All Season Party Rentals is proud to offer quality rental products. Having started the company after our own tent wedding, we are a husband and wife team that is dedicated to making your event a success. Along with our personal experiences of putting together an amazing wedding for ourselves, we have been doing the same for couples for years.

While our focus is not only the wedding industry, we have helped plan and provided the rentals for hundreds of events throughout Connecticut and New York.

Our showroom is available to view products for your event, so let our professional and courteous staff help you plan your next event from start to finish. May your next event be what you've always wanted and dreamed!

Sincerely,
David and Sarah Pineault
