

MOSQUITO BYTE

January 2013, VOLUME 26 #5

Chief's Corner

by Chief Bob Davis

Even though we are still very much into the winter season now is the perfect time to be thinking about cleaning up around our houses and getting ready for the summer and the as usual threat of a wild land fire.

It seems that I am always harping on people to cut the brush around their homes. Not only is it the prudent thing to do when you live in an area that has a high risk for a wild land fire but it is also a state law. I thought I would take this opportunity to publish this law so that all of us know what the State expects. The following comes from the California State Public Resources Code Section 4291.

Any person that owns, leases, controls, operates, or maintains any building or structure in, upon, or adjoining any mountainous area of forest-covered lands, brush-covered lands, or grass-covered lands, or any land which is covered with flammable material, shall at all times do all of the following:

- (a) Maintain around and adjacent to such building or structure a firebreak made by removing and clearing away, for a distance of not less than 30 feet (this was revised by state law to 100 feet that went into effect on January 1, 2005) on each side thereof or to the property line, whichever is nearer, all flammable vegetation or other combustible growth. This subdivision does not apply to single specimens of trees, ornamental shrubbery, or similar plants, which are used as ground cover, if they do not form a means of rapidly transmitting fire from the native growth to any building or structure.
- (b) Maintain around and adjacent to any such building or structure additional

fire protection or firebreak made by removing all brush, flammable vegetation, or combustible growth which is located from 30 feet to 100 feet from such building or structure or to the property line, whichever is nearer, as may be required by the director if he finds that, because of extra hazardous conditions, a firebreak of only 30 feet around such building or structure is not sufficient to provide reasonable fire safety. Grass and other vegetation located more than 30 feet from such building or structure and less than 18 inches in height above the ground may be maintained where necessary to stabilize the soil and prevent erosion.

- (c) Remove that portion of any tree, which extends within 10 feet of the outlet of any chimney or stovepipe.
- (d) Maintain any tree adjacent to or overhanging any building free of dead or dying wood.
- (e) Maintain the roof of any structure free of leaves, needles, or other dead vegetative growth.
- (f) Provide and maintain at all times a screen over the outlet of every chimney or stovepipe that is attached to any fireplace, stove, or other device that burns any solid or liquid fuel. The screen shall be constructed of nonflammable material with an opening of not more than one-half inch in size.
- (g) Except as provided in Section 18930 of the Health and Safety Code, the director may adopt regulations exempting structures with exteriors constructed entirely of nonflammable materials, or conditioned upon the contents and composition of same, he may vary the requirements

respecting the removing or clearing away of flammable vegetation or other combustible growth with respect to the area surrounding said structures.

- (h) No such exemption or variance shall apply unless and until the occupant thereof, or if there be no occupant, then the owner thereof, files with the department, in such form as the director shall prescribe, a written consent to the inspection of the interior and contents of such structure to ascertain whether the provisions hereof and the regulations adopted hereunder are complied with at all times.

There you go, the nuts and bolts along with the legalize on why we have to clear around our structures. Any violation of 4291 is seen as an infraction by the courts and results in a fine, the law specifies what the fine is and under what conditions. Since this is a State law it is the states responsibility to enforce it and that has been given to the California Division of Forestry and Fire Protection.

I consider 4291 to be a good law as it establishes a basis for common sense, that being if you live in this kind of area you should make your house as safe as possible. If you follow the requirements of 4291 then it does not have any impact on you as you are exercising good judgment. If you do not then 4291 can be considered a pain in the wallet. If you do not adhere to the requirements then you can be found guilty of an infraction and fined, then you still have to clean up your property.

Take the next couple of months, cut some brush, trim some trees and enjoy living in the country. If you have questions call 626-9017 or come down to the station, Curtis, Mary or myself will gladly help you. In the meantime it is still winter and the roads can get you, be careful and be safe.

