HERDADE ALDEIA DE CIMA

PORTUGAL

**WHITE | BRANCO
RESERVE**

**RED | TINTO
RESERVE**

As a family, Luisa Amorim and Francisco Rêgo are creating wines that preserve the history of the place. Brought to market two years after the grape harvest, production is small and the aim is to reach around 100,000 bottles. Herdade Aldeia de Cima's classic and elegant wines preserve the distinctiveness of the estate and are hugely complex, stemming from heterogeneous soils and indigenous and Portuguese grape varieties.
