## **Wildfire and Your Pets and Service Animals**

By **Mike Hazlett**, Mosquito FPD Fire Chief

Every wildfire plan must include your pets. If you know a wild fire evacuation is imminent, bring your pet inside immediately. Get your animals under control as quickly as possible, either using a leash or by putting them in a pet carrier.

Wildfires strike suddenly, often while you are away from home. You can improve your pet's chances for safety if you leave him/her inside with collars and identification tags, when you go out. Consider an arrangement with a trusted neighbor who would be willing to evacuate your pets in your absence. Make sure the person knows your animals, can locate your emergency supplies, and has a key to your home. Provide him or her with instructions and phone numbers on how to reach you.

### **Keep your animal's license and identification current.**

Keep up-to-date identification on your pets at all times. Use a properly fitting collar with an identification tag. Consider using a microchip for identification.

Keep current color photographs of your pet, showing any distinguishing markings, with your emergency supplies.

### **If you evacuate, take your pet.**

Your animal's best protection is to be with you. Remember, taking your pet with you requires special planning. Locate a safe place for your pets before wildfire strikes. Evacuation shelters generally do not accept animals for public health and safety reasons. Service animals, on the other hand, are allowed to accompany their owners to an emergency shelter. Call hotels and motels in your immediate area and a reasonable distance from home to see if they will accept pets and under what conditions. Also, contact local boarding kennels and veterinary hospitals with boarding facilities. Ask friends and family members whether they will provide foster care for your pets.

NOTE: El Dorado County Animal Shelter, located in Diamond Springs, will provide temporary foster care for owned pets in times of wildfire, but this should be considered only as a last resort.

### **Emergency Supplies Kit.**

Assemble a portable pet emergency supplies kit to provide for your pet's needs for seven days. Pack the supplies in a carry case, in case you evacuate. Include the following:

- In waterproof container, store medications and medical records, including vaccination records, and a first aid kit. Name and telephone number of your veterinarian. List medical conditions and special considerations
- Sturdy leashes, harnesses, and carriers to transport pets safely and ensure that your animals can't escape

# MOSQUITO BYTE

PUBLISHED MONTHLY BY THE MOSQUITO VOLUNTEER FIRE ASSOCIATION

- Current photos of your pets in case they get lost
- Food, portable water, bowls, cat litter and pan, and can opener
- Plastic bags/paper towels for disposing of animal waste
- Favorite toys and pet beds with kennel or carrying case
- A list of emergency contact numbers in the kit

Even with a wildfire plan in place, pets and their owners can sometimes run into trouble, or a wildfire can exceed local resources.

The next MFPD Board meeting will be **Thursday, October 8<sup>th</sup>** at 7 p.m. at the Fire Station. You are welcome to attend!

## **Mosquito Volunteer Fire Association**

By **Darcy Krieger**

With summer at an end, we are looking forward to the cooler weather and hopefully soon, we will get some much needed RAIN! MVFA has several great events planned for the next 3 months.

First up, will be our annual Trunk-R-Treat event, **October 31<sup>st</sup>**, at Finnon Lake Campground. This event provides a safe environment for kids in the community to do their trick or treating. Here's how it works: People should bring their decorated vehicles to the campground, along with whatever treats they want to pass out. Trick or Treaters will then go from car to car, gathering the goodies. We are asking "treat-ees" to meet at Finnon Campground at 6 p.m., on the 31<sup>st</sup>, so we have time for everyone to get set up. Treaters are welcome to get their trick or treating done from 6:30 to 7:30 p.m. Also, prizes will be given for the best decorated vehicles! In the event of rain, we will be holding Trunk r' Treat at the fire station. For more information, please contact Elisabeth Bingham or Eileen Guell.

MVFA will also sponsor a "Meet and Greet" for local veterans of the Mosquito community on Veterans Day, Wednesday, **November 11<sup>th</sup>**, at 5:00 p.m., at the Mosquito General Market and Kitchen. Cake and coffee will be served. It's time for Mosquito residents who served in the U.S. Military to meet up. More on this in the November Byte. For information or to co-host, call Tom Harris at (530)642-2333.

Funds raised from the September Spaghetti Feed are used by MVFA for our Community Christmas Dinner in December, which will be on **December 12<sup>th</sup>** at the Mosquito Fire Station. The meal includes turkey and all the trimmings and is free to all Mosquito residents. It's a wonderful way to end the year and visit neighbors and friends, so we hope you'll save the date! More information about the dinner will be coming soon.

For information or to co-host, call Tom Harris at (530)642-2333.

Funds raised from the September Spaghetti Feed are used by MVFA for our Community Christmas Dinner in December, which will be on December 12th at the Mosquito Fire Station.

The meal includes turkey and all the trimmings and is free to all Mosquito residents. It's a wonderful way to end the year and visit neighbors and friends, so we hope you'll save the date!

More information about the dinner will be coming soon.

