

# MOSQUITO BYTE

**AUGUST 2014, Volume 27 #12**

**PUBLISHED MONTHLY BY THE MOSQUITO VOLUNTEER FIRE ASSOCIATION**

---

## **CHIEF'S CORNER**

by Station 75

You might have noticed some new faces around the Station lately. That's because we received funding from El Dorado County to add one additional firefighter and a part-time Firefighter / Apparatus, and Mechanic position to our staff. If you're in the vicinity of the Station, stop by and meet Firefighter Todd Spivey and Firefighter/Mechanic Wade Martini. (While you are there you can say Hi to Chris, Mary and Crosby too.)

Speaking of our staff, you may want to know what they and our outstanding volunteers have been doing this summer. Well, in the last two months we have responded to 4 medical aids, 2 public assists, 1 serpent removal, 3 vehicle accidents and 2 smoke checks.

Notice anything missing from that call list? That's right, there are no FIRES! Thus far YOU have been awesome in your diligence in preventing fires in our community. **KEEP UP THE GOOD WORK BECAUSE WE AREN'T OUT OF THE WOODS YET!**

The hot, dry months of August and September are still to come so here are a few things for you to keep in mind:

1. The hot, dry, and windy weather that we have been experiencing are perfect conditions for a fire originating from a spark from a mower blade striking a rock or other object. **Don't mow during the heat of the day!** Mow before 10:00 AM or after 7:00 PM.

2. When you do mow, keep the mower's exhaust system and spark arrester in proper working order and free of carbon buildup. Use the recommended grade of fuel and don't top off.

3. Before mowing check the area for rocks and other debris. Humans (you, kids or neighbors) as well as dogs or deer could accidentally kick a rock into an area that you thought was free of debris when you mowed there before.

4. Remember that spark arresters are required on all portable, gasoline equipment. (Tractors, chain saws, & mowers are all included in this requirement!)

5. And lastly, keep a shovel and water hose at the ready.

Be diligent and stay safe!

## **MOSQUITO VOLUNTEER FIRE ASSN.**

by Teresa Wren

It's great to see people using Finnon Recreation Area. The water level is not what we had hoped it would be due to evaporation caused by high temperatures. EID is continuing to add water to the lake on weekends. Camping revenue is improving with large groups reserving the campground for an entire weekend. I think it's a wonderful place to have a family reunion, wedding or an evening out of the house. We have had a great increase in fishing, thanks in part to the fishing contest sponsored by Mosquito General. Thank you, Dawn and Gus, for helping the community and getting people interested in fishing at Finnon. We all need to remember that it is catch and release at all times at Finnon Lake.

(MVFA by Teresa Wren, cont.)

If you have been down to Finnon Recreation Area, you can't miss the new parking lot. The parking lot improvements were needed as a result of our insurance company coverage requirements. MVFA is very appreciative of the Firehouse Crafters for their generous donation of \$1,500 for the parking lot project. The Firehouse Crafters is a group of women on the hill that gets together once a month to make crafts to sell at different events. The crafters pay for all the materials themselves, create unique items, then donate the money they make for the benefit of the community. Again, I would like to thank each and every crafter for their generosity to our community.

We have also received other cash donations for the parking lot from community members and I would like to thank them for their generosity. Speaking of thanking people I was told I missed a few people in my last article and I'm sorry about that. Belated thanks to Ed and Linda O'Neill, Dee Harris, and Gary Johnson. Thank you all, as every donation helps.

I missed the first Trading Post event but I heard everyone had a great time. I understand the next event is July 26<sup>th</sup>, from 8am to 10am at the Mosquito General pavilion. You might stop by and see what they have to barter.

MVFA's next event is our Spaghetti Feed on Saturday, September 13<sup>th</sup> at the fire station. (see more information in the BYTE)

See you at the next MVFA meeting at the fire station on August 7<sup>th</sup> at 7pm.

**Want to Advertise in the Mosquito Phone Book?** You can have your business card printed in the advertising section of the phone book for a fee of \$5.00. If you are interested please send your business card and a \$5 check to: MVFA Phone Book, 9009 Orval Beckett Court, Placerville, CA 95667-9040. Need to receive it by **October 1<sup>st</sup>** to be included! If you have any questions, please contact me at 626-5268.

## SCPOA

by Kim Purcell Kirkpatrick

Our maintenance crew has been taking advantage of the warm weather to get some pothole patching done as well as the usual last bit of mowing and cutting weeds.

We currently have 85 owners who have not paid their assessments this year. We have started the first round of small claims court actions against those who are furthest behind and have not made an effort to arrange payments. If you have not paid, please contact our secretary, Lynda Lima, at 621-0309 to make arrangements and avoid the extra costs of small claims court.

