## Transitions

By Chief Eddie Dwyer

The Fire District is in transition, our community is in transition and Mother Nature is in transition. The Fire District is in transition also as we move toward having front-line, limited-time paramedics. I, too, will be going through the county Emergency Services Accreditation process very shortly. As mentioned previously, this will require me to complete what is called a 10-call evaluation of my skills and abilities, along with a written protocol test, followed up by an interview with Dr. Brazzell from County Emergency Medical Services. We have a single hurdle for Fire Engine Paramedics, and that is our final inspection by the County Emergency Medical Services. This inspection, hopefully, occurred on May 26, 2017. As soon as we receive the results of this review, we will receive an EKG Monitor Defibrillator from the El Dorado County Ambulance Joint Powers Authority (JPA). In fact, we will be receiving two EKG Monitor Defibrillators, which is a cost savings to the district of about \$75,000.00. We hope to have the first on-duty operational paramedic on the Engine before the end of May, and no later than mid-June.

Nature is in her spring-to-summer transition. This time of year is deceptive and can be dangerous. Remember, there is a lot of water flowing through the rivers and creeks as alpine snow melts cause our rivers to rise. At the same time, the water is frigid, just above 42 degrees. Survival in such cold water is less likely because the cold will cause a person to quickly lose consciousness. The rivers are moving swiftly, and there are currents below the surface of the waterways that are also deceptive. A slow moving river can have subsurface water flows that are as dangerous as a coastal rip tide. Please take extra precautions when planning to raft the rivers and creeks. Also, please make sure that family knows where you are going, where you are planning to set in and pull out of the river.

We are also in a deceptive period for wildland fires. Many people will look at the grass and think it still looks fairly green; so people become complacent. However, it is truly capable of burning, and there was a reported loss of control of a controlled burn many days in May. So please keep your burn piles at the size requirements you signed for, and just because it's a burn day, it still might not be the best idea to burn.

When using a weed whacker to cut down weeds, try to avoid using metal blades. These blades can cause a spark and ignite grass fires easily. Also, broadcast burning of your property should not be done and doing so could cause you to be fined by CALFIRE.

We are in a beautiful time of year. Enjoy what you see. The rivers are flowing high and are beautiful. If you choose to play in the waterways, please take precautions to secure your safety, use flotation vests and appropriate wet gear. And remember, the green grass of May can burn as intensely as the yellow grass of August. Stay safe and should you ever have a question about safety concerns please do not hesitate to call for a property fire safety inspections.

**The next MFPD Board meeting is Thursday, June 8<sup>th</sup> at 7 p.m. at the Fire Station.  
You are welcome to attend!**

## **MVFA Community Yard Sale**

By Tom Harris

The annual MVFA Community Yard Sale will be held this year on **Saturday, June 10<sup>th</sup>** at the fire station parking lot from 8:00 am to 1:00 pm. MVFA is taking donations of saleable items (please, no clothes or electronics). One of our committee members will pick up items at your home, or you can bring them to the sale at the fire station on June 10<sup>th</sup>.

If you would prefer your own booth, space is available for rent for \$10 for the day. MVFA will provide a table, and you may bring your own items to sell. Booth fees and donations will benefit the MVFA Community Funds. Donations may be tax deductible, and a letter stating your contribution will be provided on request. Unsold items donated to MVFA will be taken to Snowline Hospice.

Hot dogs, chips and a soft drink will be available for \$5.00 starting at 11:00 am. For more information and for item pick-up, contact:

Tom Harris (530)642-2333                      or              Dave Angelo (530)621-3688

## **Finnon Lake Recreation Area**

By Tom Harris

It's a very busy time of year at Finnion Lake. Repair work has begun on the roads in the park. Our thanks to Joe Lima for cutting new drainage ditches to repair damage in the waterlogged and washed-out areas. A new culvert and gravel will be added soon. Thanks to Milo Laguna for letting us use his tractor. Thanks also to Dave Angelo for his work at the boat launch area. Once the lake level recedes during the dry months, gravel will be added to the ramp which will enable small boats to be launched from trailers.

The Campground Cleanup Day was held on May 9<sup>th</sup>. The Finnion Property Committee has a list of over 40 residents who have volunteered in the past and expressed an interest in continuing. Thanks to Wayne Holley, Gary Morris, Nick Heyart, Dave and Marc Angelo, Kim Purcell and Bill Ferguson for their help. For a brief history of the Finnion Dam Restoration project, go to [www.finnionrecreationarea.com](http://www.finnionrecreationarea.com) and click "ABOUT".

Maintenance work continues on the Disc Golf course. MVFA volunteers and members of the Hangtown Disc Golf Club, who built the course, have been working to stay ahead of the quick growing grass on the course. The ongoing Poison Oak eradication program is showing signs of success. It's our goal to eliminate Poison Oak from the course, and all the hiking trails at Finnion, so wish us luck!

