## **Chief's Corner**

by Chief Bob Davis

Greetings to All! First of all I would like to thank the community for their support in the First Annual Big Boy Toy Show. It was a great success. We made just over \$1000.00 dollars, which will go towards the Fire Station face lift. Next I would like to thank all who helped at the event. The volunteer firefighters, the support group, pilot's group, crafters and community members who made this event so successful. I would also like to extend gratitude to our local business for their donations.

The upcoming fire station face lift will involve repairing dry rot damage on the roof and siding, replacing windows with dual pane glass, kitchen remodel and painting the outside of the station and some landscape work as well. So THANKS AGAIN FOR ALL THE SUPPORT!

June is just around the corner reminding us that we must start gearing up for summer and wildland fire season. Cal-Fire officially declared the start of Fire Season on May 19, 2009. The question always comes up, how bad will this fire season be? The answer is simple, California burns every year, just more in some years than others. We have been extremely fortunate here over the past several years. We have not had any large fires and what ones did start we were able to get on real quick and put out. Let's hope we get through without anything major happening.

Remember, hot weather, dry grass and dense brush equals easy ignition and rapid fire growth, especially where the terrain is steep. Historical experience indicates that there are 15 to 20 ignitions in the area each year. Ignitions have arisen from cigarettes, machine use, camping, and other human activities. And because of this, they are most likely to occur close to population and structures.

Now is a good time to start getting your home ready for fire season by clearing the grass around your house and out buildings, the State requirement is 100 feet of clearance. Clean out rain gutters of leaves and pine needles off the roof. There is no need to cut the large trees on your property just the ground and ladder fuels like the grass, leaves, low hanging branches, pine needles and brush. If you need help to determine what should be cut and removed please call the fire station (626-9017) and either I, Floyd or someone from the support group who are performing the home evaluations will drop by and give you some advice.

Be Safe,

## **Mosquito Volunteer Fire Association**

by Leslie Baumgartner

HELLO SUMMER! Seems like we were just getting into the swing of spring with Easter and lots of beautiful flowers and now suddenly we see the grass turning gold and the heat going up.

Unfortunately, I was out of town for the "Big Boy Toy" event but I've heard it was great fun for all. Thank you to all who came out in support of the Fire Station "Face Lift".

Keep your eyes open for news of the July 18<sup>th</sup> Community Picnic (our next event). It will surely be a great time for all in our community.

Also, a huge Thank You to Donald and Cindy for being "Finnon Campground Hosts" (i.e. cleaning up the campground and dumping trash from the campsites). They had their hands full as the weekend saw our local Boy Scout troop and another troop from off the hill hold a camp out. Thank you Don and Cindy for your hard work in the community, it looks great! If you would like to get involved with the community please give me a call at 626-1204 or come down to the board meeting June 4<sup>th</sup>, 7pm at the Fire Station, everyone is welcome.

**SCPOA**

by Kim Purcell-Kirkpatrick

Our April meeting had to be held later than normal in the month due to the lack of a quorum so this will be a combination of information from both the April and May meetings.

We have been advertising over the past several months for a new maintenance assistant after Tammy resigned to move on, we thank her for all the hard work she did while she was with us. We would like to congratulate and welcome Kevin Birks as our new assistant, you may have already seen him working with Johnathan replacing fencing along the north side of Rock Creek Rd or mowing at Dyer lake. There was a great group of applicants who made our choice difficult and we thank all of them for their time.

The common areas are looking great and the water level at Dyer Lake has come up nicely. We will be monitoring the level and plan to add more as the summer comes. We will also be adding sand to our current beaches at Dyer and Catfish lakes, as well as expanding the "sandy area" at the Dyer Lake pavilion. We found a great price on sand through Stumph Trucking and since Dyer gets so crowded on those hot summer days the extra area will be welcome.

We still have 75 owners who have not paid their assessment this year as well as 19 in collection and 15 foreclosures, this adds up to over \$100,000 still outstanding. We have a number of owners making payments and would like to encourage anyone who is interested to contact our secretary Lynda at 621-0309 and she will assist you in setting this up. We would also like to encourage everyone to consider starting to prepay next years dues, we know they come at a bad time of the year so it can make it a bit easier if at least some is paid ahead. We have members currently on a prepayment schedule and it seems to be working out great for them.

At the April meeting we finalized the road work package which was sent to 18 different contractors. Thirteen (13) of them came up to do the walk through of the areas. It was great to see so many, our last road bid only attracted 3 bidders so we are hopping to see some great competitive bids come in. they will be reviewed at the road meeting just prior to our next

SCPOA meeting on June 8th at 5:00 PM. If you are interested in having some input please plan to attend. Once we chose a contractor we will announce it in the Byte so that anyone else who might be interested in getting work done while they are up here can contact them.

Our next SCPOA meeting will be Monday June 8<sup>th</sup> at 6:00 PM with the road meeting and bid review at 5:00 PM at the fire station, hope to see you there.

**MVFA COMMUNITY PICNIC**

by Teresa Wren

The plans for the MVFA Community Picnic on **JULY 18<sup>th</sup>** are coming together. With the support of the community I know this event will be as spectacular as the "Big Boys Toy Show". It was great to see so many people enjoying the event "on the hill".

