November 2013, Volume 27 #2

PUBLISHED MONTHLY BY THE MOSQUITO VOLUNTEER FIRE ASSOCIATION

MOSQUITO FIRE BOARD APPOINTS INTERIM CHIEF

On September 12, 2013 at the regular board meeting, the Mosquito Fire Protection District Board of Directors appointed Captain Tom Stuart as interim chief. Tom enjoyed a long career in firefighting at Sac Metro Fire and, since retiring in 2007, has been an active member of the volunteer force in Mosquito.

On October 3, 2013, at the regular board meeting, the MFPD Board approved creation of a committee consisting of Directors Ken Joseph, Dick Rood, and Captain Leo Chaloux for the purpose of implementing procedures for the identification of qualifications, advertisement and hiring a permanent chief. While this process is fluid, our goal is to have a permanent chief in place by next Spring.

“The Bugle”

by Tom Stuart, Interim Chief

These cool and clear mornings signal that fall is upon us and the holidays are nearing. It is easy to let our guard down thinking that wildland season is over. Folks, I can assure that wildland season IS NOT OVER as Cal Fire maintains its seasonal staff and is still having fires in El Dorado and adjacent counties. Mosquito Fire recently had a ¼ acre fire on Mosquito Cutoff which could have been much worse had there not been a gravel road near the fire’s origin. The fire easily could have spread uphill and taken twenty acres or more. Luckily, your staff and volunteer firefighters were ready for the task and were able to quench the flames limiting any damage.

VOLUNTEER FIREFIGHTERS ARE NEEDED NOW. Your fire department is anticipating some retirements in the near future which necessitates a call for help. We cannot do it alone and we need able-bodied men and women to step up to the plate. For your sweat and hard work, we can give you a sense of accomplishment and membership into a dedicated community-minded team of individuals. Fire Academy rosters are now forming. Please sign up today.

Door yard burning is still suspended until we get a significant amount of rainfall. Citizens, please report any burning activities. If in doubt, give us a call. Last month a concerned citizen called the Mosquito station to report door yard burning when the station was unstaffed. To avoid unnecessary delay, please call the sheriff’s department non-emergency line which has a direct line to fire dispatch. I have included important numbers that you can clip and keep by your telephone.

Let’s be careful out there,
Chief Tom Stuart

Important Phone Numbers

Fire, Medical, Police Emergency	911
Mosquito Fire non-emergency	626-9017
All other non-emergency	621-6600
CA Highway Patrol non-emergency	622-1110
Burn Day Information	621-5897

ANNOUNCEMENT

Vacancy for the position of Mosquito
Fire Protection District (MFPD)
Director for the term of
December 12, 2013 – December 7, 2014

This is a volunteer position that will require a commitment to attend monthly meetings. The director will be appointed to fill the unexpired term noted above. All directors, which compose a five member board, have a vested interest to operate the business of the District to the best of his or her, ability and conscience.

If interested, please contact the District Secretary @ 626-9017 no later than 12:00pm, November 30, 2013.

This notice will be posted for 30 days at which time the Board of Directors will select and appoint the new director to complete the existing term of December 12, 2013 to December 7, 2014.

Mosquito Volunteer Fire Association
by Teresa Wren

I was over at Finnon Lake this week and noticed the tree by the spillway was cut down. This was on the Steering Committees things to do list at Finnon Lake. I understand Ralph Hern, Joe Lima, Tom Harris and Curtis Schleth got this task taken care of. Thank you all for time and commitment to helping the Finnon Lake project.

With the closing of the café, MVFA has had many inquires as to when we might have the restaurant open again. The MVFA Board has advertised the available business opportunity at the café and talked to several interested prospective tenants. The committee will bring their recommendation to the board at the November 7th MVFA meeting. We hope to have the restaurant reopened in January. In the mean time we are going to restart our BINGO night. The dates are November 13th and December 11th. Please see more in information in the BYTE.

