), Blueberry, Cherry, and Kinderpunsch (non-alcoholic).
