

## Presidents Report

Happy May Day!

As I write this, it is snowing and it is sticking to the ground. Gotta love our Wisconsin weather.

Thank you to our members that participated at Midwest Horse Fair this year. It was a huge success. For more information, see the article in the newsletter.

Our first show, the Badger, is coming up in very quickly. The committee has been working hard to provide us with a show that has incorporated changes that you have requested. Please come out and support our show (as well as the Festival show) in whatever way you can, whether it is showing, volunteering, sponsorships or all the mentioned. We need you to in order to have the show be successful.

Good luck and stay safe with this year's show season, hitting the trails or whatever you do to horse around.

Looking forward to seeing everyone out at all the events.

## Midwest Horse Fair 2023

Members of AHA Region 10 shared their passion for the Arabian horse with Midwest Horse Fair (MHF) attendees in Madison, Wisconsin, during the three-day event held April 14-16, 2023.

Preparations for MHF begin well before the actual event. Horses selected to participate in the Arabian breed demonstration must be in show condition and able to handle a large crowd where the unexpected can occur. Demonstration script and music are expected to incorporate the MHF theme and need to be submitted to WHC by March 15. Public areas, décor, breed promotional materials, and the hippology quiz are planned months in advance.

Thursday is arrival day for horses and participants, and Wisconsin Horse Council (WHC) personnel and volunteers keep things moving. Imagine having only 30 minutes to unload your horse, tack, and all essentials for a 3-day event – could you do it? The tenured members of our group do this with smooth efficiency and a smile, prepared to move their empty trailer before the WHC attendant yells, “Time is up!” and signals the next trailer to pull in and unload. 700 horses – that’s right, 700 horses! – move in on Thursday.

As the horses settle into their stalls, it’s time to arrange the “Meet & Greet” and public areas, hang curtains for the stable area, create a Bedouin tent, set-up the tack room and Hippology quiz, etc. At 3:30 pm, it’s off to the Coliseum for a 15-minute breed demonstration practice, which gives the horses a minimal amount of time to acclimate themselves to the venue. A quick pizza party at 5:00 pm is followed by a 6:45 pm breed demonstration practice in Pavilion 2. Settle in the horses for the night, and then try to get as much rest as you can before the unending energy of the next three days.

MHF gates open to the public at 8:00 am on Friday, and traffic on the Beltline is backed up for miles. Before MHF ends on Sunday, 61,000 attendees will have the opportunity to experience the essence of the Arabian Horse through breed demos, our “Meet & Greet”, and stable area. All horses, public areas, and stable decorations are required to remain in place until 5:00 pm on Sunday. Then it’s “crazy busy” as everyone is packing up and moving out – 700 horses are heading home!

We hope to see you at the 2024 Midwest Horse Fair, held April 19-21 at the Alliant Energy Center in Madison Wisconsin, featuring the theme “Horse Play”.

Dear AHA Members,

Happy National Volunteer Week!

As many of you know, the AHA wouldn't be able to operate as it does without its vast base of volunteers. From Regional Directors, Committee/Commission Members, Club Presidents, Show Staff, and more, we greatly appreciate all the hard work, dedication, and time our volunteers provide to the Arabian breed.

Whether you have dedicated one week or twenty years of service to the association, we are thankful for your time and passion. We are stronger together, and the efforts of our volunteers make a difference in the sharing of our Arabian horse.

On behalf of the Arabian Horse Association, thank you to all of our one-of-a-kind volunteers:

All my best,

Deborah Johnson