Additionally, MVFA distributes baskets of food to individuals and families in the Mosquito community in December. This activity helps people who would otherwise not have much of a holiday. Along with food, we try to provide gifts for any children in the family. We also give plants and homemade cookies to our senior residents here in Mosquito. In November, we will be requesting donations to help us in this endeavor beginning in November, so look for dates and places to drop off donated items in the November Byte. We are already gathering names of those who might benefit from a food basket or maybe just a box of cookies, so if you know anyone who would appreciate receiving either, please pass the information on to Sharon Hern. The names of all recipients, along with the names of the people who suggested them, are kept strictly confidential. Items will be distributed on **December 19<sup>th</sup>**.

Our next MVFA Bingo Night will be **October 23<sup>rd</sup>**, 7 p.m., at Mosquito General. As always, Dawn and Gus will offer a scrumptious dinner special, as well as their regular menu, starting at 5 p.m. There will be no bingo in November or December due to the holidays, but we intend to start bingo back up beginning in January.

**The next MVFA Board meeting will be October 1<sup>st</sup> at 7 p.m. at Mosquito General. We hope to see you there!**

### **More notes from the MVFA**

By Tom Harris

As you may know, Darcy Krieger has resigned from the MVFA board. The board wishes to thank her for her service and support to the community, this newsletter and the upcoming MVFA website. In the spirit of appreciation, it seems like a great time to also thank those who selflessly provide support for our beautiful community.

The annual Mosquito Community Clean-up Dumpster Day was a success judging by the amount of trash that was removed. Thanks to Jo Thomas of the Swansboro Pilot's Association (SPA) for arranging for two 20-yard dumpsters. Thanks also to Chief Hazlett for granting us permission to use the Fire Station parking lot. There were exactly 50 car/truck/trailer loads that arrived to fill the dumpsters according to Jo who kept traffic organized. Many thanks to the SPA and MVFA volunteers who helped residents unload, that is, Dave Angelo, Gary Morris, Milo and Denise Laguna, Rob Kirkpatrick, Dan Van Dusen, Fred Wilder and Jim Burkhalter. Additional thanks to Kim Purcell who separated and broke down all the cardboard for recycling.

MVFA also graciously receives donations to help the community. For example, Dick Rood recently donated an equipment trailer that will be used to transport our lawn tractor, string mowers and other maintenance equipment. Thank you, Dick! Kudos go out to Gene and Betsy Bowen for donating to MVFA a two-place sit-on-top kayak now available for rent at Finnon Lake.

More thanks go out to Mark Barnett. Mark is a familiar face hiking around Finnon Lake, and he donated five gallons of deck paint to MVFA. It's a beautiful blue-grey color. It will be used by volunteers to paint the inside walls of the bathrooms at Finnon Lake Campground among other things.

Thanks go out to the MVFA volunteers who sort and separate donated CRV bottles and cans, then take them all down to the recycle center in El Dorado. Not only is this an ecological service to the community, but also a source of income for MVFA to pay their bills. Further, we appreciate the consideration of community

appreciate the consideration of community

pg. 3

members who donate their CRV bottles and cans to the recycle area behind the Fire Station. There has been very little trash and non-CRV bottles and cans deposited over the past year. This makes our job a lot easier.

MVFA has many volunteers, such as, Mike and Dee Taylor who have graciously volunteered to join MVFA's wildlife monitoring program at Fannon Lake. As bird watchers, they will keep track of the species that are present around the lake during the year, and make periodic reports. Thank you, Mike and Dee. If you would like to volunteer as a wildlife monitor, contact Dave Angelo at (530)621-3688.

If you have an item to donate to MVFA, Fannon Lake, the campground, café or the fire station, please contact Tom Harris at (530) 642-2333. MVFA is looking for umbrellas for the café garden area, and the fire station needs a good working (big) gas barbeque grill to replace their old one. Thanks!

## **SCPOA**

By **Connell Persico**

We are pleased to announce we have signed an agreement with The Management Trust – Kocal Division for management services for the Association. What differs from a traditional agreement is that we have maintained responsibility and authority for our maintenance staff, and we have agreed the managers will NOT be engaged in the enforcement of our DC&R's. What they will provide is clerical and administrative support, financial management, collections, and communications. Your Board of Directors remains the decision making group for the Association, and we will depend on our new staff to carry out our decisions. You will hear directly from the new team as we make the transition which we are hoping can be as early as October 1<sup>st</sup>.

In arriving at its decision, the Board reviewed its due diligence efforts which included reference checks, calls to other HOA/POA's, calls to escrow officers, Better Business Bureau rating check (A+), consideration of their customer satisfaction survey results (91.2% satisfaction in their last survey), and discussion of their Yelp reviews. We noted the 12 negative Yelp reviews were out of a possible 31,269 property owners that Kocal serves. Our conclusion was, though imperfect, our new management team is as good as or better than its competition. The transition will take time, and there will likely be some kinks as we move forward. Both the Board and the management team are committed to honest and straightforward communications at the first signs of stress or strain.