Mosquito Volunteer Fire Association by Teresa Wren

We had a wonderful turn out at the MVFA Annual Business Meeting and Christmas Dinner. This year we did something different and had the food prepared for the community. Our Fire Department

Support Group started off the day decorating the fire station. Frank Ethridge from Rock Creek Café did all the side dishes and the bread pudding for us at his cost and the turkeys were purchased and cooked by Mary Ann Haywood, Linda Buchanan, Lynda Lima, Dee Harris, Sharon Hern, Theresa Stuart, Iris Saxon, Candy Lupient and Bill Wren. Debbie Marshall made the cup cakes and the pumpkin pies for all of us to enjoy. In the back kitchen Joe Lima, Tom Harris and Chief Bob Davis carved the nine turkeys right down to the bone. Ed Igoe pitched in taking care of the drinks and making sure the fire station was cleaned up after dinner. This event was sponsored by MVFA Board members Kathy tenNapel and Debbie Marshall. Thank you all for making this dinner a great success.

We asked the community to bring canned food for our food baskets this year and we were pleasantly surprised by your generosity. Thank you all for giving to those who could use a helping hand. The families certainly appreciated all you did for them. I would also like to thank the ladies on the hill who baked the wonderful cookies for the baskets that were given out. A special thank you goes out to the Hangtown Miners who were very generous in providing us with toys and gift cards for the children for Christmas. Thank you, Sharon Hern for sponsoring and organizing the Christmas Baskets for the families.

Santa was certainly a hit with the children listening carefully to what they wanted for Christmas, thanks Curtis Schleth. Sharon Hern and the Byte ladies packaged all the goodies Santa gave to the children. Thank you all for your hand in making the children smile.

After dinner we enjoyed Heidi Ethridge accompanying Chana Ethridge, Ashley Peterson & Angel Birks singing Christmas Carols. Some of us even joined in singing along with them.

Thank you, Chief Bob Davis, Tom Harris and Tom Stuart for cutting a cord of wood for the raffle. This raised over \$400 that will be paid towards the back fees owed to the Department of Water Resources.

Dee Harris, thank you for creating the signs letting the community know about our events.

Kathy tenNapel retired off the MVFA Board this year, "Thank You" for your service this year.

I am happy to report we now have a full MVFA Board for 2013 with Curtis Schleth and Mary Ann Haywood stepping up and offering to serve on the board.

I know that there were a lot of "Thank You's" this month, but it is the volunteers that make it possible to have all of these events for the community to enjoy.

Happy New Year and see you at the next board meeting on January 3rd, 7pm at the Fire Station.

Christmas Baskets

by Sharon Hern

We live in an awesome community!!! Thanks to your generosity we were able to deliver a total of 20 Christmas Food Baskets and "Thinking of You" gifts in our community this year. THANK YOU to all of the following people who helped me gather and sort food, purchase and wrap gifts, baked cookies and bread and delivered the baskets and gifts: Teresa and Bill Wren, Sandi Brauns, Susan Smith, Lynda Lima, Ralph Hern, Tom Harris, MaryAnn Haywood, Dee Harris, Cindy Ketchum, Allison Moalli, Alyson Fox, Catie Friedberg, Kellie Stubblefield, Georgina Barnett, Pam Angelo, Sara Infante, Candy Lupient, Debbie Harris, Nese Orlosky, Carol Schultz, Kim Purcell-Kirkpatrick, Rob Lupient, Curtis Schleth, Bob Davis and Amber and Isabella King. Lastly a special thanks to my co-chair MaryAnn Haywood for all of her help in every facet of the project..

SCPOA

by Kim Purcell Kirkpatrick

Due to the Holidays, the Byte needed to go to press prior to our December meeting. We'll be voting on next years budget but in the mean time you'll be receiving the December packet which will include all the information on next years budget and dues. We hope everyone enjoys the holidays. Our next meeting will be January 17th, 6:00 PM at the Fire Station.

