"News to Know"

April 8, 2024

WOW! What a great time of Food and Fellowship we had together last night. Hope everyone enjoyed themselves and got full.

Let us consider how to stir up one another to love and works.

Not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near.

Hebrews 10: 24-25

A message from Pastor Keith:

Happy Monday to you! What a great time of fellowship we had last night! Everything was just right the food was awesome our special guest group did a great job. (Thank you Janie) The business meeting went well. Thank you church for coming together and making it a great evening! Thank you to everyone who helped cook, or prepare, serve, whatever your part THANK-YOU! We must keep praying! There are a lot of things coming our way like replacing the boiler and selling the house that Satan will use to discourage us, but we serve a great God and he will see us through that's why we must keep praying. Pray for each other lifting each other up in prayer. We never know what someone else is going through so just lift them up just because. You don't need a special reason just speak their name to Jesus. I hope you all have a blessed week I can't wait to worship with you again on Wednesday then on Sunday. God Blessings Bro. Keith
