

MOSQUITO BYTE

MAY 2014, Volume 27 #9

PUBLISHED MONTHLY BY THE MOSQUITO VOLUNTEER FIRE ASSOCIATION

“THE BUGLE”

by Chief Tom Stuart

It's hard to believe it is already May. Seems like it was just Christmas!!!

It goes without saying that Fire Season is just around the corner and most of you should be in concert with having your homes properly prepped for the long, drought stricken summer which potentially may become quite interesting. You still have time to get your homes ready, however, few door yard burn days remain before fire danger is too high to allow such burning. Please don't wait to get your homes ready for fire season. Things you should be considering:

- ** Lean, clean and green zone” from structure to 30' or property line
- ** “Reduce fuel zone” 30 to 100' or to property line
- ** Cut dry grass to 6” or lower within 100' of structure
- ** Mow before 10:00 a.m. when air is more humid.
- ** Address visibility leading to your driveway; driveway must be accessible for emergency equipment.
- ** Lumber, wood piles kept well away from decks, buildings, propane tanks
- ** No dry vegetation within 10 feet of propane tanks
- ** Leaves and needles cleared from roof and gutters. No branches within 10' of chimney.

If anyone needs tips on creating defensible space around your home, you can stop by the Fire Station and pick up some handout information.

We also would be glad to send the firefighters to your home to point out areas of concern.

I clipped an article from the Sacramento Bee a few months ago which announced “Burn Awareness Week.” With the hopes of preventing some 350 burn and fire-related injuries occurring to our children and teens nationally **each day**, I will share some of the hot points.

- * Test smoke detectors regularly and replace batteries every six months. Smoke detectors should be replaced every 10 years.
- * Keep fire extinguishers close at hand in the kitchen. Cooking is a leading cause of fire in the home nationally each year. The minimum size recommended is 2A 10BC. This rating means that the extinguisher will work for common combustible, flammable liquid and electrical fires.
- * Keep pot handles turned away from the stove's front edge. Unsuspecting little hands can pull an unattended pan on top of themselves. Keep hot items toward the center of the table at meal time.
- * Never drink or carry hot liquids while carrying or holding a child.

On March 29 the Mosquito Fire Department held its annual Volunteer Appreciation Dinner. Captain Chris Johns and Norm Nester were awarded the 2013 Outstanding Volunteer Firefighter and Support Group Member respectively. Service awards were presented to Iris Saxon (20 years), Chris Johns (15 years), Lynda Lima (10 years), Jarrod Infante and Theresa Stuart (5 years). The evening began with a deliciously prepared meal: Chicken in Grand Marnier sauce, string beans wrapped in smoked bacon, orzo pilaf, Caesar salad and French bread. We are truly blessed to have such a great staff of

volunteers dedicated to the safety of our community. Thanks to all of our volunteers who are continuously "Making a Difference. Let's be careful out there!

**If not YOU, then WHO? Join the Volunteers.
Mosquito Fire 626-9017.**

MOSQUITO VOLUNTEER FIRE ASSN.

by Teresa Wren

If you've jogged or walked around Finnon Lake lately you've noticed a huge improvement on the road. Joe Lima and Tom Harris have spent their spare time working on improving the south fire road. They graded the road attempting to make two lanes and worked on improving the drainage. They also filled in the large separation in the ground in the very back of Finnon Lake that has had a yellow tape surrounding it for some time. I understand they also sprayed for poison oak along the fire road. The grooming of the fire road will make it much safer for the fire department in an emergency. Thank you Joe Lima and Tom Harris for the work you have done improving Finnon Lake.

Construction has also been going on at the other side of the dam with the foundation being poured for the new bridge at Finnon Lake. The bridge is scheduled to arrive soon and be completed by May 6th. Ralph Hern has spent many hours preparing for the arrival of the bridge and coordinating the work for the installation. Having this part of the construction completed gives us the opportunity to prepare for the opening of the camp grounds. Thank you Ralph and those who have worked with you for assisting in finishing this project.

Upcoming events:

Cinco de Mayo at the Mosquito Fire Station on Saturday, May 3rd

MVFA's annual yard sale is set for June 7th, at the Mosquito Fire Station parking lot.

Our Community Picnic on Saturday, June 14th at Dyer Lake.

You're welcome to join us at our next MVFA Board Meeting on Thursday, May 2nd, 7pm at the Fire Station.

