

MOSQUITO BYTE

February 2013, VOLUME 26 #6

Chief's Corner

by Chief Bob Davis

Greetings. Brrrrrrrrrr! Since the rain in December it has been cold. It is the first time I have seen ice on Dyer Lake. We have just enough of a winter to make us appreciate the great summers we have. From a weather standpoint, this is a hard place to beat since we do have four seasons and not one of them is severe enough to make us numb. Around March I start looking forward for the summer heat then around August I really look forward to rain. I guess being happy with what is around us is something we just can't seem to handle. Hope you all have taken precautions for the cold weather around your home and the vehicles you rely on to get to and from town and work. Here are some suggestions for your vehicles in cold weather:

Check your antifreeze - Antifreeze is essential for your car's winter protection. Make sure the level is full and that the mixture is close to 50% water and 50% antifreeze.

Inspect your tires - Winter conditions often result in slick or icy roads. Your tires are your best defense. Make sure you have checked your tread depth. The National Highway Transportation Safety Board says you need at least 2/32" of depth to be safe. Also, be sure to check tire pressure.

Replace your wipers & check wiper fluid - Make sure your wipers can handle any snow, water, or sleet that falls on your windshield. Make sure that you have plenty of windshield washer fluid as you'll be using plenty over the winter months. Don't fill your washer fluid reservoir with anything *except* washer fluid.

Stay on top of maintenance procedures. Before winter hits is the perfect time to make sure you've taken care of annual maintenance.

While car trouble is a bummer ANY time of the year, it can be especially complicated and frustrating in winter conditions. Avoid the stress: Make sure you've inspected, checked, or cleaned your car's:

Battery and battery posts. Engine oil, Brakes and brake fluid. Spark plug wires. Radiator, Ignition, Emergency Flashers, Exhaust and Defroster. A properly inflated spare tire. Wheel wrench and tripod-type jack in case of tire issues.

Here are some other items you should carry just in case:

A shovel. Jumper cables in case of battery issues. A bag of salt or cat litter for icy or slick road conditions. A basic tool kit. Working flashlight and extra batteries. Reflective triangles. First aid kit. Exterior windshield cleaner. Ice scraper and snow brush. Non-perishable high energy foods like unsalted canned nuts or dried fruit or hard candy. Items to keep you warm, such as heavy mittens, blankets, socks, sweatshirts and a hat.

Since our winter weather hit, we have not had any serious problems, any major vehicle accidents, chimney fires or house fires. I hope that trend keeps up, but as with all things the guarantee is there will be a change.

Winter is not over. There is still plenty of time for snow, ice and cold. Please take caution daily for your safety and well being. Things are replaceable... loved ones are not.

So be careful, Chief Bob.

Mosquito Volunteer Fire Association

by Teresa Wren

If you have been down to Fannon Recreation Area lately I'm sure you noticed the great gods of winter have been good to us. I have been told by Neil Matheny, the dam depth is now between 28 and 29 feet out of a full depth of about 45 feet. That's great news, we are making progress.

Camping at Fannon Recreation Area is closed this winter until we can get the roadway over the top of the dam resurfaced. The top of the dams condition is such that we can't drive any vehicle on it at this time.

MVFA is so grateful that the Steering Committee has committed to assisting with the second part of the grant construction on the dam project. If you see any the following men please take a moment to thank them for their hard work and commitment to the community. They are: Ralph Hern, Dave Angelo, Neil Mathney, Leo Chaloux, Todd Hern, Tom Harris, Tom Stuart and Karl Weiland . The other committed workers are, Joe Lima, Nick Heyart, Dick Rood and Milo Laguna who are always pitching in and helping when needed.

At the January board meeting we set the schedule for this year's events. See the Calendar of Events and mark your calendars.

See you at our next MVFA board meeting on February 7th, 7pm at the Fire Station.

SCPOA

by Kim Purcell Kirkpatrick

Our Annual Meeting is on Saturday February 9th , 10:00am at the Fire Station. Don't forget to have your ballot signed and either deposited in the ballot box at the Fire Station or the SCPOA mail box on the corner of Sluice Street and Rock Creek Road **NO LATER THAN 9AM ON FRIDAY FEBRUARY 8TH!!!!** Ballots that are not signed or brought to the Annual Meeting will not be counted. Your SCPOA Board hopes to see all of you at the Annual Meeting.

Crafts

by Sharon Hern

ATTENTION LADIES - If you're a "crafter" or just one of us who can do simple (?) cut, paste/glue, paint, etc. jobs, you are encouraged to come join us at our Craft Meeting. There's the fun of learning new crafts, meeting new friends, coffee, goodies and of course table talk. We are working on our Spring/Easter projects. Our first Craft Sale will held before, during and after the Easter Egg Hunt on March 23rd. More information will be in the March Byte.

Our craft meetings are generally held on the 4th Friday of each month from **10AM to 12Noon** at the home of Darlene Rood, 2211 Swansboro Road. Our next meeting is **February 22nd**, hope to see you there.

