JUNE 2011, VOLUME 24 #10

Chief's Corner

by Chief Bob Davis

Spring is in the air, nice to hear the sound of weed trimmers and lawn mowers. But before you know it fire season will be upon us so now's the time to step back and look at your home. Ask yourself, "Will my home survive a wildfire?" Going through the following checklist might be helpful.

- Thin trees and brush within the defensible space. Remove any trees growing through the porch or deck.
- Remove trash and debris from inside the defensible space.
- Clear roof and gutters of leaves and debris.
- Remove branches overhanging your roof.
- Stack firewood uphill or on a contour away from the home.
- Place shutters, fire curtains or heavy drapes on windows.
- Place screens on foundation and eave vents.
- Enclose sides of stilt foundations and decks.
- Use a chimney screen or spark arrester.
- Clear vegetation around your propane tank.
- Inspect your fire extinguishers and test smoke detectors.
- **Post address signs that are clearly visible from the street or road.**
- Make sure the driveway is wide enough for fire trucks and equipment.

- Post load limits on any bridges on your property.
- Practice a family fire drill and evacuation plan.

As we are approaching another fire season, a need has developed. Just recently the fire department has lost four volunteer fire fighters who have moved out of the District. With their loss, we now have openings for volunteer fire fighters.

Our department and our community is entirely dependent on its volunteer members. We can have all the fire engines and water tenders possible but they are useless without volunteer fire fighters and support group members. Our volunteers are the backbone of what we do and what services we provide to the community. They are the ones that everyone turns to when everything is going wrong.

What does it take to be a volunteer fire fighter? It takes time, effort, energy, commitment and most of all a desire to help. Training is the focal point of what a volunteer fire fighter is and what they do. Training is done every Tuesday evening starting at 7:00 pm and lasting about two hours. Through this training we sharpen our skills to be the best volunteers possible, to be safe, and to be able to perform and to help when it is needed.

What does it mean being a volunteer fire fighter? It means getting out of bed at 4:00 in the morning because one of your neighbors is having chest pains, or there is a vehicle accident, or a house is on fire, or someone, probably a stranger, having a problem bad enough they had to call 911. In short, being a volunteer fire fighter means you will do things you never thought you could. It means you will experience things you never thought could happen. It means you will see things that you never thought you could look at. And more important, it means you will discover who you really are and all of what happens will be an

opportunity that the average person never has.

There is a need for your help! So if you are interested please contact the Fire Department at 626-9017 or drop by at our the Open House.

Kids Welcome!!

Mosquito Volunteer Fire Association
by Teresa Wren

The community spirit is sure alive and well in Mosquito. We had another successful dinner at the "Siete de Mayo" evening. We actually had more in attendance than at the St. Patrick's dinner. Thanks to Chief Davis's wife Elvia, her sister and Lynda Lima for the delicious chicken enchiladas and Spanish rice. Jerry Avery and Sandi Brauns were responsible for the great tacos we enjoyed. We had a wonderful variety of Mexican Wedding cookies baked by Candy Lupient, Sandi Brauns, Kim Kirkpatrick and Lynda Lima. Debbie Rood, thank you for arranging the youth club from Mountain Fellowship to serve us again. The kids did a great job and we have received lots of complements about their service. To all those behind the scene setting up cleaning up and doing the decorations, thank you.

Our next event is the Community Yard & Craft Sale on June 4th from 8am to 1pm at the Mosquito Fire Station parking lot. This is a good opportunity to clean out that garage and bring those useful items to sell at the yard sale. We are still selling spaces for \$20 so if you need a space give me a call at 622-3903.

If you have something sellable which you would like to donate to MVFA please let us know (622-3903). Will pick up the item and sell it with the proceeds going to MVFA's Dam Restoration Fund.

The Swansboro Pilots have rented a space and are planning to sell baked goods in support of their Scholarship Fund. Please be sure to stop by and treat yourself to some baked goodies.