Driver Safety Class

by Ralph Hern

Want to get a discount on your automobile insurance? Want to refresh your knowledge of the "rules of the road"? Want to learn what's new at DMV in 2013? If your answer is "YES" to any of these questions and you are age 50 or older, an upcoming "AARP Driver Safety" class is just for you. To accommodate those who work during the week, this one day, 8 hour class will be offered on Saturday, September 21st (8:30 am to 5:30 pm) at the **Mosquito Fire Station**. There's **NO TESTING** and a DMV certificate of completion is issued if you participate in all 8 hours of the class. There is a \$12 class fee for AARP members and a \$14 fee for non-members. **Pre-registration, with payment, is required.** Call Sharon or Ralph at 626-5268 for additional information or to reserve your spot.

MOSQUITO GENERAL MARKET AND KITCHEN

Wednesday and Thursday: 10:00 am-7:00 pm
Friday: 10:00 am-8:00pm
Saturday and Sunday: 10:00am-7:00pm
Monday and Tuesday: CLOSED

530-295-4980 or mosquitogeneral@live.com

CINCO DE MAYO PARTY, May 3rd

by Darcy Krieger

Hola mis amigos! It's time to celebrate Cinco de Mayo. and MVFA will be sponsoring a Cinco de Mayo fiesta/dinner on Saturday, May 3rd, 2014, 6:00 p.m. at the Fire Station. The menu will include chicken enchiladas with red chile sauce, beef tacos with toppings, charro beans, Mexican rice, and cake for dessert. Lemonade, coffee and water will also be served. The donation asked for is \$10 for adults and \$4 for kids under 12. If your schedule doesn't allow you to hang out, no worries, takeout will be available. As always, we will have a wonderful selection of raffle items; cost for raffle tickets is \$1 each. Hope to see you there!

SCPOA

by Kim Purcell Kirkpatrick

Thank you to those who attended our April meeting. We had lots of good discussion on several subjects, at least one of which will result in continued discussion through the year.

One issue that the board addressed this month was that of property mergers and how such mergers have affected our finances. In the past, Swansboro property owners have been allowed to merge properties in order to pay only one assessment. This has decreased the number of parcels paying over time and has had a negative effect on our finances. One of our new board members started looking into this and asking questions. It turns out, per our attorneys review, that our documents are written in such a way that this should never have been allowed so our attorney drew up a resolution to take corrective action. He looked at the effect over just the past five years of merged properties paying only one assessment and it is significant. Just last year it added an additional \$41.53 to each assessment and in the last five years \$191.29 per person. The board unanimously approved a resolution that takes effect immediately prohibiting any further mergers. It allows those that have not completed lot line adjustments the ability to do so by December 1st of this year and goes back to applying one assessment on each individual lot, even when merged, when a property changes hands. Ultimately, over time this will bring us back to the original number of assessments and make forecasting future income more stable.

The board is going to start tackling the process of addressing our outdated DC&R's. Our attorney has been indicating a need for changes and we believe we should start the process now. A huge advantage to doing this will be to have only one set of covenants throughout the community and to make updates and changes that allow the association to be more efficient. The board will start this process by putting together a survey for the June packet asking for suggestions and ideas of changes to be made. This process will take at least a year and lots of feedback. Participation by a significant percentage of the community will be needed. This is a big project but has such great potential to make many positive improvements.

We also talked about the procedure to be followed when member want to have large private gatherings in common areas, especially Dyer Lake. It was decided that anyone wishing to have a planned event will contact our secretary, Lynda, to reserve the date. She can then inform them of what they will need to do, including trash pickup and insurance requirements. Lynda will also inform them they will need to attend a board meeting to propose their idea and gain permission. Anyone wishing to have an event that will use the common area beyond it's use hours, dawn to dusk, will need to come to the board for permission as well as get permission from surrounding neighbors for their event. Information outlining what is needed for events will also be

mailed out in the June packet.

Our maintenance crew, Jonathan and Kevin, have completed the repairs to the women's bathroom at Dyer and it is again open. Please treat our facilities as if they were your own since they are. If you see a problem or someone doing damage, don't hesitate to intervene if that can be accomplished safely. Otherwise, contact the Sheriff's Department.

Our next meeting will be Thursday May 15th at 6:00 PM at the Fire Station.

CARDBOARD BOAT RACE!

By Debbie Rood

Mountain Fellowship would like to announce the return of the CARDBOARD BOAT RACE. This year we are happy to be joining the MVFA at the community picnic! The date is Saturday June 14th at Dyer Lake. The picnic starts at 11am and the boat race will begin at 2:00pm. Please come join us in supporting our wonderful community and enjoy a fun filled day that is sure to bring a lot of laughs!

