

MOSQUITO BYTE

December 2010, VOLUME 24 #04

Mosquito Volunteer Fire Association

By Teresa Wren

If you have been down to Finnon Lake I'm sure you have noticed the water is being let out in preparation for the reconstructions of the Finnon Lake Restoration and Habitat Improvement Project. The water was let out at a slow flow and was turned off on November 19th in order to save the fish remaining. I understand fishing has not been in abundance for quite some time. We are going to let the water sit at this level until we hear what our next step is going to be. MVFA is planning a community meeting in early February to cover the dam project with Mark Egbert the District Manager for El Dorado County & Georgetown Divide Restoration Conservation Districts. Karl Weiland has prepared a power point presentation to present at this community meeting. All of our permits have been issued and are approved. We have strong support from Supervisor Ron Briggs who's efforts have helped us financially. At this time we need the community's support and participation in upcoming projects, which will be mentioned at the community meeting. The date for the community meeting will be firmed up and be announced in the next Byte Newsletter.

The next year is going to be an exciting time for the MVFA Board and if you have an interest to be involved we have one board position open. The elections of the new board will take place during the annual meeting held in conjunction with the Christmas Party on December 11th. Please let any board members know you have an interest or email me at tdwren@wildblue.net.

It's hard to believe December is already here and as I sit here looking out the window we already have had a dusting of snow. Before we know it Santa will be visiting the children at the fire station on December 11th to hear what they want for Christmas. Mary Ann

Hayward and her committee have the plans underway for a traditional turkey dinner with all the trimmings. She has gotten great support with the volunteers cooking the turkeys, mash potatoes, dressing, and gravy. Thank you to the community for bringing all the desserts and side dishes. Last year we had a great turn out and I know this year will be even better.

Plans are also underway in preparing Christmas Food Baskets and gifts for children on the hill who are in need. The items will be given out on December 18th. If you are able to donate please remember we have older children ages from 5 to 17 we are giving gifts to. I would like to thank all who have given in past years and those who are able to this year.

Have a wonderful holiday and see you at the next board meeting on December 2nd, 7pm at the Fire Station.

CHRISTMAS POTLUCK REMINDER

by Mary Ann Haywood

Hope everyone has marked December 11th on their calendars for the Christmas Potluck. Of course, Santa will be at the Fire Station for all the kids to tell him what's on their wish lists (parents bring your cameras).

MVFA will be roasting turkeys and making the stuffing, gravy, mashed potatoes, cranberries, rolls, coffee and punch, but to complete our Christmas Potluck we need your help by bringing the following dish to share according to your last name: A-H a dessert, I-N a side dish, O-Z a salad. With your help, it will be a feast to remember.

Santa has a very busy schedule, but he will be at the Fire Station from 5 P.M. to 6P.M. and Dinner will begin at 6P.M. If anyone would like to help with set-up and decorating, which will begin at 9A.M. on

December 11th, all volunteers will be welcome. See you all on December 11th!!!

FOOD AND GIFT BASKET DRIVE

by Mary Ann Haywood

Once again we hope to gather enough food and gifts to share with our neighbors in need. Canned and boxed food items that are still sealed and NOT outdated are needed. Please remember however, that this is not the time to empty your cupboards of partly used or outdated items, it takes time to sort these things out and we must throw away those things that can't be used. Perishable items can not be accepted. Gifts should be unwrapped so they can be matched to the age appropriate child (young, tweens, and teens would be greatly appreciated). **ALL DONATIONS ARE NEEDED NO LATER THAN DECEMBER 16th** so please drop off your items at either the Fire Station or the Rock Creek Cafe.

If you know someone or if you could use some help this season, give the names to the folks at the Fire Station or call 622-5477. Last year we had the opportunity to give many of our neighbors a full Christmas meal as well as some great gifts for many others.

Thank you for your help and may you all find the season bright. **HAPPY HOLIDAYS!!!!**

SCPOA

By Kim Purcell

It was nice to see a good turnout for our November meeting. Too often it's only a few members giving their input and getting the current information. Next months meeting will include decisions on next year's dues, so we hope a large group can show up again to participate.

Jonathan and Kevin have started burning the brush pile created during the clearing for roadwork. Any large pieces of wood are placed by the telephone pole just past the shed on Sluice St. for anyone to cut up and take for firewood. They've also been working on the area north of the maintenance shed and dam at Dyer. Most people don't realize this is a common area, but by opening it up it's hoped that members will be able to enjoy it.

The roadwork for this year has been completed and looks good; we will soon start the planning process for next year. Jonathan and Kevin will continue to ditch along roads, remove growth, and debris both in the ditches and the road easement. In this process last summer they ran into resistance from some owners about removing young plants from ditches. These will eventually grow causing problems with drainage and potential road damage so they will need to be removed. Remember there is a road easement, so property lines do not extend to the road itself, but it's always helpful when owners do their own maintenance of the area. We obviously do not have an unlimited maintenance budget and we just as anyone don't want to increase spending.

So far this year we still have 65 members who have not paid dues. Lynda will make every effort to work with individuals, but if payment is not received, liens will be placed on the properties to protect the association. We are no longer sending delinquent accounts to a collection agency; our secretary Lynda is handling them herself, which is saving us all money.

The last meeting many members had concerns over what the dues will be next year. Unfortunately nothing can be decided until we get our biannual Browning review study back. This study looks at all of our assets and projects over 30 years what reserve funds we will need to maintain everything. The study is mandated by law and, as discussed in prior meetings, was to take place at the end of October so that we could have it in November. At our October meeting we also had a brief discussion about having Browning look at options such as various dues increasing or borrowing money for additional roadwork while prices are low to see how this would affect dues for the next 10-20 years to see if we could moderate increases. This study will be a significant part of the planning process for next year and were discussed at the budget meeting on Monday November 29th at the firehouse. The full study is fairly large, and if you are interested in obtaining a copy for review please contact Lynda at 621-0309, it has some valuable information in it. Look for the signs posted announcing budget meetings and please try to attend so that you can have a better understanding of why dues have to be where they are and why increases are necessary.