We have had a couple of complaints about properties with illegal structures. The complaints are being turned over to the El Dorado County Building Department and Code Enforcement. The SCPOA Board of Directors will try to work with the property owner when possible.

The association owns a property on Nuggett Court. We thought we had negotiated a deal to sell it, but so far that sale has not gone through. The board will again list this property for \$19,000. If anyone is interested, please contact Lynda Lima at 621-0309.

Our next meeting will be August 21st starting at 6:00 PM at the Fire Station.

## "2015" Mosquito Phone Book

by Sharon Hern

The Mosquito Phone Book is reprinted every 2 years and now the **2015 Phone Book** is being compiled. The phone book will be printed in November and available for purchase in early January 2015. This phone book is for only those residents living in the Mosquito/Swansboro area.

## Want to be listed in the Mosquito Phone Book?

If you are in the current 2014 Phone Book you'll be in the new one. **BUT**, any additions, corrections or other changes must be received by **October 1<sup>st</sup>**. Many have changed from land line phones to cell phones. Please check the phone number that is listed for you in the 2014 Phone Book to be sure that it is correct. Any telephone numbers currently listed in the Phone Book that are disconnected will be removed from the 2015 Phone Book.

(Mosquito Phone Book, continued)

To add your name and telephone number to the Mosquito Phone Book or to change your listing in any way, please contact me at 626-5268 or mail your listing or corrections to: MVFA Phone Book, 9009 Orval Beckett Court, Placerville, CA 95667.

### **A Special Request and Thank You**

by the MVFA Board of Directors

In May, the MVFA Board asked for donations to help pay for the cost of paving the parking lot of the Mosquito General Store and Deli Cafe. Of the total cost of \$17,089 to pave the parking lot, the **Firehouse Crafters** organization donated \$1,500 for the project as a benefit to the community. Because MVFA is totally self-supportive, we must rely on donations, fund-raiser events and fees from Finnon Lake Recreation Area. MVFA receives no taxpayer funds, nor any funds from SCPOA, and all of the money we raise for Finnon Lake is used to improve the site. We sincerely thank the Firehouse Crafters for their generous donation.

As you know, the grant money used to install the bridge and pave the road to the dam could not be used for the parking lot. With a deficit of \$5,982 remaining, MVFA decided to borrow this amount and do the work while the contractor's equipment was here for the dam road, saving us a significant amount. Now, our goal is to raise \$5,982 to pay back the money we borrowed. We are very pleased to announce that we have so far received \$1,810 in donations for this purpose, and are thankful to all who donated so far.

If you would like to make a donation for the parking lot project, please send your check with a note specifying so to MVFA, 9009 Orval Beckett Ct., Placerville 95667. MVFA is a 501(c)(3) non-profit organization. Donations may be tax deductible, and a letter specifying the donation amount will be provided to you.

Thank you for supporting the parking lot project, the MVFA and Finnon Lake Recreation Area.

**In Memory of

Beloved Husband, Father, Grandfather and Great-  
Grandfather  
8-12-1936 to 2-16-2014**

### **First Trading Post a Success!**

by Joyce Radmanovich

The Mosquito Trading Post is an opportunity for our community to come together and share its bounty. At the first get together on June 29, 60 -70 people showed up outside the Mosquito General Market and Kitchen to give away, trade, barter or accept donations for baked items, herbs, plants, soaps, bratwurst sandwiches (yum!), and other goods. We were entertained by one of our local troubadours, Mark Hanson.

As much fun as that was, at our next get together on Saturday, July 26 (which will have occurred prior to your reading this), some of our local fruit and vegetable growers will bring their produce to market. Be sure to put the following dates on your calendars so as to avail yourselves of the opportunity to schmooze with neighbors while gathering some fresh and local grown food for the coming week. And while you are at it, have a bratwurst or a piece of apple cake and a cup of coffee! You can also pick up some laundry soap, seedlings for your garden, a tree for your front yard, or herbs.

Here are the dates for the remainder of the summer and fall. Note they are all Sundays from 8-10 in the morning (too hot after that) and are held in the gazebo and sitting area outside the Mosquito General Market and Kitchen:

August 10 and 24  
September 7 and 21  
October 5 and 19  
November 2

We also want to thank Gus and Dawn from the Mosquito General Market and Kitchen who have provided us with the space to hold our event. Their generosity (as well as their sandwiches, and, oh my goodness, spectacular pies) help make our community the special place it is. If you have any questions about guidelines for participation or any other issue please contact Joyce Radmanovich or Vicki DeKay at (530) 626 - 7062.

We hope you will join in this effort to enhance our sharing and caring community spirit! See you on Sunday, August 10.

