November 2017

Chief's Corner

2017 has certainly been an eventful year! We had an enormous amount of rain, road closures caused by rock slides and sink holes, learned that the prospects of getting a new bridge might be finally true, and had more calls for service to date than we generally have in an entire year!

While we are still technically in the "Wildland Fire Season", winter is just around the corner, so here's some things you might want to start considering:

1. **Check batteries** in smoke detectors and if not already done, **install a carbon monoxide detector**. One for every bedroom is suggested.
2. Have your **chimney checked** and cleaned by a licensed professional.
3. **Clean you gutters** of pine needles and other debris that may have accumulated over the summer. An overflowing gutter could result in you attempting a risky maneuver like trying to climb a ladder in the middle of a rain storm.
4. Make sure you **obtain a burn permit** for when open burning is again permitted. You can get one by stopping by the fire station during business hours. Also remember that you must follow the instructions before you light burn piles, including calling the number listed on the permit before you burn.
5. Please **be smart and drive safely!** The first few rains generally result in slippery roads here in the foothills. Have your vehicle checked out: tires, brakes, antifreeze and chains etc. If we get a sudden snow and you're not an experienced driver in the snow, stay put! Stay home, stay at a friend's, or stay at work. The snow will generally melt rather quickly up here and you will get home eventually.

**The next MFPD Board meeting is Thursday, November 9th at 7 p.m. at the Fire Station.
You are welcome to attend!**

Mosquito Volunteer Fire Association (MVFA)

By the MVFA Board of Directors

The annual MVFA Christmas Turkey Dinner and membership meeting will take place on **Saturday, December 9th** at the Fire Station. This dinner is a free event given by MVFA to show our thanks to the wonderful members of our special Mosquito community, our superb Fire Department personnel, and the great many volunteers who help make our community the best. Santa arrives at 5:00 PM for the youngsters, and dinner will be served at 6:00 PM. Join your neighbors for this fun event. MVFA wishes you the happiest of Holidays. Notice: persons under the age of 18 are required to be accompanied by a parent or guardian age 21 or older at all MVFA events held at the fire station.

The election will follow the guidelines of the California Corporate Code (CC5000) and the MVFA By-laws. The MVFA board will begin taking nominations on **November 1st** and will review candidates wishing to run for the board. The MVFA By-laws state who is qualified to run for a board position and are posted on the www.GoMVFA.org website located on the Home Page, left column under, "Who Are We". Qualified residents are asked to send their names along with brief description of their reasons for wanting to be on the Board to: MVFA, 9009 Orval Beckett Ct, Placerville CA 95667 or email to: MVFA95667@gmail.com. MVFA is a limited membership non-profit community support organization and is funded entirely by grants, donations, fund raisers and rents and fees at Finnon Lake. MVFA receives no tax revenue, nor any dues money from SCPOA. MVFA has no financial connection to Mosquito Fire Protection District (MFPD). MVFA has no paid employees, and operates entirely with volunteers who donate their own time and often their own money to make our community a better place. If you would like to enhance your membership in MVFA, please become a volunteer.

If you can't volunteer, please consider a donation to MVFA. We have a community fund designed to help neighbors in need, and the MVFA Station 75 Fund that provides funds to purchase tools and other items at the Chief's request and there are always future projects at Finnon Lake Recreation Area. MVFA is a 501(c)(3) organization and donations may be tax deductible. A letter stating your donation will be provided on request. Send your donation to MVFA, 9009 Orval Beckett Ct., Placerville CA 95667.

NOVEMBER 4TH!**

SCPOA Report

by Roger Stenbock

As many of you may already know, Mark Herman, your previous SCPOA president, resigned to move to Oregon. Mark did an outstanding job as president during his tenure. He improved the bad debt collection process to the point that accounts receivable was reduced by one hundred thousand dollars (\$100,000) under his leadership. At the October 19th board meeting, I was elected again to be your president. I consider it a privilege to do this job and will do my best to honor your trust.

Also elected as Secretary was Debbie Harris. She will be taking over for Eileen Reisner. I want to extend a special thank you to Eileen. She served diligently on your board as Director, Treasurer and Secretary. Eileen's thoughtfulness and sensitivity served our community well during her term on the board and she will be missed. The board is seeking volunteers for the open position. Please contact Rick LaFrance, Community Association Manager, The Management Trust PO BOX 1459 • Folsom, California 95763 Phone: (916) 985-3633 x5160 | Fax: (916) 288-9559 if you wish to serve on the SCPOA board.

Changing circumstances may make some rules outmoded, and boards should review the rules every few years to make sure they are serving the community. The SCPOA's Ad hoc DC&R and Bylaw Committee is in the process of completing the re-write of SCPOA's Bylaws and CC&Rs. Thanks to the hard work of Debbie Harris, Marty Dominguez and all the hard working committee members, we are close to presenting the proposed changes to the community-at-large. In the meantime, if you don't like a rule, please contact the committee. Get involved rather than waiting until you are dissatisfied about something.

