## The California Forest Stewardship Helpline

By **Mike Hazlett**, Mosquito Fire Chief

The California Forest Stewardship Helpline (1-800-738-8733) has been in service for several years. It provides a point of contact for people who have questions and/or concerns about California's forests and forest management. A Registered Professional Forester under contract to the Northern California Society of American Foresters (NorCal SAF) has staffed it. Grants from the U.S. Forest Service, State, and Private Forestry support the Helpline. CAL FIRE's Forest Stewardship Program has been instrumental in encouraging its use.

With the current and expected long-term catastrophic tree mortality in the Sierra Nevada and elsewhere, there is now a need for more public outreach and education on California's forests than ever before. The Helpline is an asset that can be used to meet the demand for information on tree mortality and other issues. Dr. Richard Harris, former UC Cooperative Extension Forestry Specialist, Registered Professional Forester and contractor to NorCal SAF, will respond to calls and e-mails and provide information on tree mortality and referrals to service providers and entities that are addressing this issue in El Dorado County. Calls will be answered Monday-Friday between 10 a.m.- 2 p.m. or 6 p.m.- 8 p.m. and Saturdays from 10 a.m.- 2 p.m. Voice mail messages will be returned as soon as possible. Richard's email is [forestryhelp@gmail.com](mailto:forestryhelp@gmail.com).

The Helpline is not used to promote any commercial interests. In cases where a caller wants a referral to professional services, they will be provided with a standard list of providers, such as a list of Registered Professional Foresters or arborists that work in their geographic area. All inquiries will be considered confidential to avoid any potential invasion of privacy. Selected callers may be requested to provide personal information so that follow-up monitoring on the effectiveness of the Helpline can be conducted. For more information, please go to <http://calfire.ca.gov/foreststeward> or stop by the Mosquito FPD.

To view and print the Emergency Declaration Drought-Caused Tree Mortality Viewer go to <http://frap.fire.ca.gov/projects/DroughtViewer>

**The next MFPD Board meeting is Thursday, August 11<sup>th</sup>, at 7 p.m. at the Fire Station.  
You are welcome to attend!**

## MVFA

By **Tom Harris**

Thanks to all the community members who attended this year's MVFA Community Picnic! We can't have a successful event without you!!! Thanks to committee chairs Dave Angelo and Kari Guthrie, MVFA directors, and friends (Sharon Hern, Mary Ann Hayward and Norm Nestor) who helped organize this event. Additional thanks to Karryn Morris for organizing the PayPal operation and MVFA items and permit sales. Raffle and meal sales were overseen by Eileen Guell, assisted by Teri Randall, Sandi Brauns and Elizabeth Bingham. Cooks Tom Harris and Joe Lima did their usual great job. Servers and food preparers Lynda Lima, Linda Heyart, Ralph Hern, Kari Guthrie and Dave

Angelo kept the food line moving. Parking crew of Gary Morris and Nick Heyart kept vehicles out of the tall grass and lake.

Dessert preparer and donor Sandi Brauns made her delicious cupcakes in three varieties. The canopy set-up and tear-down crew of Joe Lima, Nick Heyart, Gary Morris, Tom Harris, Steve Vrabel and Dave Angelo got everything accomplished in record time. The restroom facility and picnic grounds weed whacking were attended to by Bill Ferguson, Gary Morris, Tom Harris and Dave Angelo. What a great crew, all!!

Thanks also to the MVFA Crafters and Trading Post vendors for their contributions. Thanks to Ralph Hern for overseeing the auction item, a beautiful chime clock donated by Gary and Pat Johnson. Last but not least, a special thanks to firefighters Darren and Ryan who kept the children (as well as themselves) entertained by water spraying from Engine 75 all afternoon. The picnic, raffle and auction were great successes, and the proceeds went to MVFA community funds and the Station 75 fund. Visit [www.GoMVFA.org](http://www.GoMVFA.org) for the latest photos.

The Community Clean-Up Day at the Fire Station is scheduled for **August 27<sup>th</sup>**, from 8:00 a.m. – 12:00 p.m. or until the dumpsters are full. This event is organized by the Swansboro Pilots' Association and sponsored by MVFA. It is the opportunity to bring your non-hazardous waste to the Fire Station rather than having to go all the way in to town. There will be two large dumpsters in the parking lot, just follow the directions of the volunteer personnel there. See Kim Purcell's article in this Byte for more information.