We will be holding 3 races this year. One will be for Elementary School kids, one will be for the Middle School kids and the other will be open to whoever wants to participate. The rules for all races will be the same and are as follows:

1. Boats and oars are to be constructed of cardboard and duct tape **ONLY**.
2. 2 people per boat riding **inside**. No Rafts, the boat must have sides.
3. Boats built for the Middle School race must be built by the kids. Any boat that is obviously built by adults will be disqualified.
4. Boats may be decorated with paint.
5. **NO rude or obscene markings on boats. This is a family event.**
6. Boats and teams must be complete and on the starting line at 2:00 pm in order to race.
7. Both team members and boats must cross the finish line in order to win a prize.
8. **Life jackets are required, you will not be allowed to race without one.**

If you would like to donate duct tape / need duct tape or if you have any questions call Debbie at 642-0695.

FINNON LAKE OPENING:

by Dave Angelo

The opening date for **fishing** on Finnon Lake has been changed, tentatively, to May 23rd due to the many necessary work projects at the dam and surrounding area. If all the projects are completed as scheduled there will be no further postponements. Thank you for patience.

EASTER EGG HUNT

by Sandi Brauns

We want to thank parents and children who came out to our annual Easter Egg Hunt. The Easter Bunny hid a lots of eggs and bags of candy and the children appeared to have a great time finding them. A big thank you goes out to the community who donated all the candy. Without the cooperation of many community volunteers this would have been impossible to pull off, so a big thank you to all that helped!

ATTENTION MOSQUITO/SWANSBORO SHOPPERS

By: Mary Ann Haywood

Now is the time to be thinking about your spring/summer wardrobes. MVFA has T-shirts and hooded zip sweatshirts/jackets for sale. I will be ordering in mid-May to stock up on some new colors and, of course, the old favorites. If you have a special request for colors and/or size, give me a call at 622-5477. We also have stock of some nice colors from which you might choose. I'm just a phone call away.

Cell Phone: Emergency Calls

by Teresa Wren

Many people have been giving up their traditional "home" phone service in favor of using their cell phones exclusively. If that has been your decision, please be aware: Emergency calls from cell phones get routed to Sacramento and then transferred to El Dorado County, possibly using up valuable response time. As an alternative, when making a call by **cell phone** to El Dorado County Sheriff's Dispatch in an **emergency** you can dial **626-4911**. You must dial the whole number. This is for emergencies only if you are using your **cell phone**. If you have a traditional land line, you will still want to call **911** for emergencies.

2013 Mosquito Phone Book Updates

by Sharon Hern

If you are listed in the 2013 Mosquito Phone Book and have changed your phone number or address, please let me know so that the Phone Book and Phone Tree Calling List can be updated. You can call me at 626-5268 or email to sahern@exede.net.

Here are some changes to be made in your 2013 Phone Book. Page 24 in the 2013 Phone Book is for additional listings.

4th Annual MVFA Community Rummage Sale

by Tom Harris

For donations, or to reserve a table and booth, contact Tom Harris at 642-2333 or email at twin@internet49.com. Thank you for your support of MVFA.

The Mosquito Volunteer Fire Association (MVFA) will host a community sale on June 7, 2014 at the Mosquito Fire Station Parking Lot. Booth spaces are on sale for \$20. Spaces are large enough for a provided table plus any additional tables supplied by vendors. Community artists and crafters are also invited.

Lunch will be served at 11:00 am - Hot Dogs, Chips and a soft drink for \$3.00.

The MVFA booth will accept donated, sellable items (not junk), and proceeds will benefit Finnon Lake Recreation Area. Any unsold items will be donated to Snowline Hospice.

**Part-time heroes needed...
Full time rewards!
Mosquito Fire 626-9017.**

COMMUNITY PICNIC JUNE 14TH

by Tom Harris

Our MVFA Community Picnic will be held on Saturday, June 14th at Dyer Lake. There will be food and drink, raffle prizes, and lots of fun. This event will benefit the Mosquito Volunteer Fire Association.

As in past years, we are asking for donations of raffle prizes. The Raffle is a good opportunity for local artists and crafters to donate a sample of their work, and for local business people to donate their services so the community learns who they are.

Please set aside this date and join your neighbors for a good time!

PILOT'S ASSOCIATION SCHOLARSHIP

by Kim Purcell Kirkpatrick

The Swansboro Pilots Association is again offering Swansboro/Mosquito high school seniors a chance to compete for a college scholarship. If you live in our community and are a high school senior going on to college next fall, you can apply for the scholarship.

To apply send at least a one-page, double-spaced, typed essay (*postmarked no later than 6/30/11*) that states: who you are including any community service or projects you have done, what college you plan to attend, your life plans, why you should receive our scholarship and how it will help you as well as your grade point average. Please include your address, phone number, and e-mail address if you have one. Send your essay to: Pilots Association, 2724 Swansboro Road, Placerville, CA 95667.

