

SURGICAL CONSENT & AUTHORIZATION for Fracture Repair

Date: _____ Referring Hospital: _____

Pet's name: _____ Client's name: _____

Pet's DOB: _____ Breed: _____ Sex: Male Female Altered: Yes No

_____ This document acknowledges that I have been informed by Dr. _____ that my pet has sustained a LEFT RIGHT _____ fracture. I have been informed of the treatment options, including surgery.

_____ I elect and consent for surgical fracture repair to be performed on my pet by Dr Jennifer Hoch, DACVS.

_____ I understand surgery will be on the: (Circle & initial) RIGHT _____ LEFT _____

_____ I understand the risks associated with this procedure that include anesthetic risk, hemorrhage, nerve damage, infection, implant failure, delayed healing, & very rarely death.

_____ I understand that an additional bandage or splint may be necessary after surgery. This would require regular home care, monitoring, and bandage changes for proper healing.

_____ I understand that if the fracture involves the joint, osteoarthritis could be expected in the future. Weight management, supplements, and medications may be recommended. Intermittent lameness may occur.

_____ I understand that successful outcomes require proper home care and restrictions.

_____ I understand that guarantees are not being made regarding healing or outcome after surgery.

_____ I understand that if infection or implant failure occurs, additional procedures may be necessary that include culture, medications and surgery to remove the implants.

_____ I understand that my pet will be administered Nocita (local anesthetic lasting up to 72 hours) for additional pain control during surgery.

_____ I consent for photographs and videos to be obtained of my pet for use by MVSS for case presentations, monitoring, and/or website or social media.

I hereby grant permission for my pet to undergo fracture repair surgery by Dr Jennifer Hoch.