The MVFA Crafters and the MVFA purchased a new washing machine and dryer for the Fire Station. Chief Mike gave us the specs, and the units were delivered July 20<sup>th</sup>. Thank you MVFA Crafters!!

Again this year, MVFA hosted the Mosquito Road Clean-up Day on July 19<sup>th</sup> during the period when the Bridge was closed for maintenance. Thanks to all participants. They keep our Mosquito Road looking good. For up-to-date information, photos from MVFA events and happenings at Finnon Lake, please visit [www.GoMVFA.org](http://www.GoMVFA.org).

The Finnon Lake Recreation Area website, [www.finnonrecreationarea.com](http://www.finnonrecreationarea.com), has a new look. The new version is more friendly for mobile devices and has numerous other features. Check it out!

If you would like to donate your time to help maintain Finnon Lake Recreation Area, Campground, Day Use area or Disc Golf course on your own schedule, call Tom Harris. If you or someone you know is interested in developing Mountain Bike trails on the Finnon Lake property, please call Tom Harris at (530)642-2333. Thank you for supporting MVFA and Finnon Lake Recreation Area.

**Join us for the MVFA Board meeting on August 4<sup>th</sup> at 7:00 p.m. at the Fire Station.**

## **SCPOA - Enjoy Your Common Areas**

**By Roger Stenbock**

We are experiencing an unusually mild and pleasant summer. Our common areas are in great shape thanks to Kevin and Jonathan of our maintenance crew, Dustin Sears, Jerry Pullin, Kari Guthrie, Mari Miller, and Robert Keel of the common area committee. Also thanks to Kim Purcell, our airport liaison, and all the volunteers of the Pilots' Association, for the runway a well maintained runway. And of course, thanks to Mother Nature, our parks are greener, our ponds and lakes have topped off and we have an excellent opportunity to enjoy the outdoors.

According to article I of our DCRs, "Common areas" shall mean and refer to those areas of land shown on any recorded subdivision map of the properties and intended to be devoted to the common use and enjoyment of the owners of the properties. The key words are "use and enjoyment" for all SCPOA property owners. The common areas include our lakes, airport, parks and other designated areas. Interestingly, our roads are county owned, SCPOA maintained, but are not common areas. Furthermore, Article IV provides that every member shall have a right and easement of enjoyment in and to the common areas, and such easements shall be appurtenant to and shall pass with the title to every lot or plot. Guests should be accompanied by the property owner friend for any activities in the common areas.

Our common areas are accessible on a first come basis. This means that if you wish to schedule an event such as a family get together, fly-in, or social gathering which may stress the capacity of the common area you plan to use, it is a good idea to let the SCPOA board know ahead of time so some arrangements can be made to accommodate you. Call Judy Reule, your association manager at Management Trust (916-985-3633 x 151), and she will put you in contact with the appropriate board director liaison.

Enjoy your common areas but remember, it is your common area. The association develops and maintains it, but ultimately you pay for this through assessments on your property. Advise your guests to keep the area neat, collect your garbage, and respect the facilities. Pets must be kept under control and their waste properly disposed. Consider safety. There are no life guards on duty. Children should be supervised by an adult. Motor vehicles are only allowed on the parking areas. If your guests are flying in, it is your responsibility to brief them on local conditions. When in doubt, use your common sense. Leave the area in as good or better shape as you found it so the next person can enjoy it also. Enjoy your summer!

**The SCPOA meeting is Thursday, August 18<sup>th</sup>, at 7 p.m. at the Fire Station. You are welcome to attend!**

## Senior Peer Counseling

By **Candy Lupient**

Are you 55 years or older and feel:

- grief/loss
- lonely / isolated
- often tired, sad and blue
- stressed about issues of growing older

If so, please CALL Senior Peer Counseling of EDC at (530)621-6304. The Senior Peer Counseling Program helps meet the individual needs of our community's older population. It offers supportive counseling to seniors under strict confidence at low to no cost.

Senior Volunteers are trained and overseen by professionals to counsel seniors in a self-help approach that enriches and enhances their lives. Their counselor training, combined with similar life experience, enables counselors to help their peers cope with a range of common concerns.

Each of our trained counselors has been specifically chosen for his or her personal warmth and non-judgmental qualities, as well as varied life experiences. A \$5 donation is suggested to defray administrative costs, and though very welcome, it is not mandatory. It is understood that many seniors are on a fixed income.

All counseling sessions are on a one-to-one basis under a confidentiality agreement. We also have a speaker's bureau and are happy to speak with your organization or group about our services.

Contact Senior Peer Counseling at (530) 621-6304.
