"News to Know"

April 15, 2024

The Mighty One, God the Lord, speaks and summons the earth from the rising of the sun to its setting.

Out of Zion, the perfection of beauty, God shines forth.

Psalm 50:1-2

A message from Pastor Keith:

Happy Monday to you! I trust and hope that everyone is doing well today. I hope you got all your taxes done and everyone is getting a big fat refund from the IRS. I know, but we can dream ha. It was a true blessing seeing those come to the altar yesterday, it reminds me that the Holy Spirit is at work and people are responding. A church can grow not just numerically, but spiritually as we learn about who God is and what he wants to do in each of our lives. That's what I want for our church. Yes we need to grow numerically, but watching you church grow spiritually is a real blessing. God is at work and good things are happening. Let's continue to trust God and just watch his mighty hand lead us where he would have us go. Have a great week. God Blessings Bro. Keith