The annual **MVFA Community Yard Sale** will be held this year on **June 10<sup>th</sup>** at the fire station parking lot from 8:00 am to 1:00 pm. Look for details of this event in this issue of the *Byte*.

Set aside **Saturday July 29<sup>th</sup>** for the annual **MVFA Community Picnic at Finnion Lake** campground. Friends, Family, Food and Fun at Finnion Lake! Beginning at 11:00 a.m., there will be a grilled lunch available (\$8.00/\$4.00) from 11:30-1:00, plus games, face painting, and fantastic raffle prizes. We have the entire campground reserved all day, so frolic until sundown and enjoy access to all of the Day Use activities (disk golf, fishing, swimming, hiking, & boating) **FOR FREE!**

## **Cinco de Mayo**

By Darcy Krieger

Thank you to everyone who turned out for MVFA's Cinco de Mayo Dinner on May 6<sup>th</sup>. The food was yummy and visiting with all of our friends and family in attendance was even better! We served 101 happy diners that night.

I also wanted to write a thank-you to all of you who contributed so much to making this such a popular event. With all of the planning, cooking, setting up, breaking down and cleaning up – whew! – it takes a lot of effort. You guys are MVFA All-Stars; I couldn't have done it without you! And, of course, a very special thank you to all of you who made donations to our raffle. (I never win anything...but lots of people did!)

Season passes for Finnon Lake Recreation Area are available for the 2017 year. The cost for a one (1) year pass is \$50.00. A two (2) year pass is \$75.00, which is good until December 31, 2018. This pass is good for fishing, boating, swimming, disc golf and picnicking. Please call Dave Angelo at 621-3688 to obtain the pass.

**Please join us for the MVFA Board meeting on Thursday, June 1<sup>st</sup> at 7:00 p.m. at the Fire Station.**

## **News from the Trading Post**

By Vicki DeKay

The next Trading Post will be held on June 10th at the Fire Station. This will be in conjunction with the MVFA Yard Sale. We will offer Shar's homemade soaps and soap products, Kathy's jellies and jams, Jeff and Jenny's embroidered handicrafts, Theresa's lavender products, Ron's plants and herbs, Peggy's handmade bags, Elaine's flowers, and more. Hope to see you there!

## **SCPOA President's Message**

By Mark Hermann

### **Member Complaints**

Over the last several months I have had many community members contact me, either in person or by email, regarding DCCR complaints.

If you feel uncomfortable to approach a neighbor and have the need to make a complaint, please use the appropriate complaint procedure. This includes, filling out a complaint form and submitting it to The Management Trust. You can submit your form either by email, in person, or you can call them up directly and ask for assistance.

Email for The Management Trust can be accessed through their website at ([www.managementtrust.com](http://www.managementtrust.com)) or call them directly at (916) 985-3633, and ask either for Megan Malmgren ext. 5139 or Rick LaFrance ext. 5160.

If you do not know if your complaint falls under a violation of the DCCR's, you can always ask someone from The Management Trust.

The complaint form is available through The Management Trust's web portal or on our new SCPOA website; [www.scpoa.info](http://www.scpoa.info).

Non DCCR complaints can be made through the following agencies:

**Vehicle Abatement:** For abandoned or vehicles parked on the shoulder of the roadway, through the El Dorado County Sheriff's Department at (530) 621-5655

**El Dorado Code Enforcement:** For nuisances, persons dumping contaminated waste and persons living in campers or trailers without a temporary occupancy permit or in tents. (530) 621-5999

**El Dorado County Animal Services:** For barking dogs, crowing roosters, animal livestock violations, and cruelty to animals (530) 621-5795

**El Dorado County Sheriff's Department** For unlawful acts such as suspicion of domestic violence occurring, child abuse, drug issues, shooting off fire arm issues, or any suspicious activity (530) 621-5655

<p style="text-align: center;"><b>The SCPOA meeting is Thursday, June 15<sup>th</sup> at 7 p.m. at the Fire Station. You are welcome to attend!</b></p>
---

## **MS75 Update**

Lisa Hampton, Volunteer Firefighter and MS75 President

The Fire Safe Council, MS75, and the Mosquito Fire Department would like to cordially invite you to attend our FREE barbeque picnic at **4 p.m. on Saturday, June 3<sup>rd</sup>**, at Dyer Lake. This event is made possible because we were awarded an NFPA (National Fire Protection Association) Fire Preparedness Day Grant as a result of our community coming together to vote for our Fire Safe Council.

We will be honoring our newly pinned Firefighter Academy Graduates, and recognizing the dedication of our young Explorers. You'll be able to enjoy the live music of 120 West Band while you explore the fire educational displays and receive valuable information in a free "go bag." Meet our firefighters, US Forest Service, representatives from El Dorado County Health and Emergency Preparedness, and Supervisor Ranalli. Our Mosquito Trading Post and a crafter or two will be joining the fun. Burgers, hot dogs, brats and all the fixings, plus a side dish or two, are all free while it lasts!

