

Ohio Royal Rangers and Parents,

This year I am excited to announce that we are officially rolling out online registration for all our statewide Royal Ranger events starting with The Academy.

Now, by utilizing the same program that Ohio Kids and Youth use to register for Summer Camp, we will be able to streamline the registration process. Starting with Powwow we will use this same software and will continue to use it for each of the following events such as Fall Trace, The Crucible, Spring Rendezvous, and The Academy. This means that if you register for summer camp, all your information is already in there! You just need to log in and select the camp, answer a few questions, submit your payment and you are good to go!

To register you just need to visit www.ohioministry.net/login. If you have registered for kids or youth camp, use the same login, otherwise select “new user.” It is recommended that a parent create the account then add their children in the account creation process. This will also help when applying family discounts. Once your account is created you can follow these instructions to get registered:

1. Click on “Reservation” on the left side of the top tool bar.
2. Select “New Reservation” and “Individual Registration”
3. Select the name of the person you would like to register, if their name does not appear you can add names at this time. Once you start the process of registering the first boy, there will be an option to add additional names before completing the registration.
4. You will then see a list of available camps, select the camp to start the registration process. (Keep in mind the prices shown are for the cost of the camp only, check with your Outpost for any additional cost related to meal, activities, etc.)

I understand that this will take some time to get used to, but once that happens, I believe it will make registration for all Ranger events easier, more streamlined, provide more accurate attendance counts, and centralized health and safety information.

Thank you for being a part of this incredible ministry. If you have any questions along the way, please don't hesitate to reach out.

Sincerely,

Kyle Zeid

Ohio Royal Rangers Director