We have started to receive a few donations for the raffle but we could use many more! If you can help with the donation of a service or items such as bottles of wine, art items, certificates for massage, landscape design, yard work, catering, or maybe even a riding lesson it would be appreciated. Just give Sandy Brauns a call at 626-6248 and she will be happy to accept your donation.

Don't forget to save the date, July 18<sup>th</sup> at Dyer Lake! If you are able to help out at the picnic give Teresa Wren a call at 622-3903 or Mary Ann Haywood at 622-5477 and we will put you to work.

**Crafters**

by Sharon Hem

Our third Craft Sale will be held at the Community Picnic on July 18<sup>th</sup>. There will be summer items and year round yard decorations available as well as unique gifts for all. All of the proceeds from our Craft Sales benefit our Volunteer Fire Department. Stop by browse, visit and buy.

All are welcome at our craft meetings, you need not be crafty to attend. We have a lot of projects in the works with something for everyone to do. Coffee, tea and goodies served along with friendship.

Our next craft meeting will be held on Friday June 26<sup>th</sup>, at the home of Darlene Rood, 2211 Swansboro Road, from 9:30 -11:30 am. See you there!!!

## Pilots Association Scholarship Program

by Al Raymond

The Swansboro Pilots Association is again offering Swansboro/Mosquito high school seniors or college under grads a chance to compete for a \$500 scholarship. If you live in our community, are a high school senior going on to college next fall, or are already in college and plan to continue, you can apply for one of the scholarships.

To apply send a one-page, double-spaced, typed essay (*postmarked no later than 6/30/09*) that states: who you are, what college you plan to attend, your life plans, and why you should receive one of our scholarships. Please include your address, phone number, and e-mail address if you have one. Send your essay to: Pilots Association, 6234 Pineneedle Ln., Placerville, CA 95667.

## Cardboard Boat Race

by Debbie Rood

Mountain Fellowship would like to announce the return of the CARDBOARD BOAT RACE on Sunday July 1<sup>st</sup>, 2:00pm at Dyer Lake. We will be holding 2 races this year. One will be for the Middle School kids only and the other will be open to whoever wants to participate. The rules for both races will be the same and are as follows:

- Boats and oars are to be constructed of cardboard and duct tape ONLY.
- No more that 2 people per boat riding inside.
- Middle School boats must be built by the kids, any boat obviously built by adults will be disqualified.
- Boats and teams must be complete and on the starting line at 2:00 pm in order to race.
- Both team members and boats must cross the finish line in order to win a prize.
- Life jackets are required, you will not be allowed to race without one.

We will also be having a potluck lunch starting at 1:00 pm so bring a dish to share or just come on down for a great event that is sure to bring lot of laughs! If you would like to donate duct tape to the Middle School Youth Group or if you have any questions call Debbie at 642-0695

## Part-Time Job Opening!!

The Mosquito Fire Protection District invites applications for the position of **Fire Fighter-Training Officer**

The Firefighter/Training Officer will have two primary responsibilities. First, to supplement regular, full-time employee staffing during the critical wildland fire season. Second, to assist the Chief in designing and presenting a comprehensive training program to meet the District's Volunteer Firefighter's specific needs. Normal duty time shall consist of eight (8) hours per day, four (4) days per week. The Chief shall establish the duty schedule. However, interested applicants should be aware that during the critical summer wild land fire season the successful candidates' days off will most likely be mid-week.

### Minimum Qualifications:

1. Be physically capable of functioning as a volunteer fire fighter.
2. Possess a CA State Fire Marshall's Instructor 1A & 1B Certificate.
3. Possess and maintain a current El Dorado County EMS certification to the level of Emergency Medical Technician 1A.
4. Possess and maintain the proper DMV license in order to operate all District vehicular equipment.
5. Reside in the District at time of hire or within 30 days of hiring.

### Desirable Qualifications:

Current Mosquito Fire Protection District Volunteer.  
Possess a CA State Fire Marshall Instructor rating.

To apply, submit a brief resume which demonstrates that you meet the minimum qualifications to:

MFPD Firefighter/ Training Officer Recruitment  
8801 Rock Creek Road  
Placerville, CA 95667

Resume must be received **NO LATER THAN 4:00 PM , Wednesday, June 3, 2009**. The most qualified candidates, as determined by the Board, will be invited to an oral interview on Saturday, June 6, 2009.

A complete job description along with salary and benefits information is available at the Fire Station.

## News From The Café

by Frank Ethridge

Here it is already June, the summer heat is on the way. Fathers Day is the 21<sup>st</sup> and we will be running our normal hours. The Café will also be putting on some outdoor events this summer and we will keep everyone posted as they approach.

We want to say thanks to everyone who came out and enjoyed our little "Anniversary Party". A special thank-you to those who spent the whole day helping me put it together and enduring the heat, without you it could not have happened. We are looking forward to doing it again next year.

Having a backyard Bar-B-Que or a Summer get together? Need a little extra help? Give us a call at 622-0210.

And, here's a "Head's Up". We will be Closed on June 17<sup>th</sup> thru June 19<sup>th</sup> for vacation and to celebrate Heidi's birthday. We will open for breakfast on June 20<sup>th</sup> with our regular hours.

Thank you from the crew at the Café