July 9th is the MVFA Community Picnic. Mark your calendars now so you can plan to attend. It is a great way to spend the day with family, friends and neighbors. Food, Crafts and lots of water for swimming

Hope to see you at our next MVFA Board meeting on June 2nd, 7pm at the Fire Station.

Finnon Dam Restoration Project
by Neil Matheny

After reporting to you last month that we had lost support from the Job Corps and the Operating Engineers Union, we are happy to announce that the Resource Conservation District has signed a contract with Doug Veerkamp General Engineering, Inc. for the restoration of the dam. Work can begin as soon as the soil is sufficiently dry. If there is inclement weather or unforeseen problems, the dam may not be completed this summer, but we will at least make progress. Watch for the Ground Breaking Ceremony in early June.

The lake drain goes under Trail Gulch Road. Equipment will be blocking the road for short durations while we remove dirt to allow inspection of the current installation. Notification will be sent to all residents impacted and an alternate route will be provided.

Veerkamp will be moving large pieces of equipment along Rock Creek Road. We will do our best to notify Mosquito residents when this will happen. We will also post updates at the Rock Creek Café.

Improvements are planned throughout the park while the dam is under construction. The entire park is a construction zone and hazardous conditions may exist anywhere. PLEASE DO NOT TRESPASS. This includes dog walkers, joggers, off road vehicles, disc golf players and anyone else not required to be there. Some construction will be very close to the restaurant. Although the restaurant will remain open, please do not let children run loose in this area. We want you to

be able to return and enjoy Finnon when the dam is finished and the lake refilled.

We appreciate those Mosquito residents who have responded to our requests for help. If you are interested in helping, there will be many more opportunities throughout the summer.

BINGO at the CAFÉ

by Dee Harris

Don't miss out on the fun at our next BINGO night! Ten Dollars (\$10) buys you **three** BINGO cards for all of the games played during the evening. Half of the proceeds go to the Finnon Dam Restoration Project and the other half is returned as cash prizes to the BINGO winners so the more card packages sold, the larger the cash prizes.

The doors open at 6:00 for pizza and a salad (one slice and salad for \$3.50, 2 slices w/ salad \$6.00). There will be beverages and desserts for sales as well. This all supports the Finnon Lake Restoration Project.

We play BINGO on the 2nd Monday of each month so our next BINGO night will be on June 13th, 7:00 PM at the Café. Hope to see you there.

SCPOA Report

by Kim Purcell Kirkpatrick

With the warming weather our maintenance crew has been keeping busy. As the temperatures allow, they will be catching up on potholes. The wet weather has taken a toll on many of our roads and as they dry out and warm up Johnathan and Kevin will do what they can to repair them. The little bridge over the inflow to Dyer has been replaced with concrete after it was broken, it will now support a much greater weight. Some other projects in the works will be placing concrete at the entrance to the bathrooms, replacing the deteriorating stairs at the maintenance shed and replacing a broken wood picnic bench at Dyer with a concrete one.

Although it is early in the new fiscal year we still have almost \$100,000 in outstanding dues from 94 owners, Lynda will be sending out past due notices

to those who owe. As we progress through the year liens will be placed on properties when needed. Please contact Lynda at 621-0309 to make arrangements to pay.

The balances on the loans we had out for road work several years ago have decreased significantly due to prepayment each month so a motion was made to pay both off early. The loans were secured by CD's which will continue to earn interest for us through August when they mature, ultimately we made more in interest than we paid over the life of the loans.

Starting with our May meeting we will have road and budget meetings following the regular SCPOA meeting each month. While we are not doing any major road work this year we want to review the overall plan for the future. We are also still in the process of trying to get some road grindings so that we can address some of the courts.

We are having a few problems with some of the road work done last year, in a few areas the chips have come off exposing the mat underneath. The contractor will be contacted to come up and repair the areas as the weather and temperatures allow.