I would like to thank Alyson Fox and Allison Moalli and all their helpers for organizing the Halloween Trunk-Or-Treat tailgate party this year. I'm hoping we have a great turnout to show the kids how much community sprit we have. See more info in the BYTE.

MVFA will have opening on the board this year. If you have an interest in the community activities and would like to be a part of the decision making on the board stop by and see the board in action. We meet once a month on the first Thursday at 7pm. The board is made up of Support Group, Firefighters and the Community at large.

See you at the next MVFA board meeting on November 7th at 7pm at the fire station.

SCPOA

by Kim Purcell Kirkpatrick

Our maintenance crew, Jonathan and Kevin, have been continuing their work at Bass Lake off Log Cabin Lane. They have most of the area cleared including easier access into the area and they have installed two wood benches. This is a really nice area that most members don't even know about so check it out if you have a chance. Please be considerate of the neighbors who surround it.

The aeration system has been installed at Dyer Lake. You'll see several small areas of bubbles which will help break up the material at the bottom of the lake and improve water quality. We waited till fall for the installation since the water level is lower and made the project a little easier.

We still have just over \$57,000 owed in dues by members, if you have not made arrangements already, please contact our secretary Lynda at 621-0309 to do so. We will continue the process of small claims court with those who don't pay and the extra expense is added to the amount owed. We're starting the process of putting a budget together for next year. At this point it looks like we may have to do a small increase in dues but we won't know for sure until we have our reserve study updated. We had a new study done this year but needed the correct measurements of the road work done in August for it to be accurate. We have just received this information and it will now be forwarded to our reserve company and incorporated into the study.

You may have noticed that many rocks have become loose on several portions of our road work from this year. Veerkamp Construction will be returning soon to sweep them again.

Thanks to our secretary, Lynda, tracking down what seemed impossible, she was finally able to get written confirmation that the property SCPOA obtained in a foreclosure has free title. A second letter was received from the attorney saying that they were owed \$293 to release the prior lien. The board agreed to pay this fee so we can proceed to sell the property.

Our next meeting will be Thursday, November 21st at the Fire Station starting at 6:00 PM. We will be making decisions on the budget and possible dues increases. We may also be having a budget meeting prior to this but the date has not been determined. Look for the sign at Mosquito and La Paz for the announcement of date.

Firewood for SCPOA Members

Our maintenance crew will be bringing wood from trees removed from the common areas to the shop and placing it by the pole on Sluice near Swansboro Road. This wood is available for members of SCPOA to cut up and take. We do ask that you be considerate and share with other members who may also need some and that it be for personal use.

Mosquito Road Complaints

At our most recent SCPOA meeting, members brought up the poor condition of several areas of Mosquito Road. Both Rock Creek and Mosquito Roads are maintained by the County Department of Transportation (DOT). It usually requires lots of complaints before they do any repairs. If you would like to see some improvements please give them a call and tell your friends and neighbors to do the same. DOT's main number is 621-5900 and maintenance is 642-4909

BINGO NIGHT RETURNS!

by "The Bingo Helpers"

Bingo returns at the restaurant - **November 13th at 7pm sharp**-Ten Dollars (\$10) buys you **3** BINGO cards for all of the games played during the evening. Half of the proceeds go to the Restaurant Fund and the other half is returned as cash prizes to the BINGO winners, so the more card packages sold, the larger the cash prizes.

The doors open at 6:00 for those who wish to purchase food. Hot Dogs (Polish or Beef), Chips, Sodas or Water will be available for \$3.50. Hope to see you there!

Next Bingo Night, December 11th, mark your calendars.

Local Book Now Available in Digital Format

By Jan Escamilla

Paul Hinds has written his experiences as the first paid MFPD Fire Chief during our 1979 fire which destroyed 5 structures and 7000 acres from Chili Bar up the American River Canyon, through Finnon Lake, and Crosier's Loop. Paul has included an 11" x 17" topographic map depicting specific areas involved. Also included are: a list of those on the scene, chronology of primitive MFPD fire equipment available in 1979, and more.

