## President's Report

## Inside this issue:

The Badger Classic is in the books and was a success again this year. I would like to extend my thank-you to the Classic committee's commitment to success and hard work. It was well attended and offered adult amateur, option, warm-up, and walk-trot classes for all ages, along with ACTS classes. Payback was offered in designated amateur classes and I can't forget to mention the "great" exhibitor party held Saturday afternoon. Weather is always a concern when you have a show held outside. Friday and Saturday were beautiful with the worst of it holding off until Sunday. Even our furry friends had so much fun they were exhausted by the end of the show :-)

The WDHA Sporthorse and Dressage show was recently held at the Washington County Fairgrounds and numbers were up from last year. Thank-you to the show committee's state of being committed and pledged to the event's triumph. Per the

show committee manager Kristin Urban *"The Washington County Fair Park & Conference Center proved more than adequate for our new venue. And the usual turnout of beautiful horses and solid performances garnered praise. ... the WDHA Dressage & Sport Horse Show on its 15th anniversary was one of the best."* I had the opportunity to deliver the dressage judge, Janet Foy, to her next job and we had sometime to chat with driving her to the Johnson Creek Mall. To say the least I was very impressed with her resume and have done some research. Janet is a native of Colorado Springs Riding and rode western and hunters from an

early age. She was actually named the "Girl of the West" for the Pikes Peak or Bust Rodeo in 1973! Her interest in dressage started when she lived in Oxford, England. She is a FEI "I" judge, USEF "S" dressage judge, and an USEF Sporthorse "R" breeding judge and has judged at all major shows in the United States. In 2017, Janet was appointed by the International Equestrian Federation as a FEI Judge taking effect July 1st of this year and will allow her to officiate major events such as the World Cup Finals, Championships at the Grand Prix level, World Equestrian Games, and the Olympics.

Arabians compete and show in virtually every capacity imaginable. Did you realize AHA recognizes almost 600 shows annually? The Arabian Horse Association produces four premier National Championship shows and one National Endurance ride. These shows truly showcases the "best of the best" of the Arabian horse breed. Every year, Nationals season kicks off with Youth Nationals and ends with U.S. Nationals, with numerous National Champions crowned in between. AHA's National Championships feature a variety of prize money and rewards programs. so be sure you are signed up for the futurities and sweetstakes prize money for

This show features the last remaining Wisconsin Futurity/Maturity program for Arabian and Half-Arabian horse owners. New for 2017 ONLY is the \$100 added \$\$\$\$ to each Futurity class with 100% payback regardless of class size. There is also \$1,200 added money for 2017 from the Futurity/Maturity Drawings that was held at the 2016 Gathering Banquet. ***Important dates for 2017 are the following dates!!!!*** Futurity nomination deadline w/penalty and Maturity nomination is August 1, 2017. ***NO Futurity/Maturity entries accepted at the show!!!*** Our show manager "Kathy Schlagel is in need of volunteers!!! Please reach out to Kathy at 920-216-2605 or [kathyschlagel@ymail.com](mailto:kathyschlagel@ymail.com).

An article in Issue 2 of the Arabian Horse Life is not only important to AHA but our local clubs. ***"Wanted: Volunteers at Every Level Giving back is essential to our success and often personally rewarding".*** The definition of a volunteer is "A person who voluntarily offers him/herself for a service or undertaking". When a person offers help, I sincerely believe that you get more back than you give. In addition to spending time with our beloved horses, you get to meet and enjoy other people with the same love for the Arabian Horse. I challenge you all .... to give a day or even a few hours to help them with events. The memories you will take away from your time as a volunteer will stay with you for a lifetime." With that being said our secretary has resigned and we are looking for someone to step-up to fill that position. Please send you resume to me at [carouse0@frontiernet.net](mailto:carouse0@frontiernet.net). Per our bylaws "Nominees must have been members in good standing for at least the twelve months prior to the Annual Meeting, and have been an active participant in at least one WDHA program or activity (High Point, Futurity, Promotion, etc.) within the current calendar year. Nominees for Board of Directors and Officers must be voting members and must have had working participation in club functions during the year they are nominated." **But please know that ALL submitted resumes will be considered!!!**

Hoping to see at the upcoming coming meeting July 22nd at the Machine Shed in Appleton with the general meeting starting at noon.

Looking forward to see you soon,  
Sincerely, Shelly Lehman  
WDHA President

## From the WDHA Sport Horse Manager, Kristin Urban ...

A big **THANK YOU** to all the volunteers and hires that make the WDHA Dressage & Sport Horse Show a success. Many of them exhibitors never see...such as Polly Ney and her long-suffering friends who deliver and take down and haul back home the dressage ring.

Thank also to Rachel Rhein for picking up one of our judges; and to Shelly Lehman for delivering said judge to her next job.

Thanks to Colleen Krentz for soliciting sponsorships and encouraging a larger than usual response by the donation of a beautiful saddle pad from Smart-Pak.

Thanks to volunteers Kathy Filen and Dani Shaw and to Barn Manager Candy Ziebell for assembling and make "true" the dressage ring in the hot sun and sticky air on Wednesday.

Thanks to our scribes, ring stewards, and ring and gate managers for long hours in the sun making sure everyone gets into the ring on time and whose performance is fairly documented : Melissa Gray, Arlo Ketchpaw, Jackie Luebke-Puetz, Rachel Rhein, John and Mary Adleman, Amanda Price.