We began this process of solving our support staff deficits over six months ago. For those of us who have tried to pick up the slack by answering the phone, checking the emails, responding to escrow demands and problem solving, we are relieved to reassign these tasks. For those of you who didn't receive a timely call back or response to inquiry, relief is also on the way.

At our meeting, we also reactivated our committee structure, which had become dormant under the weight of the controversies and bickering that had taken hold for a while. We will be posting the committee meeting notices on Next Door, on signage at the 'T' at Dyer Lake, and at the Fire Station. Please let your neighbors who might not have access to these limited means of communication know when the meetings are to be held, in case they are interested. And please join us in developing better means of sharing information.

**The next SCPOA meeting is Thursday, October 15<sup>th</sup> at 7 p.m. at the Fire Station.**

**OKTOBERFEST at the TRADING POST**

By Vicki DeKay

Saturday morning, **October 17<sup>th</sup>**, from 9 a.m. to 11 a.m., we will be celebrating a Mosquito version of OKTOBERFEST featuring freshly harvested vegetables and fruits, live plants, homemade baked goods, jams and jellies, breakfast treats, holiday arts and crafts, gifts and decor, Halloween games and prizes, raffle, free coffee and apple cider. No beer, but be here for a gorgeous autumn celebration at Finnon Lake! Oh, let's not forget there will be LIVE MUSIC by our own Paul Hinds and Mosquito Road!

**Mosquito Pantry**

By Sharon Hern & MaryAnn Haywood

Need a small helping hand to get through some temporary hard times? The Mosquito Volunteer Fire Association maintains the "Mosquito Pantry" where donated, non-perishable food items are available to any member of the community who might find themselves in need. The Pantry is located at the Fire Station and is available anytime the Station is open. So if you find yourself in need, don't hesitate to visit the Mosquito Pantry!

**Feeding the Community**

**Crafters**

By Sharon Hern

**ATTENTION LADIES** (men too if you want) –If you're a "crafter" or just one of us who can do simple (?) cut, paste/glue, paint, etc. jobs, you are encouraged to come join us at our Craft Meeting. There's the fun of learning new crafts, meeting new friends, coffee, and goodies. We will be working on our final Fall & Holiday crafts getting ready for our annual craft sale at the Cold Springs Community Church in November. This is our last meeting for this year is on **October 23<sup>rd</sup>**, with a lot projects left to finish. (See time and location below).

Our craft meetings are generally held on the 4<sup>th</sup> Friday of each month from 10 a.m. to 12 p.m. at the home of Darlene Rood, 2211 Swansboro Road. Hope to see you on **October 23<sup>rd</sup>**.

**2015 Mosquito Phone Book Updates**

If you are listed in the 2015 Mosquito Phone Book and have changes to your listing please let me know so that the Phone Book can be updated. You can call me, Sharon Hern, at (530)626-5268 or email me at [sahern@exede.net](mailto:sahern@exede.net).

Listed below is an addition to the 2015 Phone Book:  
Page 24 in the 2013 Phone Book is for additional listings.

**Calling All Mosquito/Swansboro Shoppers**

By Eileen Guell and Mary Ann Haywood

Yes, that feel of fall is in the air, and now is a great time to think about how to liven up your Fall/Winter wardrobe! MVFA will be placing an order in mid-November for short sleeve t-shirts with some new colors. For those of you who would rather order something other than short sleeve t-shirts, you can place a SPECIAL ORDER for different colors on the short sleeve t-shirts, crew neck sweatshirts, hooded pull over sweatshirts and most popular, the hooded zip sweatshirt jacket. Speaking of hooded pull over sweatshirts, MVFA will have these items now in stock with limited colors, black, forest green and ash gray.

REMINDER: The Holiday season is almost upon us, so get orders in for a gift or two! You can call me, Mary Ann Haywood, at (530)622-5477 with your requests. I can meet you at the Fire Station, my house, or yours for special orders. As always, MVFA and our community thank you for your support!!

**Wild animals don't need your handouts. They need your respect.**

By Editor – Reprinted from <https://www.wildlife.ca.gov/Keep-Me-Wild>

You may not realize it – a simple bag of garbage, bowl of pet food, or plate of leftovers left outside your home or vacation site, can cause severe harm to wildlife.

Whether you live in a city or a rural part of California, wild animals are your neighbors. Most wild animals will not bother you. They naturally fear humans and keep their distance – so long as they remain fully wild.

But if wild animals have access to human food and garbage, they want more and more. They lose their natural fear of humans and can become aggressive.

If bears and other wild animals damage property or threaten human safety, they might be killed. Allowing wild animals' access to human food is dead wrong.

**Please – stash your food and trash.  
Keep them wild.**

**WANTED!!!**

ALL CA CRV ALUMINUM CANS, BEER BOTTLES AND PLASTIC WATER BOTTLES. Please drop off bags from 8-5at the Fire Station. Please consider this option when you organize your recycled materials.  
(Wine bottles don't have CRV! We can't use them)

This is a very important fund raiser for the Mosquito Volunteer Fire Association so  
**MVFA THANKS YOU!**

## **Ann Haywood**