SCPOA is charged with maintaining millions of dollars' worth of property. Board members are not typically trained in property management, accounting and the law. Communities are dependent upon the skills and personalities that residents and board members bring to the table. Communications and transparency are paramount. Your board must be very clear about how money is handled. While lawyers and accounting can be expensive, they are needed from time to time. While it may seem wasteful to spend money on management, accounting and legal tasks, not doing so usually ends up being far more expensive. We are fortunate that SCPOA employs a very competent manager, accountant and attorney.

Every community has a few people who think the rules don't apply to them, and some would rather fight than comply. Unfortunately, we are dealing with that situation currently. A court battle can be costly, both in money and in emotional turmoil within the community. All homeowner's need to be reasonable and considerate. That applies to both the homeowners and those who accept the challenge of volunteering to serve on the SCPOA board. We can all work together for the betterment of the community.

California State laws require financial reserves. It always makes sense to plan for items we know will have to be replaced and or repaired such as roads, the airport and other common area property. We need to be adaptable for both short and long range projects and work as a team managing our community. I pledge, to the best of my ability, to serve the community by following the SCPOA bylaws, state laws, SCPOA's considerable history, the advice of our manager, attorney, common sense and most importantly, by listening to you, the members of this great community.

The SCPOA meeting is Thursday, November 16th at 7 p.m. at the Fire Station. You are welcome to attend!

MS75

By Lisa Hampton

Come join us for the last pancake breakfast of the year! MS75 would like to cordially invite you to attend on **Saturday, November 18th**, at the Fire Station from 8:30-11:00 AM. We're capping off the season with a "greatest hits" compilation that will include our famous omelet bar, waffles with all the fixings bar, made-from-scratch biscuits and gravy, and what else? I feel like I'm forgetting something. Oh yes! Pancakes! We'll have those too. And no last hurrah would be complete without a raffle, so start practicing your happy dance in case it's your ticket that gets called. Mark your calendars and save the date, and we'll see you then!

SPAGHETTI DINNER THANK YOU

By Karryn Morris and MaryAnn Haywood

What a wonderful evening we all had at the annual MVFA Spaghetti Dinner! The fire station was full with families, neighbors and friends. We served 84 plus dinners! I would love to name every person who helped put this dinner together, but there just wouldn't be enough space. So, a HEARTFELT THANK YOU goes out to the setup crew, the cooks, (speaking of cooks, an extra thank you goes out to Frank and Heidi Ethridge for the "over the top" Eggplant Parmesan!), and the "all male" serving crew. They sure were a handsome bunch! To the bakers, the kitchen crew, the money takers at the door, we really appreciated your assistance.

To everyone who donated the outstanding raffle gifts and to the ladies selling the tickets for the raffle and the 50/50 draw, it was a lot of fun. And to everyone who helped with putting tables and chairs away at the end of the evening, you were very helpful. Last but not least, to everyone who came to make this event a success, we can't do it without you!!!. It does take a village, and ours is the BEST!!

Don't forget to come to the Christmas Dinner, which is free to all Mosquito/Swansboro community. More information in the December Byte.

Christmas Basket Recipients

By Sharon Hern & Mary Ann Haywood

Over the years, MVFA has helped families in our community who have found themselves in a "less fortunate" position at Christmas time. Traditionally, we have been able to provide the recipients with a full Christmas meal along with gifts for any children family members. So that we can begin our planning for 2017 we are asking for the community's help.

If you know of someone in our community whom you think could use this kind of help please get the following information to us: Adult names, children's name and age, address and phone number. You can give the information to Sharon Hern, Christmas Basket Chairperson 626-5268, or call the Fire Station at 626-9017. The information given is treated as "confidential".

Want to help by donating? We are looking for canned and boxed foods, hams, turkeys and gifts for children. Please remember opened boxes, outdated food and perishables cannot be accepted for donations. We will be distributing these baskets on December 16th so don't wait too long to donate. We are again partnering with "Toys for Tots". Gifts for children should be unwrapped so we can match them to the children's age and please don't forget our pre-teens and teenagers. **Donations may be dropped off at the fire station beginning December 1st.** Thank you in advance for your help and may you have a wonderful Holiday Season.

Franks Cafe

By Kim Purcell

MVFA is very excited to welcome back Frank, Heidi and Chana Ethridge to the cafe at Finnon Lake! Over the past several months since the cafe was vacated, many hours of volunteer work has gone into getting the cafe back in working order and cleaned up. While there were a number of parties interested in running the café, it came down to two very talented and amazing applicants. Ultimately, the MVFA board chose Frank's Cafe.

You might recall the wonderful culinary delights that Frank is capable of, as well as his great community spirit! For those new to the area, you are in for a treat! We can all look forward to those amazing take and bake pizzas, the return of family nights and specialty events, along with beer and wine availability. Frank's Diner will open the first part of November and will initially serve lunches Wednesday through Friday with breakfast and lunch on the weekends. Service will expand to dinners soon afterwards, so look for updates. Frank also plans to provide necessities for sale and will be offering his amazing catering for your own special occasions and holiday events.