Thanks to younger legs than mine for help putting up the in-hand triangle: Amanda and Abigail and Brody and Kathy.

Thanks to our EMT, Carol DeGroot, for taking care of all those "would you please?" tasks I don't have time to complete.

Thanks to our Technical Delegate, Joyce Hamblin, for making sure the show was in compliance with all the USEF and USDF rules...without making us seem like idiots because we didn't know.

Thanks to our incredible Show Secretary for his meticulous attention to all the details necessary to enter, score, and record all those performances.

And, at the close, thanks to Vikki Dalton for helping me put back into my dinky Saturn the "10 lbs. of shit in the 5 lb. sack" (as my husband so graphically describes all the stuff I take to horse shows).

Thanks to all those others whose names I may have overlooked for your help and support. It takes a HUGE village to put on a horse show....and the WDHA Dressage & Sport Horse Show on its 15th annual occasion was one of the best.

## WDHA Dressage & Sport Horse Show

On these last few hectic days before the 15th annual WDHA Dressage & Sport Horse Show, held this year on June 22 & 23, at Washington County Fair Park & Conference Center, West Bend, it looks as if everything is finally coming together.

All approving organizations (AHA, USEF, USDF) have verified and approved class lists; lodging for all officials and volunteers has been secured (a little nightmare on its own, since there apparently is something else of import going on during our weekend); ordered ribbons and trophies have made a timely appearance; the Dressage Equitation medal has been ordered and the show manager has been assured it will be here in time; the facility has received confirmation of insurance; the facility is letting us deposit the dressage arena on Tuesday so we can set it up in a timely fashion Wednesday afternoon (instead of in the dark of night); stickhorse and leadline prize bags are purchased and goodie items supplemented; early show entry checks have been deposited (so the show is solvent!) and per diem envelopes have been addressed; on call services (vet and farrier) have been secured and verified.

Your show manager is in the process of sending out final communications with all volunteers about lodging, start times, responsibilities, etc., etc. I'm rounding up all the extraneous stuff that has to go with me (gazebo, folding chairs, cones for in-hand classes, measuring tapes, stop watches, clocks for performance rings, volunteer and staff buttons, rubber gloves for ring stewards, sunscreen, clipboards with sheet protected rules and regs about allowable bits, whip use and spurs, coolers for beverage, bottled water, as well as boxes of ribbons and trophies and a file box of information including contracts, contact numbers, invoices, show checkbook, envelopes, electric and duct tape, scissors, small tool kit). To do yet: Accident procedure document. Concessionaire confirmation. Determine what we're using for a judge's stand in the dressage ring (this involves a trip to the facility on Monday and a talk with the grounds person as well as a discussion about show office and award kiosks, results posting board, and ring drags). Trade a personal credit card number for the show credit card number at the lodging facility. Check out restaurant options for show officials. Figure out where the dressage judge needs to be picked up after our show for the two day clinic she's giving over the weekend near Madison.

Early numbers indicate two full days of dressage rides and horse numbers to equal if not pass last year's numbers. I think exhibitors will be very pleased with the stalling in the pleasure horse barn at Washington County Fair Park...and I know they will appreciate the existence of a restroom in the same building. Campers should also be happy with restrooms and showers near the camping area.

Right now the facility is being used for overflow parking at the U.S. Open Golf Tournament at Erin Hills...but since they haven't had to use any of the extra scheduled days for rain, all vehicles parked in the trailer parking area should be gone by Monday.

Oh, it will be an adventure!

You will probably read this after the show has been held. We'll have an evaluation form available for your response to the new (for us!) facility.

Your once, past, and not future Show Manager,

Kristin Urban

## **FUTURITY AND MATURITY DEADLINE - AUGUST 1!!**

In a change from previous years, both the WDHA Futurity **AND** the WDHA Maturity nominations must be **postmarked by August 1.**

Futurity entries had a grace period: nominate by April 1, 2017, without penalty to be entered in the money added classes held in 2017. Nominate Futurity entries by August 1, 2017, with penalty (\$25) to be eligible for this year's futurity classes.

This year, **ALL MATURITY ENTRIES also must be nominated by August 1** to be eligible for Maturity money. Maturity entries must be nominated for each class in which they intend to compete. Maturity nominations are \$50 per class...but this year's paybacks might be quite substantial, as over \$1000 was dedicated added money as a result of the WDHA Silent Auction and Raffle Donations, held at the Annual Awards Banquet this past February.

Nomination forms are available on the club website: [www.wdhaarabian.com](http://www.wdhaarabian.com) or from Futurity Secretary, Kristin Urban, 18104 Pleasant Road, Maribel, WI 54227. PH 920-863-8253; email: [urbankristin@msn.com](mailto:urbankristin@msn.com). If you are calling from a cell phone, leave a message, as we don't pick up unidentified phone calls.

Again, please remember, no nominations for either futurity or maturity classes held in 2017 will be accepted at the WDHA Open Show and Futurity Festival. Nominations for this year's classes must be postmarked by August 1. Class entries may be made at the show...**BUT NOT NOMINATIONS...**and **horses must be nominated to be eligible** to enter either futurity or maturity classes.

Any questions, please contact Futurity Secretary, Kristin Urban.