HOUSEHOLD HAZARDOUS WASTE COLLECTION FACILITY

Location: El Dorado Disposal Material Recovery Facility
4100 Throwita Way, Placerville, 95667

Times: ONLY Fridays and Saturdays 9am-4pm

Household items that will be accepted include: paint, brake fluid, adhesives/sealants, batteries, floor/furniture cleaners, anti-freeze, solvents/thinners, pesticides/herbicides, aerosols and photo chemicals.

Maximum limit of containers is 15 gallons of any liquid material. For further information, call 295-2800.

WANTED!!!

ALL CA CRV ALUMINUM CANS, BEER
BOTTLES AND PLASTIC WATER
BOTTLES.

Please drop off bags from 8-5 at the Fire Station
or call Sandi at 626-6248
for pick up service. Please consider this option
when you organize your recycled materials. (Wine
bottles don't have CRV! We can't use them)

**This is a very important fund raiser for
the Finnon Lake Campground, so
MVFA
THANKS YOU!**

FIREHOUSE CRAFTERS

by Sharon Hern

ATTENTION LADIES –

If you are a crafter or just one of us who can do simple (?) cut, paste/glue, paint, etc. jobs, you are encouraged to come join us at our Craft Meeting. There is the fun of learning new crafts, meeting new friends, coffee, goodies and, of course, table talk. The proceeds of our Craft Sales are used to help with items needed by our Fire Department.

Our next meeting is May 23rd (see time and location below) and we will be in full Crafting mode working on Summer projects for our next Craft Sale at the Community Picnic in June.

Our craft meetings are generally held on the 4th Friday of each month from **10AM to 12Noon** at the home of Darlene Rood, 2211 Swansboro Road. Hope to see you on the **23rd of May.**

FINNON DAM RESTORATION PROJECT

by Neil Matheny

Last March, after we demolished the old bridge over the spillway in January, I put this in the Byte, "The bridge contractors inspected the area and designed the bridge abutments, which should be poured fairly soon (weather permitting)." Welllll, fairly soon is different if you are a Mayfly (one day life span) or a Galapagos Tortoise (177 years life span). For Finnon, fairly soon is about 2 months. The bridge abutments were finally excavated and framed and should be poured by April 21.

Bridge installation should follow within a few days. However, we still won't be able to use the road because the bridge is about 3 feet higher than the dam and we have to wait for a contractor to build the ramp. Please do not attempt to drive across the dam without checking first.

We are still optimistic that access to the campground will be completed before the Memorial Day weekend. However Joe Lima and Tom Harris were busy this month grading roads and filling washouts so the fire access road around the south side of the lake can be used temporarily.

Plans have been completed to "pave" the café parking lot with aggregate base (AB). AB is a good under-lay for future paving.

MVFA still relies heavily on the community for support. Before May 23, we will have a campground clean-up day. Tasks include mowing the weeds, picking up pinecones, twigs, etc and just making the grounds more pleasant. We will begin at 8:00 AM and go to noon. Lunch will be provided. Come out any time to help. Information will be posted at both ends of Mosquito Cut-off Road.

NEIGHBORHOOD WATCH!

A new neighborhood watch program is starting in Mosquito/Swansboro! For more information, please call or text Karen Pullin's cell phone at 209-765-8640.

The *MOSQUITO BYTE* is available by subscription and is mailed first class to subscribers. Cost of subscription is **\$15.00 per year** with 2 years as the maximum period for Byte subscriptions beyond one year. Please make check payable to **MVFA** and mail to 9009 Orval Beckett Ct., Placerville, CA, 95667-9040. Deadline for news and advertising is the 19th of the each month.

ADVERTISING POLICY

There is no charge to our subscribers for advertising in the Mosquito Byte, however ads must be limited to 7 column lines maximum. Deadline for advertising is the 19th of each month. Please note, items for placement in the Classified Section will be accepted **via email** at byteeditor@gmail.com or in writing and mailed to: MVFA at 9009 Orval Beckett Court, Placerville CA 95667-9040. Ads in the "Free", "For Sale" and "Wanted" category will run for **three months** unless you call to say the item is no longer available, or that you want the ad extended.

You can reach Editor Candy Lupient at 344-0897 or at byteeditor@gmail.com. The editors reserve the right to edit, limit or refuse any article submitted for publication in the *Mosquito Byte*. The Mosquito Volunteer Fire Association accepts ads from subscribers without endorsement.
