Help Us Help You

By **Mike Hazlett**, Mosquito FPD Fire Chief

With fire season clearly upon us, the Mosquito FPD urges you to re-evaluate the visibility of your house address. Is it clearly posted so it can be seen by emergency personnel when they are responding to a medical aid or fire call? If not, this could waste valuable time which may save your life, the lives of your loved ones, or your property.

Some considerations for visible addresses:

- Numbers shall be of a size not less than four inches in height, except on mailboxes. Mailbox numbers shall be of a size which are readable from a distance of five feet and displayed on a contrasting background.
- It is helpful if your address is visible from either direction of travel.
- Metallic reflective number signs are easy to locate at night.
- All such numbers should be placed in a horizontal manner so as to be easily visible and legible from the road. When the house is a substantial distance from a road, numbers shall be placed on a mailbox or post in a horizontal manner in a location where the driveway access meets with the road.

Another important note is to ensure your address numbers are consecutive along the street. If they are not, Karen Hyder from the County Surveyor's Offices can help you with corrections to your address number. She can be reached at (530) 621-5121.

This is not only the smart thing to do; it complies with El Dorado County Ordinance Code Section

MFPD

By **Ken Joseph**, Mosquito Fire Protection District Board of Directors, President

There are a few items of interest from the MFPD board. Directors Foley and Hoffman resigned after the June 20th meeting. We would like to thank them both for their contributions and efforts to the district and community as MFPD Directors.

In July, the board announced the vacancies and received letters of interest from four individuals, each offering qualities that would benefit the district as well as expressing interest in running in the next general election. After meeting with each candidate, Karen Pullin and Kip Pesterfield were selected to fill the vacancies of the MFPD board until the next general election which will be held in November 2016.

At the May 20th MFPD Board meeting, Roger Stenbock read a four page questionnaire referring to the agenda item requesting a board resolution to acknowledge and support the Mosquito Station 75 Fire-Fighter Association (MS75A). In order to properly review the questions and address any concerns, the board tabled the MS75A agenda items until a future date. These questions and responses can be found at <http://www.mfpd.us/response.html>. If you have questions or concerns, I can be emailed at kjoseph@mfpd.us.

The next MFPD Board meeting will be Thursday, September 10th at 7 p.m. at the Fire Station. You are welcome to attend!

Mosquito Volunteer Fire Association (MVFA)

By Darcy Krieger

What a hot summer we've had! I think everyone will breathe a sigh of relief when we get some rainy weather. I know I will.

We're excited about the response to our bingo events and will be continuing it. Yay! We expect to continue holding it on the 4th Friday of every month. We are even starting to discuss the need to expand the venue at some point due to the great attendance. Join us on **Friday, September 25th**, 7 p.m., at Mosquito General. Look for more info as we get closer to the date, including what the dinner special will be at Mosquito General prior to the games.

MVFA is hard at work preparing for our next event, our annual Spaghetti Feed. Please join us on **Saturday, September 26th**, at 6 p.m., for some scrumptious pasta, meatballs, sausage, pesto and marinara sauces, salad, garlic bread and dessert. Requested donation is \$10.00 for adults and \$4.00 for kids over 4. We will also be holding a raffle with tickets only \$1.00 each. MVFA is currently seeking donations for our raffle (see article by Clay). If you would like to make a raffle donation, please contact Mary Ann Haywood or Clay Heironimus. MVFA will also have copies of our amended bylaws and will be holding a vote on the new bylaws the same evening. If you'd like a copy in advance of the Spaghetti Feed, please let me know.

On **Saturday, October 31st**, MVFA will be holding our Trunk 'r' Treat event at the Fannon Lake Campground. This provides a safe place for kids in Mosquito to do their trick-or-treating. If you'd like to participate, please bring your vehicle - decorated if you'd like - to the campground along with the candy you'd like to give out. Kids will go from car to car for their trick-or-treating. We'll also have prizes for the best decorated trunks! More details will follow as we have them. It's always lots of fun for the kids AND the adults.

The next MVFA Board meeting will be September 3rd at 7 p.m. at Mosquito General. We hope to see you there!

SCPOA

By Connell Persico

We are proud to announce we have retained the Management Trust – Kocal Division as our property managers. Our manager will be Judy Ruehl. We will begin negotiating the contract immediately and transition all the records. Once all that is in place, SCPOA members will receive an introductory packet of information with all you will need to know about contacts and procedures. We expect to have a welcome discussion with our new support team at our September meeting. Special thanks go out to Karen Pullin, who stepped into the void and graciously recorded and transcribed our meeting minutes over the past several months. She is a problem solver willing to take on any task for the improvement of the community. Thanks, Karen.

We are also excited to have Heather Loyola join the Board as a director and look forward to benefitting from her wisdom and hard work. Her term will expire in February 2016, and, should she wish to continue, will stand for election this winter.