Oh, did I mention Smokey the Bear? Yes, Smokey will be joining us as well! We will have a piñata and children's' activities, plus a fire engine for them to explore. So bring your lawn chairs and picnic blanket, your dancing feet and swim fins. With good food and better company, learn about bark beetle and dead tree mortality and the progress SCPOA's Ad Hoc committee has made. Be proactive in fire safety, and ask what you can do to make your home and community fire safe. When that is all done, pull up a chair and watch a family-friendly movie under the stars with free concessions. We hope to see you there!

## Crafters

by Sharon Hern

Thank you to all who visited our first Craft Sale on May 13<sup>th</sup>, at the Fire Station. We enjoyed meeting you and sharing our various craft items. Our next "on the hill" craft sale will be at the MVFA Picnic on July 29<sup>th</sup> at Finnon Lake, and we hope to see you again.

We are now starting our Fall and Holiday craft projects, so.....If you're a "crafter" or just one of us who can do simple (?) cut, paste/glue, paint, etc. jobs, you are encouraged to come join us at our Craft Meeting. There's the fun of learning new crafts, meeting new friends, coffee, and goodies. Our craft meetings are generally held on the **4<sup>th</sup> Friday of each month from 10 a.m. to 12 p.m.** Don't miss out on the Friday Fun Day!!!

Our next Craft Meeting is **June 23<sup>rd</sup> from 10 a.m. to 12 p.m.** at the home of Darlene Rood, 2211 Swansboro Road. Hope to see you on **June 23<sup>rd</sup>.**

## Birding at Finnon Lake

By Dave Angelo

Our next outing will be Saturday, **June 13<sup>th</sup>** at 9:00 a.m. The group meets at the pavilion at Finnon Lake with leaders Mike and Dee Taylor. The community is welcome to participate. It is a nice leisurely walk around Finnon Lake using the campground access road. For more information, call Dee Taylor at (530)626-1196.

## Fishing Derby at Finnon Lake

By Dave Angelo

After several months of planning, on May 11<sup>th</sup> California State Fish and Wildlife stocked 500 pounds (1300) rainbow trout in Finnon Lake for our May 13<sup>th</sup> trout derby. We had close to 30 attendees from as far away as Merced, CA. Most caught trout, bass, bluegills or red-ear sunfish, and a good time was had by all. A barbequed hotdog, potato chips, and drink lunch was served and then a drawing for prizes for 3 different age groups took place. Thanks go out to Mosquito

Creek Outfitters, El Dorado chapter of Trout Unlimited, MVFA and Tom Sanders for their prize donations.

This event was a great group effort and I give many thanks to Karryn (my co-chairperson) and Gary, Chef Marc, Ed, Nick, Ralph, Joe, Mary Ann, Pam, and Tom S. for their commitment to making this the success that it was. With continued support from the agencies, businesses, and community members, we will make every effort to make the Fishing Derby an annual event. Our next Derby is tentatively scheduled for April 2018.

### **Swansboro Airport Aircraft Display Days**

Come join us for our next display dates which are **June 16, 17 & 18** from 10 a.m. – 2 p.m. each day. You'll see unique, as well as old, aircraft. Aircraft will be out and you are invited to look but be sure to remain well clear of the active runway. Please also be respectful and look but do not touch without guidance from owners. If you have any questions, you can contact Kim Purcell at (530) 621-1049.

### **Swansboro Pilots Association Scholarship Offering**

The Swansboro Pilots Association is again offering Swansboro/Mosquito high school seniors a chance to compete for a \$500 college scholarship. If you are a high school senior going on to college next fall, please apply. We have had some amazing winners and applicants in the past and look forward to seeing more! To apply, send at least a one page, double-spaced, typed essay that states:

- Any community service projects you have done
- What college you plan to attend
- Your life and college plans
- Your high school grade point average
- Mailing address, phone number and email address.

Send your essay, postmarked no later than **June 30<sup>th</sup>** to:

Swansboro Pilots Association  
2724 Swansboro Road  
Placerville, CA 95667

If you have any questions please call Kim Purcell at (530) 621-1049.

### **CLASSIFIED ADS**

**COME FLY WITH US!** - I am interested in seeing more of our beautiful area. I called a helicopter company and they can take 3 passengers up for 30 minutes for \$300. He can stay for as long as he has appointments.

If you would like to go, let me know. We haven't set a date yet since we want to see what works for interested folks. And, if you are a single rider, we'll pair you up and you can meet some of our

neighbors. Email me at [sjkobza@gmail.com](mailto:sjkobza@gmail.com) or give us a call at (530)621-3875. Solon & Jeanine Kobza