Castle Rock with the Swansboro Hikers Group

by Li Vellinga

January 19, 2013... What a glorious day it was! Eleven hikers showed up early at Dyer Lake parking lot, loaded up in three cars and took off for the forest so we could start our hike right at 11 AM. We also had a darling, well-behaved Black Lab Mix, named Adam, in our group.

The first part of the hike was easy with mostly level, pine-needle covered roads, which were wide and beautiful. At about the halfway point, the road narrowed and had a gradual slope down towards the rocks, followed by a steeper trail going even further down as we got closer to our destination. At one point we could hear the roar of a river below. Then it leveled off and we had some spectacular views towards Swansboro.

At the very end, we broke into smaller groups as we were navigating our way through moss-covered rock outcroppings, low Manzanita and Oak branches, and Indian Grindings. It was magical!

Thank you to Jan Escamilla for making this event such a beautiful experience! Without her, none of us would have known where to go. Thanks also to new and old friends who could join in on the hike to Castle Rock. Pictures of the event are posted on the YahooGroup site. New destinations are planned for future hikes, such as Bret Harte Hotel, Pino Grande, North Cable Tower Point, Slate Mountain Lookout, Slate Mountain Mine, and the Power House on Rock Creek Road, just to mention a few... but we may have to wait for a long spell of dry weather before some of these places can be reached safely. Meanwhile, we will do small, spontaneous hikes close to home.

If you wish to be notified about upcoming events, please send an email to li@california-gardens.com with Swansboro Hikers in the subject line and you'll get an invitation to join the group. Happy Hiking!

2013 Phone Books

by Sharon Hern

The new 2013 Phone Books are available for purchase at the Fire Station for \$5.

2013 Mosquito Phone Book Updates

Here's some changes to be made in your 2013 Phone Book. Page 24 in the 2013 Phone Book is for additional listings.

Attention Mosquito/Swansboro Shoppers

by Mary Ann Haywood

Now is the time to be thinking of your new spring/summer wardrobes. MVFA has T-Shirts in some new colors and of course, the old favorites, for purchase. I will be at all of the up-coming MVFA functions and/or you can call me at 622-5477 for a private showing.

Swansboro Hikers

by Li Vellinga

We have had a lot of interest in our newly formed hiking group! Many new members have signed up so that they can receive announcements of spontaneous and planned events via email notices (Yahoo! Groups). We've had several hikes in the neighborhood and in the National Forest already. If you want to receive notices and find out about the different hikes, please send an email to li@california-gardens.com and write Swansboro Hikers in the Subject line.

A special invitation to join the group will be emailed to you, with instructions on how to sign up. Once signed up, you will receive announcements on upcoming hikes and other outdoor activities. Anyone in the group can make announcements by email, so if you have ideas of fun places to go, please feel free to share.

I am looking forward to seeing you at some of the activities in the new year of 2013! The first planned event was a beautiful hike to Castle Rock in January! A spectacular place and definitely worth seeing. Please stay tuned in for other exciting

places that we plan to explore... or for walks that are announced on a very short notice, giving you the opportunity to be spontaneous and enjoy nice company while getting some fresh air.

News from the Café

by Frank Ethridge

We will be open our normal hours for Valentine's Day Thursday the 14th with our full Menu and some very special additional menu items.

Follow us on Facebook. If you send us your contact information, we'll put you on our email list. This way you will know the latest and greatest that is going on here at the Café.

Let us help you with any catering needs that you may have. You may reach us at 622-0210 or at fwethridge@gmail.com.

We wish to thank everyone for your support of the Café. We look forward to serving you during 2013.
From the Crew at the Café

Theme Night Dinners:

Wednesday- Family Night

Thursday- BBQ

Friday-Asian

Saturday- South of the Border

Sunday - German

Recipe of the Month

by Chef Frank

Mexican Coffee Pudding with Kahlúa Whipped Cream

Mexican coffee is spiked with Kahlúa, but in these simple puddings, the liqueur is on top, whipped into cream.

Ingredients

1/2 cup (packed) golden brown sugar

3 tablespoons cornstarch

3 tablespoons instant espresso powder

1/2 teaspoon ground cinnamon plus additional for sprinkling

2 cups whole milk

1 1/4 cups chilled heavy whipping cream, divided

1 tablespoon Kahlúa or other coffee-flavored liqueur

Preparation

Whisk first 3 ingredients and 1/2 teaspoon cinnamon in heavy medium saucepan. Whisk in milk and 1 cup cream. Bring to boil over medium-high heat, whisking constantly. Boil 1 minute, whisking constantly. Divide among 6 small bowls. Cover and chill until cold, about 4 hours.

Whisk 1/4 cup cream and Kahlúa in small bowl until peaks form. Spoon atop puddings; sprinkle with cinnamon.

Yield: Makes 6 servings

Active time: 20 minutes

Total time: 4 hours (includes chilling time)

Nutritional Information

Per serving: 319.7 Calories (kcal), 59.6 % calories from fat, 21.2 g fat, 13.0 saturated fat, 76.6 cholesterol, 28.9 carbohydrates, 0.2 dietary fiber, 22.9 g total sugars, 28.7 g net carbohydrates, 3.9 g protein

Household Hazardous Waste Collection Facility

El Dorado Disposal Material Recovery Facility