The annual packet is in the process of being prepared, at meetings we have asked for suggestions of topics members would like to have included. Some of these include a breakdown of where our dues go including how much is budgeted for delinquent accounts, additional insurance information for homeowners, description of the complaint process, and a possible calendar.

The board also needs to look at changing our meeting days. One of our board members must change his schedule to accommodate an ill coworker, and we are now looking into Thursdays as a good option. Also due to scheduling of other meetings at the firehouse, it looks like the fourth Thursday of the month will be an option. This will be discussed further at the next meeting and it is hoped that moving the meetings from Mondays may allow more members to attend. Another concern that we hear over and over as to why members don't come to meetings is that they get tired of complaints and criticism by those attending. All board members are also community members so it shouldn't be an "us vs. them" issue, but rather what is best for the community and it's far more useful when suggestions are offered.

The next regular SCPOA meeting will be held Monday December 16th, 6:00 PM at the firehouse. The budget and dues will be discussed so we hope members will attend.

**BOOK - CHILI BAR FIRE 1979
A Rural Chief's Recollection**

Paul Hinds, our Rural Fire Chief in 1979 during the Chili Bar Fire, which destroyed 7000 acres and 5 homes, has written his experiences as the first paid MFPD Fire Chief. Jan Escamilla, Richard Paradise, and many others have teamed together to develop this Fund Raiser for the Fire Fighters Fund. This book is on sale NOW for \$20 at the:

MFPD Fire Station
Rock Creek Café.

100% of your donation will go to the MVFA Fire Fighter's Fund. Contact Jan Escamilla 621-4271

Crafters
by Sharon Hern

"Thank You " to all who have worked on crafts, helped sell crafts and those of you who have purchased our crafts. All of the proceeds are used to

help with the various needs of the Firefighters and the needs of the Fire Station. And a very special **"Thank You"** to Darlene Rood who hosts our craft meetings each month and stores all of our craft projects.

Our Craft Meetings will resume in January. The dates and times will be listed in the January 2011 Mosquito Byte. Until then the Crafters wish you all a wonderful Holiday Season.

2009 Mosquito Phone Book Updates

The 2009 Mosquito phone books are still available at the Fire Station at the reduced price of \$1.00.

Please contact Sharon Hern at 626-5268 with any additions or changes.

2011 Mosquito Phone Book
by Sharon Hern

Every 2 years the Mosquito Volunteer Fire Association publishes a new phone book containing information on our community, emergency telephone numbers, a map of our area and telephone numbers and addresses of our local residents. If you are not now listed in the Mosquito Phone Book and wish to be listed in the 2011 phone book, please contact Sharon Hern at 626-5268 or fill out a form at the Fire Station listing your information.

If you are interested in having your business card listed in the 2011 Mosquito Phone Book advertising section the cost is \$5. Please send you business card and \$5 to M.V.F.A. at 9009 Orval Beckett Court, Placerville, CA 95667. **The deadline for all new listings and advertisements is December 31st 2010.**

News from the Café
By Frank Ethridge

We hope everyone had a fun and safe thanksgiving. If we can help with any holiday event that you might have, feel free to call on us at 530-622-0210. We will be helping the Fire Dept. collecting donations for the holidays so stop by and we will make sure they get it in time.

We will be closed on the following days.
December 24th, 25th, and the 26th
New Years Eve we will be open our normal hours and running the full menu. Happy Holidays Everyone!!

Thank you from the Crew at the Café.

Recipe of the Month
by Chef Frank

Prime Rib with Au Jus
(10 to 12 pound roast)

Rib Rub
Rosemary 5 sprigs
Whole Garlic 1 cup
Cracked Black Pepper ¼ cup
Onion Powder ¼ cup
Garlic Powder ¼ cup
Kosher Salt ¾ cup
Olive oil 1 cup
Chop ingredients in food processor or blender.
Should be paste like.
Rub on Prime Rib.

To cook the Rib you will need:
Roasting Pan
Celery 1 stalk chopped coarsely
Onions 2 each chopped coarsely
Carrots 3 each chopped coarsely
Bay leaves 4 each
Place veggies in roasting pan with bay leaves, set rubbed roast on top.
Pre heat the oven to 375 degrees, roast the Rib for 45 minutes. **Turn oven down to 225 degrees roast (20 minutes per pound.)**
Check with thermometer. Rare is 110 degrees. This is a good time to pull out the roast and set it aside so you can make the Au Jus.

Au Jus
Take roast out of the pan and leave the Veggies. On the stove top turn on heat and add 2 cups of red wine (your choice) to deglaze the pan. Reduce liquid by 2/3. Add ½ gallon of water and cook for 20-30 minutes. Strain and skim the fat out before you serve.
Enjoy!

LOST! Frankie's been lost since August 26, 2010. He's a sweet, orange, five month old neutered kitten. He's not sick. He was oxygen-deprived at birth, and he has an awkward, unsteady gait. I've seen him challenge a Doberman Pincher, so it is possible he is still out there. Please call Nancy @ 626-7975 or 919-2560. If you find him, please bring him home. Reward \$25

MEETINGS:

MOUNTAIN FELLOWSHIP -Sunday Bible study begins at 9:30am then a Celebration service at 11am. Mountain Fellowship is a non-denominational congregation of Christ's church.