## Swansboro Aircraft Display

by Kim Purcell

Our airport has a variety of interesting, older and unusual aircraft housed in their hangars. These aircraft will be out for public display this month August 15, 16 and 17 from 10:00 AM until 2:00 PM each day. Come out and look but please be respectful and don't touch! Also, please be sure to remain clear of our active runway. If you have any questions you can contact Kim at 621-1049

## Firehouse Crafters

by Sharon Hern

The proceeds of our craft sales are used to help with items needed by our Fire Department. **Our next meeting is August 22<sup>nd</sup>** (see time and location below). We will be in full crafting mode working on Fall projects for our next Craft Sale in November.

Our craft meetings are generally held on the 4<sup>th</sup> Friday of each month from **10AM to 12Noon** at the home of Darlene Rood, 2211 Swansboro Road. Hope to see you on the **22<sup>nd</sup> of August**.

## EARLY REMINDER FOR THE ANNUAL SPAGHETTI DINNER

by: Chef Pesto Meatbolli (aka) Dave Angelo and Mary Ann Haywood)

Mark your calendars for Saturday, September 13th for the annual Spaghetti Dinner Fund Raiser. Come one, come all for good food, good raffles and good friends and neighbors.

Also, start thinking about donating some thing for the raffle. You can always call 622-5477 for pick up.

Last, but not least, our own Vicki DeKay will be at the Fire Station giving us our annual flu shots.

More information will be in the September Byte. Any questions feel free to call me at 622-5477.

## Keep it With You!

by Barbara Beacham

Have you noticed all the garbage on the shoulders of the road as you drive to town or from town back up the hill? Have you noticed this on both Mosquito Road and Rock Creek Road? Have you seen a sign on the road that says "Adopt-A-Road?" No? Most of us moved up here for the quiet beauty, the lovely forests, and the pristine wonder of this area. It is disturbing to see on any given day the number of McDonald's bags and cups along the road. Let us not forget to mention the number of beer bottles and cans, and stray plastic grocery bags.

Would you find it disturbing to discover as you pull into your driveway that someone has thrown a bag of this garbage, just the same as what we see on Mosquito Road and Rock Creek Road, as you arrive home after a hard day? Littering on our roadways is just the same as having someone litter in our own front yard. Our roadways are our front yard!

What can we do? The first thing that we can do is keep the garbage in our cars until we reach our destination. There will be a garbage can available at either end. Have you noticed the beer bottles and cans? Are you drinking and driving? First, this is a violation of the state law. Second, it is a violation of the littering law. Finally, as twisting and curvy and full of blind corners as our roads are, they should not be driven while under the influence. Wait until you get to your destination before drinking, and once there, do not drive after drinking.

Are you a smoker? If you are, we have the worst drought in the area that we have had for years. The lack of water over this last winter and the winter past, has left all the brush and trees in a state of distress. One toss of a butt will ignite our entire area, and you will be responsible for the costs of putting the fire out and the cost of replacing all the homes destroyed. Using an ash tray in your car is much cheaper.

Let each of us do our part! Please keep your garbage and toss it when you get to your destination. Do not drink and drive, and please, please, please: Use your ashtrays!

## MOSQUITO TRADING POST

Share, Trade, Barter or Donate toward:

\*vegetables \*baked goods \*eggs \*herbs  
\*fruit \*arts and crafts \*sausages \*flowers  
\*home and garden services

call: 626-7062 for information or to  
reserve a space for yourself!

Summer/Fall Schedule

**August 10**  
**August 24**  
**September 7**  
**September 21**  
**October 5**  
**October 19**  
**November 2**

All Trading Posts are held outside the Mosquito  
General Market and Kitchen  
From 8:00 a.m. to 10:00 a.m.  
Come and Enjoy!

## MOSQUITO GENERAL MARKET AND KITCHEN

Cost of subscription is **\$15.00 per year** with 2 years as the maximum period for Byte subscriptions beyond one year. Please make check payable to **MVFA** and mail to 9009 Orval Beckett Ct., Placerville, CA, 95667-9040. Deadline for news and advertising is the 19<sup>th</sup> of the each month.

#### **ADVERTISING POLICY**

There is no charge to our subscribers for advertising in the Mosquito Byte, however ads must be limited to 7 column lines maximum. Deadline for advertising is the 19<sup>th</sup> of each month. Please note, items for placement in the Classified Section will be accepted **via email** at [byteeditor@gmail.com](mailto:byteeditor@gmail.com) or in writing and mailed to: MVFA at 9009 Orval Beckett Court, Placerville CA 95667-9040. Ads in the "Free", "For Sale" and "Wanted" category will run for **three months** unless you call to say the item is no longer available, or that you want the ad extended.

You can reach Editor Candy Lupient at 344-0897 or at [byteeditor@gmail.com](mailto:byteeditor@gmail.com). The editors reserve the right to edit, limit or refuse any article submitted for publication in the *Mosquito Byte*. The Mosquito Volunteer Fire Association accepts ads from subscribers without endorsement.