By the time you read this, the road project should be completed. We made a substantial dent in improving the substandard roads. We hope and expect to be able to finish the remaining roads next summer. Thanks to all of you for your patience with the process, to my Board colleagues for their efforts, to past Board members for their foresight to build the substantial reserves necessary to fund this year's project. Finally, thanks to Kevin and Jonathan who prep the roads and check the work. They also argue with passion and common sense so that we do all the roads as well as we can.

In the next month, we hope to get back to developing a plan for improving the common areas. This includes the lakes and trails that are within the subdivision. If interested, look for the notice of the Common Area Committee meeting where we can join together and flesh out desired upgrades.

And please remember to maintain defensible space around your property, and practice fire safety measures. We have dodged some small bullets this summer, and let's keep it that way.

The next SCPOA meeting is Thursday, September 17th at 7 p.m. at the Fire Station.

SPAGHETTI DINNER FUNDRAISER

By **Chef Man-ar-dee**

If you want to experience a taste of "Old Italy" ...then come to the Fire Station on **September 26th** and take part in MVFA's annual Spaghetti Dinner. The dinner begins at 6 p.m. and will continue until the spaghetti runs out!. "Master Chef Man-ar-dee" and crew will provide for you an unforgettable meal of spaghetti topped with your choice of a masterfully prepared red, white or pesto sauce, topped with meatballs OR Italian sausage. The meal will also include salad, bread, and dessert. Coffee and lemonade will be available at no charge. You can get **ORDERS TO GO** too!

The recommended donation for this event is \$10.00 for adults and \$4.00 for children ages 12 and under. ALSO, we will have a raffle (see Clay's article below). The first \$500 of the proceeds will be used to fund our annual Community Christmas Dinner, which is **FREE** to all community members.

SO MARK YOUR CALENDARS -- SEPTEMBER 26th, 6 p.m.

RAFFLE!!!! RAFFLE!!!!

By **Clay Heironimus**

Once again, we will be having a raffle - the last one of the year - at the Spaghetti Dinner. We would ask artisans and any other community members to help by donating something for us to raffle at the Spaghetti Dinner on **September 26th**. It's always a fun way to end the evening. To donate, please call Mary Ann at

Seasonal Flu Shots on the Hill

By Vicki DeKay RN with Sutter

How about some spaghetti with that flu shot? This year, flu shots will again be available before the MVFA Spaghetti Dinner on **Saturday, September 26th**, at the fire station. This year's influenza vaccine contains 4 different strains of virus, and is also totally preservative-free. (Yes, it's painless and a new and sterile needle will be used every time!! 😊)

Free?? Well... If you have Medicare *that is not an HMO*, it IS free! If you belong to an HMO - such as Kaiser, AARP, PacifiCare, Secure Horizons, HealthNet Seniority Plus, or Medicare Advantage, you can get a free shot at your doctor's office or a pharmacy. OR if you want to get it over with, you can receive the shot for \$35.00.

That's Saturday, September 26th, from 5 p.m. to 6 p.m., at the fire station!!

Crafters

By Sharon Hern

ATTENTION LADIES (men too, if you want!): If you're a "crafter" or just one of us who can do simple (?) cut, paste/glue, paint, etc. jobs, you are encouraged to come join us at our Craft Meeting. There's the fun of learning new crafts, meeting new friends, coffee and goodies. We will be working on our summer crafts and getting ready for our annual summer craft sale at the Cold Springs Community Church in November. Our next meeting is on **Friday, September 25th**. Our craft meetings are generally the 4th Friday of each month from 10:00 a.m. to 12:00 p.m. at the home of Darlene Rood, 2211 Swansboro Road. Hope to see you on September 25th!

Finnon Lake Recreation Area

By Tom Harris

This past July, Finnion Lake Recreation Area was visited by avid birder, naturalist, and science professor at Monterey Peninsula College, Fred Hochstaedter, and his assistant Catherine Webb. Over two days, Fred and Catherine observed a total of 45 species of birds at Finnion and listed them for us by species and count. MVFA has the responsibility of monitoring the fish and wildlife at Finnion Lake. We welcome anyone interested in birding and/or wildlife observation and photography to help with this obligation. If anyone sees any unusual bird or wild animal at Finnion, please let us know. Call Dave Angelo at (530)621-3688 or Tom Harris at (530)642-2333.

MVFA has also been approached by two separate Scouts from Troop 88 who are interested in developing specific Eagle Scout projects at Finnion. Watch for future details as these projects become a reality.

On the weekend of September 12th, the folks from the Principality of Cynagua, the Kingdom of the West, are scheduled to return to Finnion Lake. To find out what this means, go to <http://cynagua.westkingdom.org>. Thanks to Dave Angelo and Gary Morris for preparing the group campsite for this event.
