Welcome to the 2022-23 Basketball season and Tamanawis Secondary School – Home of the Wildcats.

Athletics has a strong tradition at Tamanawis and the basketball program continues to lead in a very successful way. This tradition of and commitment to success would not be possible for our athletes, without the amazing support of our volunteer coaches. This includes staff, community members and alumni. We truly appreciate your time, energy and mentorship to our athletes.

While there are always varying degrees of success in the win/loss columns from year to year and team to team. There are many Life Skills that all our athletes take away from their participation in sport. These include Leadership, Accountability and Responsibility, Organization and Time Management, Respect, and Sportsmanship to name a few.

As Principal, I have also benefited from these life skills as a former Student Athlete and Coach. While our student athletes have the opportunity to grow in many ways, they also have the responsibility of representing Tamanawis, I believe they all will continue to do us and their families proud.

I would also like to thank our Community Sponsors who have graciously donated to allow us to produce this program for all to enjoy.

All the very best!

Mr. K. DeBoice
Proud Principal

“O N E W H O T E A C H E S W I S D O M”

Proudly connecting BC's coast for 35 years.