This book is now available **digitally** on **Amazon.com** for **\$9.99**. To order, just search for **The Chili Bar Fire, a Rural Chief's Recollection.**

There are a few hard copies available (signed and numbered) from the **LAST printed version** of this book for **\$20.00** at the **Placerville News Company** on Main Street.

Proceeds from the sale of this 90+ page book will be directed to the **MVFA**. For questions contact Jan Escamilla 621-4271

Crafts

by Sharon Hern

Our final Craft Sale will be held at the Cold Springs Community Church, 2600 Cold Springs Road on **Friday November 8th 9-5 and Saturday November 9th 9-3**. We have a variety of "Holiday" items for sale, both Fall and Christmas. We hope to see you there. We will resume our Craft Meetings in January.

Christmas Basket Recipients

by Sharon Hern

Over the years, MVFA has helped families in our community who have found themselves in a "less fortunate" position at Christmas Time. Traditionally, we have been able to provide the recipients with a full Christmas meal along with gifts for any children family members. So that we can begin our planning for 2013 we are asking for the community's help. If you know of someone in our community whom you think could use this kind of help please get the following information to us: Adult names, children's name and age, address and phone number. You can give the information to Sharon Hern (Christmas Basket Chairperson) 626-5268, or Teresa Wren (MVFA President) 622-3903. The information given is treated as "confidential".

Want to help by donating... This year MVFA is joining with the California Highway Patrol and their "Chips for Kids" toy drive. There will be a donation barrel at the Fire Station beginning November 1st for donations. Gifts for children should be unwrapped so they can be matched to the children's age and please don't forget our pre-teens and teenagers

MVFA is also asking for canned and boxed foods for the Christmas Baskets. Please remember opened boxes, outdated food and perishables cannot be accepted for donations. Donations may be dropped off at the Fire Station. Thank you in advance for your help and may you have a wonderful holiday.

Another Crime Alert!

by the Editor

A few weeks ago I received the following message from a community member who wishes to remain anonymous:

"On 09/26 around 3 pm a white male attempted to break into a residence on Lupin Lane near Mosquito Road. People inside the house heard and saw him trying to open a locked back door and when the guy realized people were home, he fled the property. He was seen getting into a white pick-up truck that quickly left the area. 911 was called and two Sherriff's deputies responded reasonably quickly. One interviewed the homeowners while the other drove around looking for the truck. Both hung around the area for a while after that. They filed a report and notified detectives who are already aware of the recent reports of copper thefts and suspicious-looking activity in the subdivision. Because of all this recent activity, deputies will be making increased patrols up here. Some time ago a very similar incident occurred with a similar truck in the same part of the subdivision. Please be on the lookout for any suspicious activity anywhere in the subdivision, especially during the day when a lot of homes are empty while people are at work/school, and report it immediately to the police."

I am also aware of a break-in that occurred in September in the area of Highgrade and Stope. That incident occurred during the day when the homeowners were at work and many electronic and valuable personal items were taken. **Let's all be aware and report suspicious activity!**

CHP NEEDS SENIOR VOLUNTEERS!

The California Highway Patrol's Placerville Area Office is looking for senior volunteers to assist in both administration and field activities. To qualify, you must be 55 or older, can work a minimum of 8 hours per month, pass background check, have a good driving record and complete the CHP Senior Volunteer Training Program.

If you're interested, contact Officer Quinn Cuthbertson at 530-622-1110 or email him at qcuthbertson@chp.ca.gov.

WANTED

ALL CA CRV ALUMINUM CANS, BEER BOTTLES AND PLASTIC WATER

BOTTLES. Please drop off bags from 8-5 at the Fire Station or call Sandi at 626-6248 for pick up service. Please consider this option when you organize your recycled materials. (Wine bottles don't have CRV!) This is a very important fund raiser for the Fire Department so MVFA
THANKS YOU!