The board agreed to submit our governing documents to the David Kessler group to have on file with them. This group does the Davis Stirling newsletter and has answered questions for us several times. There is no charge unless we ask them to do work for us and they are a great resource for information for home owners associations.

Last month we were sued in small claims court by an owner, thank you to Rob Lupient as well as several other association members for spending the significant amount of time needed to deal with this. While it did cost us some legal expense it was greatly reduced by their volunteered effort and we did prevail.

Our next meeting will be Thursday June 23rd at the Fire Station starting at 6:00 PM, we hope you will attend and give us your thoughts and ideas.

Cardboard Boat Race

By Debbie Rood

Mountain Fellowship would like to announce the return of the CARDBOARD BOAT RACE on Sunday July 17th, 2:00pm at Dyer Lake. *We will be holding 3 races this year. One will be for Elementary School kids, one will be for the Middle School kids and the other will be open to whoever wants to participate.* The rules for both races will be the same and are as follows:

1. Boats and oars are to be constructed of cardboard and duct tape ONLY.
2. 2 people per boat riding inside.
3. Boats built for the Middle School race must be built by the kids. Any boat that is obviously built by adults will be disqualified.
4. Boats may be decorated with paint.
5. *NO rude or obscene markings on boats. This is a family event.*

6. Boats and teams must be complete and on the starting line at 2:00 pm in order to race.
7. Both team members and boats must cross the finish line in order to win a prize.
8. Life jackets are required, you will not be allowed to race without one.

We will also be having a potluck lunch starting at 1:00pm so bring a dish to share or just come on down for a great event that is sure to bring lot of laughs!

If you would like to donate duct tape to the MFOM Youth Group or if you have any questions call Debbie at 642-0695

News from the Café

by Frank Ethridge

June is here and hopefully the summer heat is on the way. The Café is now **open daily** from 8am to 8pm. Pizza will be available starting at 11am each day.

Don't forget Fathers Day is June 19th. We will be open our normal hours so bring Dad down and treat him to breakfast, lunch or dinner.

Join us at the Café for BINGO on June 13th. Doors open at 6:00 for pizza and a salad (1 slice & salad for \$3.50, 2 slices & salad \$6.00). Beverages and desserts available throughout the evening. This all supports the Finnon Lake Restoration Project.

The Tee-Shirt fund raiser is moving along nicely. If you are interested in a t-shirt, stop by and check them out. We are taking orders for the next batch now!

Having a backyard Bar-B-Que or a summer get together? Need a little extra help or maybe just an extra side dish to finish off that special event? Give us a call at 622-0210.

Please note, we will be closing at 3:00pm on June 17th to celebrate a family event.

Thank you from the crew at the Café

Recipe for the Month

by Chef Frank

A little note about last month's recipe for Carrot Souffle, it calls for 2 Tablespoons of vanilla and with the topping be sure to mix all ingredients together before you sprinkle it on top.

Baked Potato Soup (Serves 12)

Ingredients:

- 16 Slices Bacon diced
- 1 ½ cup small diced white onions
- 1 1/3 cup flour
- 8 cups chicken stock
- 9 Cooked, peeled and diced Baked potatoes
- 4 cups ½ & ½
- 1 Tbsp garlic powder
- 1 Tbsp dry basil
- 1 Tbsp salt
- 1Tbsp Tabasco
- 1 Tbsp black pepper

- 2 cups cheddar cheese grated
- 1/3 cup sliced green onions
- 6 ounces butter to swirl in at the end

1. Fry bacon crisp-remove bacon use fat to cook onions
2. Sauté onions in bacon fat on med-hi heat till translucent.
3. Add flour; cook 3-5 minutes, stirring often.
4. Add stock, stirring often to prevent lumps.
5. Lower heat to simmer-add potatoes, half and half and all seasonings.
6. **DO NOT BOIL SOUP!**
7. Turn off the heat add cheese, green onions and butter and enjoy.
