Join us September 14th and be inspired by Bob Lujano of the Lakeshore Foundation

In January 1979, Bob Lujano lost his limbs below the elbow and above the knee due to a rare form of meningitis. To support his physical and mental recovery, he began to play rugby and became a highly successful wheelchair athlete for over 20 years. Bob was born in Wichita, KS and graduated from the University of Texas at Arlington in pre-law, and holds a Masters in Sports Management from the University of Tennessee. He is now an information specialist for the National Center on Health, Physical Activity and Disability at Lakeshore. A resident of Hoover, one of his mottos is "No arms, No legs, No problem?"

Looking ahead . . .

October 12th — Susan Glisson, a cancer survivor, & Louis Josof — Oncology Counselor at The Bruno Cancer Care Center at St. Vincent's Hospital

November 9th — Come see the latest fashions modeled by HSC members and coordinated by Darlene Real Higginbotham

Make plans to attend meetings and stay for lunch the 2nd Thursday each month.

A Message from President Paula Campbell

Welcome to Almost Fall!

Members of Hoover Service Club will begin our 42nd year of helping others and making a difference in our community. Let us remember that it takes many willing individuals working together to make our club successful!

Our officers and committee chairs are dedicated to providing our members with a great year of service. Elaine Thompson, our First Vice-President, has planned some interesting programs this year. Lynda Wasden and Martha Yeilding, our Ways and Means Co-Chairs, have already begun preparing for our February Gala!

We look forward to getting to know our 17 new members of HSC. Please think of others who would be an addition to our club and invite them to our monthly meetings. The more members we have involved in achieving our goals throughout the year, the better our service to the community will be!

I look forward to working with each of you this year. I am grateful for this opportunity to serve as your president.

Paula