Crafts

by Sharon Hern

ATTENTION LADIES - If you're a "crafter" or just one of us who can do simple (?) cut, paste/glue, paint, etc. jobs, you are encouraged to come join us at our Craft Meeting. There's the fun of learning new crafts, meeting new friends, coffee, goodies and of course table talk. Our first meeting of 2013 is on January 25th

and It's our planning meeting where we plan our Craft Sales for the year and determine the projects that we will be working on.

Our craft meetings are generally held on the 4th Friday of each month from **10AM to 12Noon** at the home of Darlene Rood, 2211 Swansboro Road, Hope to see you on the **25th of January**.

MOSQUITO ROAD BRIDGE PROJECT PUBLIC WORKSHOP

Saturday, January 26, 2013

3:00 – 3:30 p.m. Q & A

**Hosted by El Dorado County
Transportation Division**

*This is the initial public scoping meeting
for the Mosquito Road over South Fork
American River Bridge Replacement Project.*

**For more information, contact
Anne Novotny, (530) 621-5931
anne.novotny@edcgov.us**

*Persons with disabilities who require special
accommodations at this meeting should call
Anne Novotny as soon as possible but
no later than Monday, January 21, 2013.*

2013 Phone Books

by Sharon Hern

The new 2013 Phone Books will be available for purchase at the Fire Station beginning January 7th for \$5.

Finnon Lake Recreation Area

by Tom Harris, Property Maintenance Chairman

This is a reminder that the Finnnon Lake Recreation Area is closed to dirt bikes, ATVs and all motorized off-road vehicles for Insurance liability and the safety of our hikers, bicyclists and disc golfers. Also, the only public entrance to the lake and park is through the Café parking lot. The former entrances from Swansboro Road and Claim Street are permanently closed.

Swansboro Hikers

by Li Vellinga

If you enjoy walking, hiking or strolling in our neighborhood or the National Forest, please join our newly created Yahoo Group called Swansboro Hikers. To join, please email me at: li@california-gardens.com for a special invitation to sign up within 30 days. Once signed up, you will receive announcements on upcoming hikes and other outdoor activities.

Anyone in the group can make announcements by email, so if you have ideas of fun places to go, please feel free to share.

I am looking forward to seeing you at some of the activities in the new year! The first planned hike will be to Castle Rock around the middle of January, weather permitting.

Gott Nytt År 2013

(Happy New Year!)

News from the Café

by Frank Ethridge

We hope everyone enjoyed the holidays and wish to thank you for your support for the café this past year.

Mark your calendars for this culinary treat..... on January 12th, we will have a special **CIOPPINO DINNER**

We look forward to serving you in the upcoming year. Let us help you with any catering needs that you may have. You may reach us at 622-0210 or at fwethridge@gmail.com

Thank you from the Crew at the Café

Theme Night Dinners:

Wednesday- Family Night

Thursday- BBQ

Friday-Asian

Saturday- South of the Border

Sunday - German

Recipe of the Month

by Chef Frank

Southwestern Tortilla Soup

(this will put a little warmth in you on those cold winter evenings)

8- 6" corn tortillas cut in strips
 2 ounces corn oil
 3 cloves garlic minced
 1 fresh jalapeno minced (more if you like it hotter)
 1/4 cup chopped cilantro
 16 ounces chopped tomatoes canned
 16 ounces vegetable or chicken stock
 8 ounces tomato juice
 1/2 teaspoon cumin
 1/2 teaspoon light chili powder
 1 tablespoon lime juice
 2 ounces cream

In a medium sauce pot, heat the corn oil, add the tortilla strips and cook until crisp but not brown. Add all of the other ingredients (except the cream) simmer for 15 to 20 minutes. Place in a food processor or blender (be very careful the liquid is going to be extremely hot) and blend until smooth add the cream.

May be garnished with grated cheese or grilled chicken and avocado

Household Hazardous Waste Collection Facility

Location: El Dorado Disposal Material Recovery Facility
4100 Throwita Way, Placerville, CA 95667
